Jonah opened with the president's meeting and discussed the previous year and team amounts (16) and how many teams this year (16 hockey and 2 baseball) and noted that participation was good and how it comes down to managers and coaches to make a successful year. Excited about Baseball being started this spring.

Dustin spoke about Baseball. Airdrie little league did a good job supporting the community, our baseball is to provide a more competitive stream for athletes who are interested. The demand is there in Rocky View and Airdrie. Interest from parents, good turnout from interested parties. Good to help the Airdrie Stars Athletic Association grow and maybe gain traction from AGLC to allow for easier fundraising.

Dave presented financials to the audience and moved to adopt his financial report, Dustin seconded to accept. Evan Gregory of Servus Credit Union to audit financials again. Dave to file with corporate registries.

Dustin moved for adjournment at 6:55. Dave seconded.
