

## BAHA Authorized 3<sup>rd</sup> Jersey

Beginning the 2014-15 Season, BAHA is allowing teams to purchase, at their own expense, an authorized 3<sup>rd</sup> jersey which can be worn for exhibition and tournament games only (no league games). The jersey is to be the Chicago Blackhawks “standard red” jersey (see picture above).

The jersey must have

- the Beaumont Braves Crest on the Front

- two colour numbering on the back (white with black outline)

- the Beaumont “B” logo on both shoulders.

Logos and Numbers may not be silk-screened on; they must be sewn on crests and numbers.

This jersey may have the following as options:

- numbers on the arm

- player name bar (see location of name bar on the example above)

- sponsor name bar (see location of sponsor name bar on the example above). Note: sponsorship naming can be unique to each jersey if desired by the team.

The sole cost and responsibility of ordering this jersey is that of the team. Teams will also be required to order, again at their own cost, the red hockey sock which matches this jersey.
