We're excited to be hosting a special community event—our 1st Annual **ALL GOALIE GAME**—and we're inviting everyone to join in the fun while supporting a great cause.

You might be wondering... what exactly is an "All Goalie Game"?

It's a hilarious, high-energy, wonderfully chaotic (in the best way!) hockey game where every is a goalie and is suited up in full goalie gear. Yes—full goalie gear, full game, full entertainment!

As part of this event, we will be collecting donations for our local food bank as the price of admission. Our goal is to fill the stands, spread some cheer, and come together as a community to support local families during the holiday season.

So please join us for the entertainment, while supporting our goalies and our community!

Please bring a non-perishable food bank donation as your "entrance fee"

...And your winners are

BAHA SHOUT OUTS

Corbin Carwell has been selected to participate in the 2025 Native All-American Game. This recognizes him as one of Indian Country's top 70 high school football players who maintain their grade point average and is seen as a leader for our next generation.

The Native American Athletic Foundation has partnered with the National Football League (NFL) and Minnesota Vikings to host this game at U.S. Bank Stadium between December 10th and 14th.

CONGRATS CORBIN!

Beaumont officials Brody Kagi, Noah Victoria and Nathan Vadgama worked the ice at Roger's Place for Oil King's Big League experience in November.

Great work guys!

Happy

Holidays
