

Dylan Thorpe Memorial Scholarship  
Application – 2021

The Dylan Thorpe Memorial Scholarship was created by Dylan's family to ensure his spirit and love of sport could continue to inspire young soccer athletes. This year the Scholarship will award \$2000 to one male and one female soccer player from the Aurora Soccer Club based on the following criteria:

1. The player will have graduated from grade 12 in the 2021 school year;
2. The player will have been an Aurora Soccer Club member. This means that they will have been a registered player and played a minimum of one year with the Club (an outdoor and an indoor season);
3. The player must be registered and attending a post-secondary educational institution. This can be a university, college, business college, trade school, etc. Please include confirmation of registration and attendance. Note that the recipients must be enrolled in a full time post-secondary program;
4. The player will have contributed to the community by volunteering.
5. This award will not be based on academic standing, but rather on the spirit of the applicant. We are looking for kind, positive young adults who show passion for the game of soccer. They should be team leaders (not necessarily scoring leaders) that support and continually do their best to show compassion for all.

We would ask that all applicants provide:

1. A letter of introduction from the applicant;
2. Two (2) letters of recommendation from a coach, teacher, volunteer supervisor or other community mentor;
3. Confirmation of post-secondary registration and attendance.
4. The recipients of this scholarship must provide their address, birth date and SIN number.

The Scholarships will be awarded at a memorial soccer game sometime in August with the date to be determined on field availability and covid restrictions. The deadline to apply for the Dylan Thorpe Memorial Scholarship will be June 15, 2021.
