#### **Appendix 7: Game Changes**

Once a APHL game has been scheduled and approved at the annual APHL scheduling meeting, it is considered a scheduled APHL league game.

No one team can force a game to be changed on an opponent after the scheduling meeting has been completed.

Games changes allowed only if the following occur:

- a) Both team managers agree on a game change.
- b) Game change forms to be completed by both team managers.
- c) Once completed each manager forwards the form to the divisional commissioner for approval. Once approved the divisional commissioner will update the APHL website with the new game information.

For games needed to be rescheduled due to Adverse Weather Conditions see Appendix A: Alberta One Weather Travel Policy.

**GAME CHANGE FORMS CAN BE FOUND ON THE APHL WEB SITE HOME PAGE UNDER FORMS.**
