

SHOOTING STARS BASKETBALL SPONSORSHIP PROGRAM 2019

The **Shooting Stars** Basketball Program is the longest running club, in Alberta, having formed in 1991. The organization is in its 26th year hosting the **Shooting Stars** Showcase All-Star games. Starting with 3 games in 1994, the event now involves 7 or 8 games and close to 200 athletes ranging from grades 8-12. This is the premier high school all-star basketball event in Canada. All athletes participate in a banquet on Friday, March 22 and practice, 3 on 3 tournament and game on Saturday, March 23.

One of the highlights of the weekend is the awards banquet, which will be held, this year, on Friday, March 22nd at the Calgary Plaza Hotel. All athletes are recognized with an award and we also give out 14 major awards. We offer small bursaries to the major award winners. We ask that you please consider sponsoring an award. These young ladies are some of the highest achievers in the province and we would like to reward their efforts and sacrifices. The following are the awards/ scholarships that we are looking to secure sponsors for and represent the minimum amount we will give out.

SENIOR SHOWCASE SCHOLARSHIPS

We would like to reduce/ eliminate the cost for the Grade 12 players to participate in the Senior Showcase. Financial considerations are a factor with Grade 12's because they are preparing for their graduations and post-secondary in the fall. The cost to sponsor an athlete is \$150. There are 48 seniors participating in the event so we are looking for 48 sponsors. If we do not receive a sponsor for all 48 players we will pool the money and reduce the cost for all players.
