BEAUMONT AMATEUR HOCKEY ASSOCIATION

RULES AND REGULATIONS

VERSION 2020.2.10

The Executive Administrator shall be responsible for registering all players, teams and affiliates with Hockey Alberta in accordance with their Rules and Regulations.

Registration costs shall be established by the Finance Committee, and be presented to the Board for approval, prior to the Annual General Meeting for the upcoming season. Registration shall be open to all children residing within the Boundaries as per Hockey Alberta.

Refunds and late registrations will be considered on a case-by-case basis following the guidelines outlined in the **Refund Policy** attached as **Appendix A** in the Rules and Regulations.

Registration fees include one (1) memory mate and team photo.

2.0 **TEAM REGISTRATION**

All B.A.H.A. registered teams shall be called the **BEAUMONT BRAVES** followed by the division and category of the team.

For example:

Under 17 AA team would go by: BEAUMONT BRAVES – U17 AA

Under 7 team 5B would go by: BEAUMONT BRAVES – U7 5B

3.0 **HARDSHIP CASES**

No child shall be refused registration if they meet the basic requirements as stated by Hockey Alberta. In such extreme circumstances, the President shall have full and absolute authority to waive full or partial fees for any player wishing to register with the Association during a hockey season, commencing in September and ending in March. The President shall advise the Vice-President of Off-Ice Operations and the Treasurer where fees have been waived for record keeping purposes. All cases are to be reviewed every year at the commencement of each season.

4.0 COMPETITIVE AND RECREATION LEAGUE PLAY

The goals and objectives of the Beaumont Amateur Hockey Association are to ensure that each member plays at the highest possible level of their ability at all times to ensure the development and skill acquisition, as well as life skills that the sport of hockey produces. Recognizing this, the structure of the Association shall include both competitive/rep (AA BAHA1 and A/BAHA2) and recreational/house hockey at various levels of play. It is the responsibility of the Board of Directors to monitor and make necessary changes with regard to both levels of hockey.

Competitive/Rep fees will be set following the Annual General Meeting by the current Board. All team Competitive/Rep fees must be paid by October 31. If the Treasurer does not receive fees, ice will be suspended until all fees are received.

5.0 HOCKEY LEVELS

The Beaumont Amateur Hockey Association shall support the levels of hockey from U7 Program up to Junior C. All levels and teams shall be treated equally and fairly. In general, the minimum age for U7 Program will be 5 years. Any deviations from this will be at the discretion of the appropriate Level Director in conjunction with the Vice-President of On-Ice Operations and one other Director.

Junior C must have a minimum of eleven (11) Beaumont players.

6.0 LEAGUE PLAY

The Beaumont Amateur Hockey Association will endeavor to find appropriate leagues for all registered teams to participate. It is expected that teams will participate in leagues in which the teams will be competitive. Other considerations will include travel and associated costs. Historical precedence has established current league assignments and this shall be reviewed annually by the appropriate Level Director in conjunction with the Vice-President of On-Ice Operations. Any changes in league participation will require the endorsement of the Executive Committee.

7.0 PERMISSION TO TRY OUT FORM/RELEASES

A player, who in the last hockey season was registered with the Beaumont Amateur Hockey Association, wishes to try out with a local Minor Hockey Association that currently offers a higher categorization of play, must first obtain a Hockey Alberta approved Permission to Try Out Form, that is signed by the President of the Beaumont Amateur Hockey Association prior to attending the try-out camp. If the player makes the designated hockey team indicated on the Permission to Try Out form. B.A.H.A. is required to approve the transfer.

A player, whose last hockey season was registered with the Beaumont Amateur Hockey Association and has moved, will be electronically “**transferred**” once they are registered with another minor hockey association (provided they have no outstanding fees or debts).

A transfer may be required when a player is allowed to, by mutual agreement, play for the current hockey season in another **LOCAL MINOR HOCKEY ASSOCIATION** due to reasons such as, but not limited to: too many goalies, too many players for one team. In these circumstances, at the end of the current season, all players are transferred back to the Beaumont Amateur Hockey Association.

