

Coaches Bio:

Todd Stahlmann played competitive hockey from OMHA AAA (Oakville Rangers), Juniors, and playing for his College (Georgian College). Through the years of playing hockey he has seen a variety good and bad coaching styles. Todd is a very calm coach and creates a respectful environment in which the players are encouraged to ask questions. Practices are very organized and run with player safety as a primary concern.

Todd has been involved in Coaching from Manager to Head Coach from 2014-2015 season Glanbrook Minor Hockey as a Manager, 2016-2017 season AAGHA House League & DS Head Coach, 2017-2018 season AAGHA Rep Atom B Head Coach and 2018-2019 season AAGHA Rep Peewee B Head Coach.

Todd is known for his fast, hardworking and gritty teams. He creates a positive atmosphere in which every player feels that they can succeed. He truly believes in "**Team First**" - Together **Everyone Achieves More**, everyone plays, everyone succeeds. His practices are good balance between Skills, team drills, small games and **Fun**.

Ideally the Peewee A Team will be entering 6 tournaments (3 Away, 3 Local), extra Exhibition games, special skills development practices (Skating, Shooting, Dryland, Goalie School).
