Message from the President

I would first of all like to acknowledge that it has been my pleasure to serve as your President and be part of Baseball Alberta. The greatness of our organization really comes from each of you that are out there doing your part to contribute to baseball in your community. This means volunteering your time, be it small or large, to help your Association create a safe place for athletes to develop their baseball skills while learning the life and leadership skills to become an important part of society in the future.

The 2018 season brought a huge milestone for us as we had 18,083 members, breaking through 18,000 players for the first time in our history. This represents an increase of 1.15% in registration compared to 2017 and with the addition of new members from Zone 1, we can also now say that we have registration from across the entire province. The record participation numbers came with the challenge of scheduling a record 4,413 games. I am pleased to say that the entire office staff stepped up to the plate and

knocked it out of the park, delivering an exceptional job with the limited experience they had.

With this growth of athletes, umpires have been a focus area for us to service the officiating needs of baseball. We had 923 umpires registered in 2018, up from 797 in 2017, and we provided 27 NUCP Level 1 clinics at locations throughout the province. This meant we had the resources to provide quality umpires throughout the season and for a record 46 tournaments over a three weekend period, during the Provincial Championship weekends.

The training doesn't stop with the umpires. We continue to develop coaches at all levels with 88 coaches registered towards getting their Regional or Provincial NCCP certification, and 1002 participants at 72 NCCP clinics in 16 different communities across the province. We will continue to support and grow our NCCP and NUCP programs as important building blocks of our sport.

We also created and funded a Girls/Women Baseball Technical Coordinator role to drive recruitment, retention, and development of female athletes. We had 2433 female players in 2018 and hope we will continue to grow female participation in baseball year to year.

One of the largest challenges for all of our Member Associations in 2019 and onward continues to be ensuring that we have enough baseball facilities and maintaining these facilities to support growth of the sport. We continued with our Facility Grant Program and, after having 17 applications asking for \$119,000, we managed to invest \$60,000 into 8 Association's facilities in 2018. We will continue with this program for 2019 and hope that we have even more applicants.

I would like to welcome all new members to our baseball family and look forward to a successful 2019.

Message from the President

Whether a player, coach, official, umpire, board member, sponsor or volunteer, you play a valuable and essential role in the development and improvement of baseball all over the province and in Canada.

We appreciate the support of Baseball Alberta in helping us grow this game nationally and becoming the summer sport of choice for thousands of Canadians each year.

Alberta continues to perform on the national level bringing home three medals at Baseball Canada National Championships in 2018 including silver and bronze at the 13U National Western and a bronze at the Women's Invitational. Internationally, no less than five Albertans helped Canada capture the bronze medal at the WBSC Women's Baseball World Cup led by Edmonton's Nicole Luchanski who ends her amazing playing career with another medal.

I know the constant challenges all of us face with limited budgets but everyone from the local administrator right up to the provincial office should share in the success that Canada is able to show at the international level. Your development and contributions are not ignored, as we recognize and appreciate the strides taken and the efforts made at your local and provincial levels.

I congratulate you on all of your service and accomplishments to date, and I encourage you to continue down the impressive road you've paved thus far. I have seen the passion for baseball in the province of Alberta and have no doubt that it will continue throughout a very successful 2019.

Yours in baseball,

Jason Dickson | President, Baseball Canada

NEW RULES FOR 2019

Overage (19 Year Old) 18U

Starting in the 2019 season, 19 year olds will no longer be permitted to participate in Provincial Championships that lead to Post Provincial tournaments in 18U 'AAA' all Tiers and in 18U 'AA' Tier I. They will continue to be permitted to participate in the regular season. The limit of two of these players per roster will remain the same.

Pick-Up Players (Draft)

'AA' 18U Tier I teams who lose their overage players for the Provincial Championships will now be able to replace them in the draft process. 18U AA Tier I teams will be permitted to draft players from lower tier 18U AA teams participating in the Provincial Championships the prior weekend.

11U Intentional Walks

Intentional walks will not be permitted at the 11U age categories.