B.A.H.A. will not allow U17 aged players to try out for any Junior “B” clubs.

All supporting documentation (Parent Declaration Forms, Player Verification Forms, and Permission to Try Out Forms etc.) are to be filed with the Executive Director.

Under the Hockey Alberta Development Model, B.A.H.A. is part of the Leduc draw zone for AAA. Beaumont is a draw zone for the AA model, and includes the communities of Devon and Leduc. More information about the Hockey Alberta Development Models for Elite (AAA, AA, and Female AAA) programs can be found on the Hockey Alberta website at www.hockeyalberta.ca.

B.A.H.A. will not finalize their competitive teams until such times as the Leduc Elite teams have made their final cuts. For players choosing to continue trying out in other Elite Draw Zones, B.A.H.A. will not guarantee registration.

8.0 **PLAYER EVALUATION AND TEAM SELECTION**

The Beaumont Amateur Hockey Association recognizes that the team selection process is an important and stressful time for all the players, parents, coaches, evaluators, and Board members. In order to ensure that this is carried out in a fair and equitable manner, the Association has redefined and developed the following objectives and guidelines:

8.1 **EVALUATION OBJECTIVES**

The objectives of the Beaumont Amateur Hockey Association during the evaluation process are:

- To provide fair and impartial assessment of a players' total hockey skills
- To ensure the players have an opportunity of being selected to a team of their appropriate skill level
- To have players of similar ability playing together to maintain balanced, competitive teams where the athletes can participate and have fun playing hockey during the season.

8.2 **EVALUATION ASSESSMENT GUIDELINES**

All Competitive team tryouts are open to all interested players. This may or may not include an exhibition game.

A team of evaluators may be used to assess the players' hockey skills. The Beaumont Amateur Hockey Association will ensure that the evaluators are impartial and have **NO** family members trying out in the age level they are evaluating.

The Board may decide from year to year to hire external Evaluators at an extra cost in order to make the process fair and equitable.

Please refer to **Appendix P – BAHA Evaluation Guidelines** for detailed breakdown of the Evaluation processes.

The appropriate Level Director, in conjunction with the Vice-President of On-Ice Hockey Operations, is responsible for formulating evaluation teams for the purpose of player evaluations for each level.

Evaluators assess skills such as skating, puck control, passing, hockey sense, knowledge, intensity, and sportsmanship depending on the level being evaluated. See **Appendix "M" for Player and Goalie Evaluation Forms**. The evaluators assessments will be used as the basis for team selection. However, the coach will be given the opportunity for input prior to the team being finalized. The coaches also take into account factors like age, size, coach-ability, attitude, desire, commitment and so on in their assessment. The selection process overwhelmingly reflects on ice performance during the evaluation period.

The Evaluation process will follow the B.A.H.A. Evaluation Guidelines as set out in **APPENDIX Q**.

Evaluations are documented and remain confidential. They are not provided to the general membership. The evaluations are intended to provide effective and equitable means to let players participate at a level consistent with their skills and abilities.

8.3 **EXCEPTIONS & SPECIAL CIRCUMSTANCES**

If a player misses the evaluation process because of an illness, injury, a family emergency, or any other valid reason, a committee including the appropriate Level Director and Coaches will decide which level the individual should play.

8.4 **EVALUATION GRIEVANCES**

A player or parents may not agree with their player's placement during or after Evaluations. In these cases, the player or parent may file a grievance in order to have their case heard by a Grievance Committee. In order to get a Grievance heard the players or parents must complete the following:

