SURGE Female Hockey Program

Introducing David Fleming as our new Female Director

While David is new to the Female Director Role for BAHA, he certainly isn't new to BAHA. David started his time with BAHA in 2008 as Head Coach for Initiation. David continued his time with BAHA coaching his daughter for the next 8 years. David also was Equipment Director for BAHA. In 2017 David's daughter Jacquelyn, decided to play for Leduc's NCI AA Team and David applied and was awarded the Head Coaching Job. David took the team to provincials twice receiving silver medals both years. In 2017-2018 David was awarded the coach of the year for Hockey Alberta U15 AA League. That same year David was selected as a coach for Alberta Challenge which is the tournament Hockey Alberta has each year for the top U15 players across Alberta. David's familiarity with female hockey extends into Spring Hockey where David coached Coed Teams for 2 years and Female Teams for 5 years. David and a friend formed a U18 Spring team with the top players in Northern Alberta which won several tournaments across Canada and virtually all players received post-secondary scholarships. David experience also includes working his family hockey school, occasionally teaching power-skating, 2 years as Director for Edmonton White Junior Oilers (Female U18AAA) and as female hockey scout for UBC the past 3 seasons. Last year David provided individual training to U18 female players looking to play at U18AAA level and was an assistance coach with the BAHA's U13AAA team that won a provincial championship. And to add a few more interesting facts, his Dad is inducted in the Alberta Hockey Hall of fame and his daughter has a hockey scholarship with UBC.

David is encouraged with the growth in female hockey in Beaumont since his daughter played and as indicated, his priority is to continue to grow the female game and ensure female players reach their goals and have fun playing the game the love.

Welcome David! We look forward to seeing what you can help the Female Program achieve this coming season.

If you have any comments or suggestions on the program, Surge by BAHA, please contact our Female Director David at Female-director@baha.ab.ca
