20th ANNUAL SHOOTING STARS PROSPECTS SHOWCASE

March 22-23, 2019

You have been recommended as an outstanding basketball player and this is your invitation to participate in the 20th annual SHOOTING STARS PROSPECTS SHOWCASE, the largest event of its kind in CANADA. Please note that the Senior Showcase is by invitation only. Our event kicks off with the all-star banquet on Friday, March 22nd at the Calgary Plaza Hotel. This event has had as many as 500 athletes, parents and coaches in attendance. At the banquet all of the all-stars receive an award and are treated to an excellent meal and some outstanding entertainment. In total, over \$5000 in awards will be distributed at the banquet and at the games on Saturday. Major awards will be given out, as well. In total, over \$2000 in bursary awards will be distributed to the major award winners. This is a great evening that you will not forget.

On Saturday, at SAIT, you will participate in a team practice, 3 on 3 tournament and your all-star game, part of 7 games being played this weekend. Check the itinerary for a full schedule of events and times. This is a first-class event and you will enjoy the experience. Add in coaching from Alberta university and college coaches and players and you have an event that we hope will be a highlight of your basketball career. This is a great opportunity to be seen by college and university coaches. Over the years most of Alberta's top female players have participated in this event. This is what two coaches have said about our event:

“The Shooting Stars Showcase is as good as it gets! There is no other event in the country that does such a tremendous job of showcasing female basketball players. Young women in our province are not only recognized for their basketball prowess, but are also provided a first-class stage on which they can showcase their skills. On top of that many of these wonderful players receive scholarship dollars.”

Shawnee Harle, Basketball Canada

“On behalf of my girls I would like to give you and your group many thanks for the Shooting Stars Showcase. My girls have talked glowingly about the all-star games and the experience of both the banquet and the games. They had a lot of laughs and enjoyed the weekend immensely.”