- a) The grievance must be formally filed within 24 hours of the completion of the team formalization session.
- b) The written grievance must state the age, category, players identification number, the parents Respect in Sport #, and any additional comments the parent(s) may wish to make
- c) A cheque in the amount of \$150.00 must be delivered to the appropriate age Level Director. If the grievance is successful, the cheque will be destroyed. If it is not successful the monies will be deposited into the B.A.H.A. account and added to the operating budget.
- d) The age Level Director will explain the process of Evaluations and provide the parents with the evaluation rankings of the grieving player from the current season's evaluations.
- e) The Vice-President of On-Ice Operations is the B.A.H.A. Grievance Coordinator and is also a member of the Grievance Committee.
- f) Upon receiving a Grievance in writing the Vice-President of On-Ice Operations will form a Grievance Committee, which shall include him/herself, the appropriate Level Director and at least two (2) independent evaluators that will attend the next evaluation session, if there is still to be another evaluation skate.
- g) If there are no more evaluation skates left for the Grievance Committee to evaluate the player, a meeting with the parents and the committee will be scheduled to discuss the grievance. After which, the Committee will review all

BEAUMONT AMATEUR HOCKEY ASSOCIATION

RULES AND REGULATIONS

VERSION 2020.2.10

evaluations from this season and make a formal decision. The Committee will then provide to the parent in writing their decision.

- h) The Grievance Committee will be provided with the evaluation rankings of the grieving player from all the current seasons evaluations and any comments from the evaluators.
- i) In order to be successful, a grieving player must be placed as the top ranked player in their group on the day of the grievance evaluation. (regardless of whether or not the grieving player is playing on the higher or lower group of that session)
- j) The decision of the Grievance Committee will be final. A grieving player will be notified of the decision of the Grievance Committee as soon as possible following Session 5.
- k) There will be **NO** grievance for goalies in any age level or for any player in U9 or U7.

****Please note that there will be no grievances for players who are released from the U15 Body Checking Stream. Players released after the Body Checking teams are made will have to play in the Non-Body Checking Stream (if there are enough players registered to form a Non-Body Checking team) for that respective season or request a release to go play elsewhere.**

9.0 PLAYER DEVELOPMENT

The Beaumont Amateur Hockey Association will strive to develop players by ensuring coaching staff are properly trained for their respective level. Programs will be designed to support all players regardless of talent or ability.

The Board may consider organizing a Development Camp at the beginning of each hockey season and provide conditioning skates prior to team selection. The Board may also consider putting on Power Skating Clinics, Development Camps and Goalie Clinics throughout the season.

10.0 PLAYER MOVEMENT

All players wishing to compete at a level higher than their proper registration must be capable of making the number one (1) team in their category. His/her abilities shall be assessed by his/her evaluation as well as observations by the Coach involved, Vice-President of On-Ice Operations and the Appropriate Level Director. If unable to make the one (1) team, the player must return to his/her proper category. Exceptions to this rule may be made with unanimous approval of the President, Vice-President of On-Ice Operations and the appropriate Level Director.

11.0 AFFILIATION

11.1 Affiliation Guidelines

Definition: Affiliation: The state or process of associating a player from one lower tiered team to another higher tiered team.

Purpose: The purpose of affiliating a player is to allow a team that is short players due to illness, injury, absence or suspension to bring a player onto the team for a game to help ensure the team remains competitive, as well as provide an opportunity for player development for the affiliated player.

Considerations: To make affiliated player usage effective, everyone involved must consider that decisions involving affiliated player use are bigger picture decisions, and members should not be forced on their own personal situation.

11.2 Affiliated Player Policy (Applies to U11, U13, U15, U17)

- Affiliated player forms must be submitted at the end of try-outs with the regular roster – when coaches receive the roster back, affiliated players will be listed on it – **NO** affiliated players may participate in games until the coach has an official roster with affiliated players.
- It is highly recommended that coaches pick affiliates from more than one team to alleviate any conflicts that may come up.
- Minimum of 2 Defense, 3 Forwards and a Goalie must be listed
- A Coach may bring an AP up to a game or practice if it does not interfere with the players' local league or team practice or game. Unless the coach of the AP agrees.
- Eligible AP may only play the maximum number of league games (exhibition and tournament games do not count) as defined by the Hockey Alberta Affiliation Player Policy found on the Hockey Alberta website.
- B.A.H.A. Executive expects fair distribution of AP opportunities.

