April 23, 2024

Appointments start at 5:00pm

[CLICK HERE TO BOOK YOUR RESHOOT TIME](#)

Go towards the top of the bobsled track to:

226-88 Paskapoo Drive SW, Calgary AB

We are just behind the top of COP in Cougar Ridge.

****Please note that you are unable to drive through COP without a road pass****

Stay on Paskapoo Drive but before you get to the bobsled track you will see a house with the Canada flag on the deck on the left side. This is our location.

Park on the road and go through the back gate and to the walkout basement door.

***NEW* for 2023**

Retakes are now by appointment only. Please use the link above to book your time. Remember to bring your **please wear your gloves, uniform and your stick. Neck guards are optional, but we feel it looks better without.**

Running shoes or slides are fine. There is no charge for a re-shoot if your athlete simply wants individual photos. There is a charge of \$25 per player if they wish to be photoshopped into the team picture (in case the athlete missed the team photo). For siblings that need re-shoots the fee is \$20 per child.

HOW TO ORDER

Did you receive a link?

**I received a link via email from
Prime Sports**

Follow the link to your child's gallery where you can order individual & specialty items

**I did not receive an email link to my
childs gallery**

Go to:

<https://primesports.fotomerchanthv.com> where you can search for your child by their last name

If your child's gallery is blank, contains photos of the wrong athlete or your child does not come up on the search by name page please email:
orders@primesportsteamphotography.com

If you order within 10 days of the original shoot your photos will be delivered to the league with no shipping fees

"I missed the deadline can I still get photos?"

Yes! You can order up to 3 months after the original shoot.

Your order will be shipped to your home address

***An additional \$7.00 processing and shipping fee will apply**

**If you are experiencing any problems during the ordering process, please email:
