## 1.0 OVERVIEW

This document will give guidance for the U9 division and how it will operate throughout the season.

The U9 division's primary focus is still to promote a fun approach to learning the skills of hockey and the basics of the game. The program is based on a curriculum that incorporates all the appropriate skills for the age level.

The main goal of this division is to build on the skills acquired in the U7 program and help develop players new to hockey aged 7 and 8.

## 2.0 POLICY

- 2.1 At the U9 division no scores are kept, and no winners are announced as the emphasis is on fun and development.
- 2.2 U9 teams will play against other Airdrie U9 teams.
- 2.3 Teams will be coached by volunteer/parent coaches.
- 2.4 Ice sessions are 60 minutes in length with 2 teams on the ice at once.
- 2.5 All practices are shared ice.
- 2.6 Games will be played on half ice, with a divider on the centre line and the nets running east and west not cross ice.
- 2.7 After Evaluations the U9 players will be divided up into City parity teams based on their time trial and evaluation rankings. Depending on the number of registrations every season will determine how many U9 City teams AMHA will create. The total teams will be divided into 2 groups – Blue (higher ranked) and Red (lower ranked).

- 7.2 The warmup is 3 minutes
- 7.3 The rink set up: One set of barriers. It is recommended that in each half of the ice, the centre spot should be marked to indicate where the faceoff will take place.     - o B side plays 4 on 4 one shift and 3 on 3 the next shift plus goalie