- If a younger player, or lower tiered player is not affiliated with your team, the player is not allowed on the ice for any team events.
- Coaches who wish to use AP must follow the following procedures:
 1. Receive permission from the coach of the player desired. The players' coach retains the right to stop this player from playing on the "other" team at any time.
 2. The players' coach is to receive permission from the proposed affiliated players parents.
 3. Only then should contact be made with the player
 - a. The players are to be contacted by their own coach
 - b. The players must be talked to about conduct on and off the ice. Bullying or Harassment at hockey or at school will result in the loss of privileges to play with the receiving team.

11.3 Allowing Affiliated Players to Play

Coaches are asked to release players to the team that has affiliated them if it does not interfere with their own team's schedule (practices and/or games).

The coach of the affiliated player is not to impose any other conditions or otherwise influence the players from playing up.

Any dispute among the coaches regarding the application of the AP rules will be referred to the executive.

11.4 Emergency Situations

If the team wishing to use an AP is in a situation for a league game in which they will have only nine (9) players available, this may be deemed an emergency situation and the coach of the lower level team will have to provide enough players to enable the higher team to have ten (10) players. Exhibition and Tournament games do not make an emergency situation.

Coaches will not use affiliated players to replace healthy, capable and willing carded players nor to fill unused roster space.

The intent is to allow a team who is down on players from their normal roster to bring that team back to its "normal size". It is encouraged, that if a coach intends to use another player, to have the player attend a couple of practices to be prepared. It is discouraged to use the lower team as a resource pool for the upper team, and constantly try players to find the best one. When a coach has a genuine need to use an affiliated player, they are to contact the lower team's coach who will decide **when and which players can affiliate with them.**

11.5 Conflicts

In the event of conflicting ice times between the giving team and the receiving team, it is preferred that the player play with their own team. This is to be a conversation between the two coaches.

11.6 Who

Affiliated player usage is an opportunity for those who can play up, to play up. It cannot be about equal ice time, because there is some risk involved. Which players get used is up to the coach(s).

11.7 Disciplinary Policy

Should a player's behavior due to playing on an affiliate team cause problem (bully, or harassing or example), that player may face disciplinary action up to and including the loss of their privileges to play for an affiliated team for the remainder of the season.

*Should a coach intentionally misuse affiliated players the team will lose the ability to use affiliated players for the rest of the season.

12.0 COACHING STAFF

All head coaches and assistant coaches must complete and submit a coaching application, complete the Respect in Sport Activity Leader and complete a Vulnerable Sector Check.

The AA Coach Selection Process includes a Selection Committee consisting of the President, Vice-President of On-Ice Operations, Coaching Director, Referee-in-Chief and the appropriate Level Director. In the event that a committee member is unavailable, a board member will replace the committee member for the interviews for **ALL** the candidates at that level. This committee will review the applicants and conduct interviews with the candidates. The Selection Committee will then vote for a candidate and the candidate with the most votes will be awarded the team. The Level Director will contact the applicant that is selected and once the job is accepted, the other candidates will be notified.

The Executive Committee on the recommendation of the appropriate Level Director, Vice-President of On-Ice Operations and one other Level Director will finalize coaches at all levels other than AA. Established quorum shall be three (3).

12.1 HEAD COACH

All head coaches, in conjunction with the Vice-President of On-Ice Operations, will ensure they are fully certified to coach at their given level as prescribed by Hockey Canada and/or Hockey Alberta. Furthermore, in conjunction with the Vice-President of On-Ice Operations, the Head Coach will further ensure that their coaching staff is also compliant and that they have at least one person registered to the team who has completed the Hockey Canada Safety Program and is in attendance at all games.

There are no equivalencies for any of these certifications. All certifications will be held or obtained prior to November 15th of the applicable year.

