

Appendix 4: APHL Performance Bonds and Fees

Performance Bonds: Each association must pay to the APHL a performance bond in the amount of \$1,000. This Bond will be held by the APHL in a GIC account and will be refunded to the association with interest if the association is no longer an active member of the APHL or if the association membership is revoked by the APHL.

Performance Bonds will be used to deduct any unpaid fines or association fees. The association will have 10 days to replenish the bond.

Association Fees: Each year the APHL will set a yearly association fee that is due on or before the annual APHL scheduling meeting. The association fee will be determined by the amount of associations within the APHL for the upcoming season. All APHL members must pay the yearly association fee if you have teams participating or not participating in the current season.

Team Fees: All teams participating in the APHL will be charged a team fee. This fee will be determined after all the associations have declared the amount of teams participating within the APHL. The team fee is due on or before the annual APHL Scheduling meeting.

Late Fees: Late fees will be applied to the association if the association fee and or team fees are not paid on time as indicated above. A late fee of \$250.00 will be applied.