13U Curveball Rule Enforcement

15. No Breaking Balls shall be permitted at the 11U and 13U divisions – if a coach feels that the opposing team's pitchers are throwing breaking balls the umpire will be notified and if deemed necessary a note will be placed in the game report. The Baseball Alberta office will investigate and follow the same procedure used for pitch count violations.

- A.** A Breaking Ball shall be defined as any pitch where the hand is pronated, supinated, turned or snapped in a fashion where the baseball rotates in a side to side, forward spinning or with unnatural action that is not consistent with the pitchers natural fastball rotation.
- B.** In the umpire's judgement, if a pitcher at the 11U or 13U age category throws a breaking ball, such pitch will be deemed illegal and will be called a "ball". If as a result of the pitch, the batter reaches first base as a result of the play (such as a hit or walk) and all other runners advance at least one base, the play will stand without reference to the illegal pitch. No outs may recorded as a result of such illegal pitch.
- C.** The umpire will warn the Manager that the pitch is illegal and permit the Manager to advise his pitcher accordingly. No visit to the mound will be charged to the team. This warning must be given regardless of whether or not there was a play that occurred after the pitch. If, after the warning, the pitcher delivers another breaking ball, the Manager will be ejected. If the pitcher, or any subsequent pitcher, delivers another breaking ball, such pitcher will be ejected.

Female Player Transfers

Player transfers are not required for female players who want to play on an all-female team at their age category in another Member Association if an all-female team is not available in their Home Association.

Winning Team Score Entry

Winning teams are now required to enter scores on Ramp within 48 hours of game completion.

'AA' Division

The objective of the Provincial 'AA' League is to provide a competitive and developmental level of play for players/teams at the 11U, 13U, 15U and 18U age categories in a Province-wide format. Provincial 'AA' Leagues will operate on a 3-round seeding basis, with teams playing in a Regional format in May, a North/South Divisional format in June and a Provincial Tier format in July.

'A' Division

The objective of the Provincial 'A' Baseball League is to provide a longer developmental season of baseball for community level teams and players, allowing them to continue to play baseball through the month of July with an 'A' Provincial Championship at 11U, 13U, 15U and 18U age categories (based on registration).

Teams will be separated into regional areas (based on number and location of teams) for play in early July with every team qualifying for the Provincial Championships in an appropriate Tier based on results during the first two weekends of play. If there are too few teams registered to host the 'A' division of play, the teams entered will be given the opportunity/choice to compete in the lowest 'AA' Tier for play in July and will have an opportunity to qualify for that Tier's Provincial 'AA' Championship.

TEAM ENTRY

Provincial Team Entry Form for the **'AAA' Division** is due in the Baseball Alberta Office **no later than March 15, 2019** along with the Team Entry Fee. All teams must submit a list of available host dates and blackout dates when the team is unavailable.

Provincial Team Entry Form for the **'AA' Division** is due in the Baseball Alberta Office no later than **April 8, 2019** along with the Team Entry Fee. All teams must submit a list of available host dates (based on the scheduled weekends of play) and blackout dates when the team is unavailable. **Late entry deadline is May 13, 2019** with all the above requirements submitted by that date to the Baseball Alberta Office (for entry into June/2nd round of play).

Provincial Team Entry Form for the **'A' Division** is due in the Baseball Alberta Office **no later than June 10, 2019** along with the Team Entry Fee and official team roster. All teams must submit a list of available host dates (based on the scheduled weekends of play)

All teams must declare on Team Entry Form whether their Association/Team is a Member Association/Team (registers all players/coaches/officials). Only Member Associations/teams may represent Baseball Alberta at Western Canada Baseball Championships and at Baseball Canada National Championships. All eligible teams have open access to the Provincial Baseball League and the Provincial Championships. All players and coaches participating in the Provincial Baseball League must be registered participants with Baseball Alberta in order to be eligible for participation.