All head coaches shall be responsible for obtaining their own staff, after team selections are complete (i.e. Assistant Coaches & Team Manager.) A list of all selected coaching staff must be submitted to the appropriate Level Director for Hockey Operations Approval before the final roster can be approved. The coach may delegate operations; however, he/she has the overall responsibility for the safety, well-being, conduct and development of all members of his/her team.

A Head Coach cannot appoint an immediate family member as the Team Manager for his/her team. (i.e. Husband and Wife cannot be both Head Coach and Manager)

All coaches are required to participate in any additional training deemed necessary by the Board of Directors or Hockey Alberta and adhere to all Beaumont Amateur Hockey Association Rules and Regulations.

12.2 ASSISTANT COACH(S)

- Assistant coaches shall be responsible to the Head Coach. All assistant coaches must complete a coaching application and be registered with the Beaumont Amateur Hockey Association and adhere to all Rules and Regulations.
- The Assistant Coach will assume the responsibilities of the Head Coach during his/her absence.
- Assistant Coach(s) will be selected by the Head Coach once the team selection process is complete.

12.3 **TEAM MANAGER**

- He/she is responsible to the Head Coach. He/she shall be identified to the Beaumont Amateur Hockey Association and adhere to all Rules and Regulations.
- He/she shall also be responsible to attend all Team Manager Meetings.
- He/she shall act as a liaison to the Board of Directors as well as a liaison between parents and coaches.
- The Team Manager is responsible for maintaining the team financial records throughout the season and submitting a report at the end of the year to the Vice-President of Off-Ice Operations.
- The Team Manager will be selected by the Head Coach once the team selection process is complete.
- A manager may only be manager for one team at a time.

12.4 **DRESSING ROOM SUPERVISION POLICY**

Throughout the hockey season appropriate player supervision should be priority for all B.A.H.A. teams and staff. As such, Beaumont Amateur Hockey Association is implementing the “Two Deep Method” of supervision that is mentioned throughout Hockey Canada HCSP material and Hockey Canada Coaching Materials.

Dressing Room:

Players should be supervised at all times. A lone personnel member should never be alone in the dressing room with players at any time.

Especially when players are showering or changing.

Two (2) adults/supervisors over the age of eighteen (18) are to be present in the dressing room together, or within earshot of the dressing room door.

Teams with Female Players

BAHA recommends using the “Two Deep Method” with teams that have one (1) or more female hockey players on the team.

There shall be two(2) female adults/supervisors in the dressing room when possible.

If two (2) female adults/supervisors is not possible then it is acceptable to have one (1) female and one (1) male adult/supervisor in the dressing room

It is required to have at least one (1) female supervisor in the dressing room at all times.

See **APPENDIX R** for the B.A.H.A. Two Deep Method agreement.

13.0 **CRIMINAL RECORD CHECKS**

All registered team officials are required to undergo a Vulnerable Sector Check every three (3) years by the RCMP. Completed record checks must be submitted to the Secretary of the Board **BEFORE** November 15th of the current season. Failure to do so will result in suspension from the team. All Vulnerable Sector Checks will be kept strictly confidential and reviewed only by the Vice-President of On-Ice Operations and the appropriate Level Director.

In the event that there is a concern flagged or identified in the Vulnerable Sector Check, the coach may be required to provide further information to B.A.H.A.

Coaches under the age of 18 will not be required to pursue a VSC. Any carded coaches that is under 18 will be verbally approved by the Board. If the person is not known to the Board a reference letter may be requested.

14.0 **PROVINCIAL PLAY AND PROVINCIAL TOURNAMENT HOSTING**

Any team wishing to participate in Provincial play shall make an application to the Beaumont Amateur Hockey Association Board of Directors prior to **November 1st** of the applicable year. As a general rule, only competitive levels will be allowed to participate.

Any team wishing to host a Provincial Tournament utilizing Beaumont Amateur Hockey Association facilities shall make a request prior to **November 1st** of the applicable year. More details on preparing and submitting a Provincial Bid Application can be found on the Hockey Alberta website at www.hockey-alberta.ab.ca. Each application will require the approval of the Board.

