2019-2020 EXCEL TEAM PROGRAM ROSTERS ANNOUNCED

Curling Alberta is pleased to announce the team rosters for our 2019-2020 Excel Team Program. This program features a total of 15 teams, including three male and three female U18 teams, three male and three female U21 teams, along with one male, one female, and one mixed doubles U26 teams.

These teams qualified for the Excel Team Program by way of aggregate individual points from the 2018-2019 season, and will receive a wide range of benefits. These benefits include training sessions and game observations with the Excel

Coaching Staff, along with support from a variety of sport science professionals.

“We’re extremely excited about the depth of talent in this year’s Excel Team Program”, says Excel Program Director, Rob Krepps. “In fact, we would be very surprised if this group doesn’t include numerous Alberta men’s and women’s champions of the future.”