It is extremely important that Baseball Alberta gets as many contact numbers and emails from each team as possible. We require two email addresses from each team; ideally we would like to have contact information (email and phone number) of the **Head Coach, Team Manager and Assistant Coach**. In addition, Baseball Alberta requires the email addresses of all players.

Any team who has not paid their required fees will not be entered into the Provincial League Schedule.

Only one team can be entered for the 'AAA' Division in each age category by an individual Member Association. Applications to enter more than one team for the 'AAA' Division at an age category will be reviewed and subject to the approval of Baseball Alberta. Baseball Alberta will consider proposals for additional AAA teams including specific consideration of the following factors:

- Population base / registered player base of the community and Association, respectively, from which the teams are being formed.
- % of transferring players at the age category at a maximum of 20% in the age category.
- Competitiveness of teams at the age category in previous season(s) – winning %, Provincial Championship results, RF/RA, etc.
- Overall impact on baseball more broadly in Alberta.

ROSTER REQUIREMENTS

A. PLAYER ELIGIBILITY

MINOR CATEGORIES:

18U 'A', 'AA' and 'AAA' teams are permitted to have two (2) nineteen year old players eligible on their roster. These players are eligible for full league play including Provincial Championship play. However, 19 year olds are not eligible to participate in either Baseball Canada or Western Canada events.

NEW FOR 2019 - Starting in the 2019 season, 19 year olds will no longer be permitted to participate in Provincial Championships that lead to Post Provincial tournaments in 18U 'AAA' all Tiers and in 18U 'AA' Tier I. They will continue to be permitted to participate in the regular season. The limit of two players per roster will remain the same. Female athletes have the option to play one year overage at each division of play, 11U, 13U and 15U and category 'A', 'AA' or 'AAA'.

Player eligibility is based on the following age divisions (see 'A' division exception below):

11U – May not turn 12 or older in 2019 (recommended 2008 – 2009 birthdates)

13U – May not turn 14 or older in 2019 (recommended 2006 – 2007 birthdates)

15U – May not turn 16 or older in 2019 (recommended 2004 – 2005 birthdates)

16U Girls – May not turn 17 or older in 2019 (may play in 15U boys division and are eligible to compete at Provincial Championships)

18U – May not turn 19 or older in 2019 (recommended 2001 – 2003 birthdates)

18U Girls - May not turn 22 or older in 2019 (recommended 1998 - 2002 birthdates - may play in 18U boys division and are eligible to compete at provincials). For 18U Girls, 'A', 'AA' and 'AAA' teams are eligible to have overage female athletes on a team with approval by the Baseball Alberta Registrar.

MAJOR CATEGORIES:

Junior - May not turn 22 or older in 2019 (recommended 1998 - 2000 birthdates)

Senior - 19 years of age and older

11U, 13U & 15U 'A' Provincial rosters may include up to two (2) players who are one year over age (may not pitch). Players submitted on a Provincial Final Roster ('AAA', 'AA' or 'A') may not sign on any other Baseball Alberta registered Provincial team final roster during the entire season of play (except as an Affiliate/Pick-Up Player or Team Alberta/Team Canada). Players may only appear on one final roster (except for Provincial Championship roster as a pick-up player) and may only be on one roster at a time (if listed on an Initial Roster, that player may not be listed on another roster until removed from that roster). 'AA' players may play both house league and Provincial 'AA' League baseball, but may not sign a Provincial 'A' roster. 'AAA' players are mandated to be committed to their 'AAA' team solely.

All players and coaches listed on Provincial rosters must be registered with Baseball Alberta (by June 1st). 'AAA' and 'AA' players and coaches must be registered at the 'AA/AAA' Player/Coach rate while 'Community/'A' players and coaches must be registered at the Community/'A' Player/Coach rate.

