

APRA Player/Parent Protocols For Each APRA Session/Event

What you need to do before coming to the Rink!

- ✓ Complete your health attestation of the APRA event through the facility health check prior to entering the facility. Remember to hit the submit icon when completing.
- ✓ If you and/or your child are feeling unwell or exhibiting any related cold or flu-like symptoms (runny nose, sore throat, fever, cough, etc.) you must advise your team and stay home until symptoms have ended.
- ✓ Ensure your equipment is clean and you have everything you need to precede onto the ice (i.e. mask, sanitizer, etc.)
- ✓ If teammates are carpooling to and from team events, all passengers should be wearing masks.

Arriving and Entering the Facility

- ✓ Players will be required to arrive at least 15 minutes prior to going on the ice. Players will be allowed into the arena 15 minutes before the sessions. Late entries may not be possible.
- ✓ Players are advised to arrive wearing on ice gear. Players will be able to put skates on in the arena in designated areas.
- ✓ Players are to wait outside, in designated waiting area, maintaining social distancing, with their equipment.
- ✓ Parents and players are required to wear a mask and use hand sanitizer upon entering the arena.
- ✓ Players and parents will be met by a coach/manager/trainer at designated entrance locations.
- ✓ Players will be asked to line up (social distancing) at the door and will be allowed to enter based on clearance (all forms submitted, attendance confirmed and health attestation complete and approved). Parents and any non-participating child (12-17 years of age) must provide proof of vaccination along with government issued ID.
- ✓ One parent per player will be permitted to enter the facility. Parents will be required to maintain social distancing and proceed to the designated viewing area.

During Session

- ✓ Maintain social distance of 2 metres at all times off the ice.
- ✓ No sharing of water bottles or equipment.
- ✓ Player are encouraged not to move or touch rings, cones or other game equipment with their hands/gloves.
- ✓ If any player needs their parent for an emergency or equipment malfunction, they will tell the designated manager off ice who will then communicate to their parent. The manager will ensure, following facility guidelines that the parent and player meet in a designated area, if required.
- ✓ Parents are to stay within the designated viewing area for the duration of the session.

Exit & Departure

- ✓ All participants will be asked to leave the facility promptly.
- ✓ Upon completion of the session, parents will exit the facility, maintaining physical distancing.
- ✓ Players are encouraged to use hand sanitizer after session.
- ✓ Players must wear a mask and maintain physical distancing when exiting the facility.
- ✓ Players will meet their parents in designated pick up area outside of the facility.