All Recreation teams may partake in Provincials with the understanding they will be 100% self-funded.

15.0 EXHIBITION GAMES AND TOURNAMENTS

All teams are encouraged to participate in exhibition games and tournaments. Participation will be at the discretion of the Head Coach and the team will be responsible for making all arrangements.

Referee assignors require a minimum of four (4) days' notice regarding the need for officials for any pre-season or exhibition games.

Any team hosting an exhibition game will require a sanction number, and any team travelling to an exhibition tournament or game outside the Zone must apply for a Travel Permit. These permits can be requested through their appropriate Level Director.

The Beaumont Amateur Hockey Association does not allow teams to play league or exhibition games or enter into tournaments with non-sanctioned teams at any level. Nor may any member play with any team other than his/her registered team. Failure to observe these rules shall result in disciplinary action or suspension.

The Beaumont Amateur Hockey Association may host up to **four (4)** tournaments annually. The tournaments will be for the recreational tiers in each division. The Tournament Director is in charge of the administration of these four (4) annual tournaments, and will coordinate scheduling as per ice availability in conjunction with the Vice-President of On-Ice Operations and the appropriate Level Director(s) One of these tournaments will be in honor of Philip Oh, **see Regulation 16.0**

More information regarding permits can be found in the Manager's Manual located on the B.A.H.A. website at www.baha.ab.ca.

16.0 **PHILIP OH MEMORIAL HOCKEY TOURNAMENT**

The Philip Oh Memorial Hockey Tournament commemorates a fine young man, tragically killed in a car accident in the prime of his young life.

With #7 on his back, Philip played hockey in Beaumont from 1981 to 1993 where he was regarded by his teammates as a dedicated and resourceful hockey player. As well as a thoughtful and humorous friend, he was also a high achiever in academics.

APPENDIX O:**TEAM CONFLICT RESOLUTION PROCESS**

APPENDIX P:

BAHA Evaluation Policy

BAHA Mission Statement

The evaluation process, as with all BAHA activities, is guided by the following Mission Statement of BAHA: BAHA is committed to providing players an opportunity to grow as individuals and gain self-esteem through a positive hockey experience that emphasizes fun, participation, development, safety, and respect. BAHA will strive to accomplish these goals in a consistent, transparent and collaborative environment that encourages the participation of coaches and parents.

BAHA Evaluation Guidelines

The BAHA Evaluation Guidelines are to be applied in accordance with this Policy. This Policy has been approved by the Board of BAHA and may be amended from time to time, as necessary.

BAHA Evaluation Committee

The Vice President of Operations is the BAHA Evaluation Coordinator and a member of the Evaluation Committee. The Evaluation Committee also includes the President, and Age-Group Directors. The Evaluation Committee has the authority to make decisions during the evaluation process to ensure the evaluation process is carried out in a fair manner. The decisions of the Evaluation Committee during the evaluation process are final.

BAHA Grievance Committee

The Vice President of Operations is the BAHA Grievance Coordinator and a member of the Grievance Committee. The Grievance Committee also includes at least two (2) independent evaluators, to be determined upon a grievance(s) being filed. The decisions of the Grievance Committee are final.

Player Movement

The evaluation process is structured to give players opportunity to move groups. Players may be moved up or down from a group at any time during the evaluation process. This may happen during or after an evaluation session and the movement will take place for the next evaluation session. For all age Groups, returning players and goalies may be placed on a team below the team that he or she played for in the previous season, regardless if there are more or less teams in the age category than in the previous season. For example, if in the previous season the player played on Team 4 and there were only five teams in the age category, and this season there are five teams in the age category, the player may be placed on Team 5. BAHA respects the associated AAA evaluation process; however, players that are affiliated with a AAA teams will not automatically be placed on Team 1. Players that are affiliated with any AAA team will be required to participate in the evaluation process and will be placed according to the BAHA evaluation process. Returning players from try-outs with the AAA teams will be placed into the BAHA evaluation system based on a number of factors, including the level that the player played in the previous season; the coaches Player Exit Evaluations from the previous season; what groups other similarly ranked players are in; the number of evaluation sessions remaining; the number of players in each group; and the length of time that the player was at AAA try-outs.

