

AMSAL YOUTH TRIALIST FORM

This completed form must be signed by all parties and submitted to the ASA at competitions@albertasoccer.com prior to the player participating in the player's first AMSAL match of the season.

The player must be identified with a 'Y' on the game sheet of any AMSAL match the player plays in.

At the discretion of the youth club, specific AMSAL matches may be excluded where there are conflicts with the youth team commitments.

Proof of permission for the youth trialist to participate must be obtained from the youth player's club or coach prior to kickoff of each AMSAL match the youth trialist participates in.

This should be obtained via email, as proof of permission must be provided to Alberta Soccer upon request.

Once a properly completed form has been submitted for a youth trialist, the player will be eligible to participate, for that AMSAL team. Any team, using the player, will be required to resubmit a new trialist form for the player.
