

City of Barrie Recreation Facility Use Guidelines

Recreation Facility Traffic Flows Plan

Recreation Facilities must maintain staff and patrons at a 6 ft distance. We will be working with our user groups so that all may be able to use the space safely. Below are some high level plans on dealing with traffic in the facility. As number of patrons increases as allowed by Provincial standards, controlling spaces will be met with increase staff presence to help meet all criteria is use of spaces.

- a. Entrance into the Facility will be through a controlled door
- b. Screening questions upon entrance will be asked
- c. Patrons will be required to wear mask while moving through the facility
- d. Areas of the building that are not open for public access will be blocked off and doors to these areas will be locked where a door is present.
- e. Patrons will be required to follow floor markings and way finding signage displayed throughout the facility
- f. Wall signage and floor marking will communicate 6ft physical distancing
- g. Staff will be trained to alter job functions to maintain proper distancing
- h. Use of washrooms will be limited to one or two identified locations
- i. Increase in cleaning and hourly sanitization will occur
- j. Exiting facility will be through a controlled door

Ice Users – Protocols

- a) **Ice Users** will be permitted to enter the facility 15 minutes prior to ice use
- b) Limit the number of users to 25 skaters per rink (not including coaches).
- c) All participants will be required to wear a mask inside the building until they enter the ice
- d) Skaters will don skates outside the ice surface (at designated chairs) and enter ice surface and remove mask
- e) Participants will use the area in accordance to the provincial standards regarding physical distancing and approved play
- f) Players benches will not be used
- g) Following their allotted time, players will exit the ice, don their masks and to their designated chairs
- h) Participants will remove skates etc. and exit the building immediately
- k. Chairs will be sanitized after each use
