DIRECTOR BRIAN UTLEY

Dear _____,

We are pleased to be able to invite you to participate in the 20th annual **SHOOTING STARS PROSPECTS SHOWCASE, March 22-23, 2019**. You have been chosen because of your outstanding basketball abilities, your hard work and commitment to basketball, and your potential to play at College or University in the future.

The basic purpose of this game is to showcase your abilities against other top young players in the province. All college and university coaches in Alberta are being invited to attend this game. You are considered to be an excellent prospect and this is a great opportunity to be scouted. Alberta has produced many outstanding players the last few years and we expect many more.

A few years ago we added a 3 on 3 championship for all participants and we will continue that. This adds a great deal of excitement to the event. As well, we have university or college coaches/ players coaching most teams. In the past all five head coaches from the Alberta universities have coached in the event, as well as many of the college coaches.

This year we are running five "Prospects" Games. The games will be as follows: Grade 8/ 9, Grade 9, Grade 10, Grade 10/ 11 and Grade 11. The "Prospects" Games will involve many of the top young players in the province.

In this package, or on the web-site, you will have the following information:

| 1) Registration/Fee Protocol | 4) Awards Banquet Information |
| 2) Weekend Itinerary | 5) Sponsorship Letter |

If you wish to accept this invitation to play in this special event you need to complete the registration process immediately. Check the information package, on our web-site, for registration procedures. You are required to register on-line. If we do not hear from you in a timely manner, your spot will be offered to another player.

The **PROSPECTS GAMES** are being run in conjunction with the **SHOOTING STARS SENIOR SHOWCASE ALL-STAR GAMES** for grade 12 players. The senior event is in its 26th year.

We are excited, this year, to again, offer bursaries to the 12 major award winners. To be eligible to receive a major award and bursary, the athlete must participate in the **SHOOTING STARS SHOWCASE**. We hope that you are able to participate in our event.

Sincerely,