Injured and Absent Player Placement

Injured and absent players will be treated as fairly as possible. The Evaluation Committee will also make decisions on placement of players that are injured or absent. The decisions of the Evaluation Committee will be final. Players absent from Session 1 will be placed in a group according to the level that they played during the last season, coach's rankings and where other similarly ranked players are grouped for Session 2. Players absent from Sessions 2, 3 or 4, will remain in the group that they were in during the previous evaluation session. An absent player will be the lowest ranked player for that ice session. Players absent from more than one evaluation session,

without good reason, will be moved down a group from the group that they were in during the previous evaluation session. Players that are injured, and not able to participate in the evaluation process, or not able to participate in an evaluation session, will be required to provide a note to the Evaluation Committee from a physician stating that the player is not able to participate in the evaluation process. If a player misses an evaluation session due to injury, they MUST provide BAHA with a Physicians note stating the player can return to play. Players that are injured before the evaluation process, and not able to participate in the evaluation process, will be placed on a team as determined by the Evaluation Committee. The Evaluation Committee will consider a number of factors, including, the level that the player played in the previous season; the coaches Player Exit Evaluations from the previous season; and what team other similarly ranked players might be on. The decision of the Evaluation Committee will be final. Players that are injured during the evaluation process will be paired up with the players who were ranked one ranking above them, as well as one ranking below them. The injured player will mirror these players throughout the evaluation process and may be moved up or down throughout the process. In situations where the player ranked below the injured player moves up a group, the injured player is not guaranteed to move up. The player's movement is determined by the Evaluations Committee. Injured players helmet numbers will be included in the groupings listed on each respective age groups evaluations page. The Evaluations Committee has the final say in all injured players placements and their decision is final. The injured player will not be notified of the helmet numbers for the players that he or she is mirroring.

Positions

In U11, U13, U15 and U17, players will be required to indicate their position (forward, defense, or goalie) at the time of registration and will be evaluated according to their position. Transparency and Impartiality The evaluation process should be fair to all players and as transparent and impartial as reasonably possible. Under absolutely no circumstance will a parent evaluate their own child, and under no circumstance will a parent evaluate in an age category in which they have a child. The BAHA Evaluations Guidelines will be posted on the website so that all parents and players are able to understand the evaluation process. The Vice President of Operations, , the Age-Group Directors and other board members will be available to any parent that has a question about the evaluation process. In order to maintain impartiality, prior to the commencement of the evaluation process, each player will be identified by a number. A sticker with a number on it will be given to each player and placed on his or her helmet. The numbers will be randomly selected by the Age-Group Director. Each player will be evaluated according to their number and evaluation results will be posted according to identification numbers. Players will only wear BAHA issued jerseys.

U7

There are no "try-outs" or grievances for U7. U7 will focus on fun and games to get the players comfortable with the surroundings and make the first hockey experience for these players enjoyable. Parents are encouraged to have their skates and helmets with them in case they are needed on the ice.

U9

U9 players participate in the evaluation process like the other age groups. However, to ensure all players are properly evaluated, and because a number of players come from U7, changes may be made from time to time by the Evaluation Committee. There are no grievances in U9.

Goalie Evaluation Process

In U11 and above, players can play goal on a full-time basis. Where possible, independent goalie evaluators will be hired to assist with the evaluation of goalies; however, as with players, parents may evaluate goalies. Like with players, under absolutely no circumstance will a parent evaluate their own child, and under no circumstance will a parent evaluate in an age category in which they have a child. The Director of Goaltending will have the authority to make decisions in relation to the evaluation of goalies. There are no grievances for goalies.

