NOCSAE Voids Certification of Two Lacrosse Helmet Models

Clarification regarding Women's Field Participants and helmet/facemask policies

As a clarification to technical bulletin 14-07, released on Wednesday November 26, the CLA would like to state the following:

For the all round safety of the sport, the CLA strongly recommends that, while this rule is applicable under CLA policy to Men's Field and Box, any other players or goaltenders in Women's' Field should also be aware of all safety issues with respect to equipment and are strongly advised to comply with the CLA helmet standards rule and ensure they are wearing an approved helmet.

Additional information and technical bulletins related to equipment may be found on the [equipment page of the CLA website](#).

The CLA's greatest priority is the safety of all members and participants.

Please do not hesitate to contact CLA Program Coordinator, Ashley Raaymakers (ashley@lacrosse.ca or 613-260-2028 ext. 301) should you have any additional questions or concerns.
