28th Provincial Seniors Girls' Basketball Showcase

March 25-26, 2022

You have been recommended as an outstanding basketball player and this is your invitation to participate in the 28th annual SHOOTING STARS SENIORS' SHOWCASE, the largest event of its kind in CANADA. Please note that the Senior Showcase is by invitation only. Our event kicks off with the Awards Gala on Friday, March 25th in the auditorium at the SAIT Campus Centre. This event has had over 500 athletes, parents and coaches in attendance at past events. At the Awards Gala all of the all-stars receive an award and are introduced individually. Over \$5000 in awards are distributed at the Gala and games on Saturday. Major awards will be given out, as well. In total, over \$2000 in bursaries and awards will be distributed to the major award winners. This is a great evening. You will also participate in a 3 on 3 tournament after the Awards Gala.

On Saturday, at SAIT, you will participate in a team practice and your all-star game, part of 6 games being played this weekend. Check the itinerary for a full schedule of events and times. This is a first-class event and you will enjoy the experience. Add in coaching from Alberta university and college coaches and players and you have an event that we hope will be a highlight of your basketball career. This is a great opportunity to be seen by college and university coaches. Over the years most of Alberta's top female players have participated in this event. This is what two coaches have said about our event:

“The Shooting Stars Showcase is as good as it gets! There is no other event in the country that does such a tremendous job of showcasing female basketball players. Young women in our province are not only recognized for their basketball prowess, but are also provided a first-class stage on which they can showcase their skills. Shawnee Harle, Basketball Canada

“On behalf of my girls I would like to give you and your group many thanks for the Shooting Stars Showcase. My girls have talked glowingly about the all-star games and the experience of both the banquet and the games. They had a lot of laughs and enjoyed the weekend immensely.”