Release Process

All players are required by Hockey Alberta to register with the hockey association designated to their area of primary residence. If, for any reason, a player wishes to play outside of his or her designated area, a release is required. A formal request must be made to Hockey Alberta for a release and Hockey Alberta rules will govern all releases.

Recommended Team Size and Team Placement

Hockey Alberta sets the rules governing sizes of teams and BAHA follows the rules set by Hockey Alberta. Hockey Edmonton determines which teams will start the seeding round in which division, and whether BAHA has to have more than one team in any certain division. As soon as reasonably possible, Age Group Directors make the number of teams in an age category and the sizes of those teams.

Volunteer Requirements

The BAHA Evaluation system requires a tremendous amount of volunteer assistance for it to be successful. As such, BAHA has adopted various measures to ensure that there are sufficient volunteers to evaluate players and to assist with the running of evaluations.

Grievance Process

Players and parents may not agree with their placement after Session 4. A Grievance Process is set out in the B.A.H.A. Rules and Regulations. There is no grievance for goalies in any age group and no grievance for any players in U7 or U9. The decisions of the Grievance Committee will be final.

Suspensions

Any player who receives a major penalty resulting in a game ejection during an evaluated ice session will be placed at the bottom of the Group and their infraction is subject to review by the discipline committee. The Vice President of Operation, Age Group Director, and a BAHA Executive Member, as well as the officials have the right to eject players based on their on ice actions. All decisions made by the Vice President of Operation, Age Group Director, and or a BAHA Executive Member and or on ice Official are final.

APPENDIX Q:**BAHA Evaluation Guidelines U9 /U11/U13/U15/U17 except AA****Introduction**

The BAHA Evaluation Guidelines are guidelines for the evaluation of players and goalies registered in BAHA. The guidelines are set to provide guidance and direction to the evaluation process. During the evaluation process, decisions may need to be made by the Evaluation Committee that are not specifically part of the BAHA Evaluation Guidelines.

Evaluation Process

Prior to the commencement of the evaluation process, a meeting will be organized by the Evaluation Committee with the evaluators to outline the BAHA Evaluation Guidelines and to set out the objectives of the evaluation process. Evaluation templates will be posted on the website. In order to maintain impartiality, prior to the commencement of the evaluation process, each player will be identified by a number. A sticker with a number on it will be given to each player and placed on his or her helmet. Goalies will be given a jersey with a number. The numbers will be randomly selected by the Age Group Director. Each player and goalie will be evaluated according to their number and evaluation results will be posted according to identification numbers. Evaluators will not be advised as to the names of any players, and will only be provided with the identification numbers of players. Each evaluator will be provided with an evaluation sheet which he or she will be required to complete and submit immediately following the evaluation session. Each evaluator will provide their evaluation of players according to their identification number. The evaluation sheets will be maintained by the VP of Hockey Operation. In an effort to ensure proper movement, players may be moved both upward and downward from a group at any time during the evaluation process. APPENDIX Q:**BAHA DRESSING ROOM SUPERVISION AGREEMENT**

Throughout the hockey season appropriate player supervision should be a priority for all BAHA teams and staff. As such, Beaumont Amateur Hockey Association is implementing the “Two Deep Method” of supervision that is mentioned throughout Hockey Canada HCSP material and Hockey Canada Coaching Materials. This list describes the “Two Deep Method”.

Supervisory Responsibilities**Dressing Room:**

- Players should be supervised at all times. A lone personnel member should never be alone in the dressing room with players at any time. Especially when players are showering or changing.
- Two (2) adults/supervisors over the age of eighteen (18) are to be present in the dressing room together, or within earshot of the dressing room door.

Teams with Female Players

- BAHA recommends using the “Two Deep Method” with teams that have one (1) or more female hockey players on the team.
- There shall be two (2) female adults/supervisors in the dressing room whenever possible.
- If two (2) female adults/supervisors is not possible then it is acceptable to have one (1) female and one (1) male adult/supervisor in the dressing room
- It is required to have at least one (1) female supervisor in the dressing room at all times.