For the Baseball Alberta Provincial League Play and Provincial Championships, a player may register with only one team, one category, and one provincial championship in a particular season under baseball in Alberta except in the following circumstances:

- As a replacement player approved by the Baseball Alberta Registrar
- As an approved player participating in the Baseball Alberta High Performance Program
- As an approved pick up player

RESIDENCE CRITERIA

- Player residency will be defined as the residence of the player's parents or legal guardians. Acceptable proof of a player's residence will be a certified true photocopy of government issued identification (such as a driver's license or passport) of the player's parent(s) or legal guardian. Players who are subject to the joint custody of parents who are not cohabitating may use the address of either parent for the purposes of player registration. For extra clarity, billet addresses will no longer be accepted as residency for Baseball Alberta registration.
- Players will not be required to submit proof of residency at the time of registration with Baseball Alberta. Any player playing in Baseball Alberta's leagues may be required to submit proof of residency directly to Baseball Alberta upon request of the Registrar. The Registrar may make this request of players selected at random from League rosters or in situations where questions have been raised regarding the residence of a player.

ROSTER REQUIREMENTS CONTINUED

- If a registered player in 11U, 13U, 15U, or 18U category has changed his permanent place of residence to another location within the province, he may register with a team at his new place of residence at any time during the season with the consent of the Baseball Alberta Registrar.
- A player who has registered with another baseball organization, or comes from an area where no organized baseball was available, and who changes his permanent place of residence, after Baseball Alberta registration deadlines have passed, may be granted registration with Baseball Alberta teams upon written request to the Registrar.

B. COACH ELIGIBILITY RESPECT IN SPORTS

Respect in Sports is a **mandatory program for all coaches in the Baseball Alberta 'AAA', 'AA' and 'A' Leagues**. The Respect in Sports program is designed to give coaches better tools in performing their duties while protecting players from potential liability issues involving harassment, abuse and bullying.

Baseball Alberta feels coaches will see the immediate value once they have completed the six (1/2 hour) modules. Upon completion of the program coaches can go back to any module and review the information from start to finish. This is a tool to assist coaches in becoming better coaches and communicators while protecting everyone's best interest in today's challenging world. **Registration and payment for Respect in Sports is done entirely online.**

'AAA' & 'AA' Teams – Coaching accreditation will be checked once initial rosters are submitted on **April 12th, 2019**. The Baseball Alberta Registrar will send an email to all coaches not meeting the accreditation requirements advising them of a need to complete the Respect in Sports course. Respect in Sports requirements must be fulfilled before **June 1st** or that coach will NOT be allowed to be on the field and removed from Provincial Roster.

'A' Teams – Coaches accreditation will be checked once initial rosters are submitted on **June 10th, 2019**. The Baseball Alberta Registrar will send a letter to coaches not meeting the certification requirements advising them if the Respect in Sports online course is not completed by the Provincial Championship weekend then that coach will not be allowed on the field and removed from Provincial Roster.

Please note that Respect in Sport coaching module for other sports is equivalent to the requirement for baseball. However, the Respect in Sport parent module, such as the Hockey Alberta program, is NOT equivalent to the coaching module.

NATIONAL COACHING CERTIFICATION PROGRAM (NCCP) REQUIREMENTS

Coaches will be required to take the NCCP courses corresponding to the age group and level of play. Please see the Coaching Requirement chart at www.baseballalberta.com. Baseball Canada has also developed a coaching requirements table on their Coaches Corner (www.baseball.ca) where all coaches can find their specific requirements along with information regarding the Making Ethical Decisions Module (MED), how to check NCCP status and where to register for workshops.

Baseball Alberta accreditation meets the requirements to participate as a head or assistant coach at all levels of Baseball Canada and Western Canadian Baseball Association championships.

'AAA' & 'AA' Teams – Coaching accreditation will be checked once initial rosters are submitted on April 13th, 2019. The Baseball Alberta Registrar will send a letter to all coaches not meeting the accreditation requirements advising them of what NCCP workshops are required. Coaches are required to complete all classroom/on-field workshops before provincials in order to be added onto the Provincial roster. The Registrar will do another follow-up by June 30th. Coaches still needing accreditation will be sent a final warning and be advised of final workshop times Baseball Alberta is offering or where to find a required course online to meet requirements. NCCP requirements must be fulfilled before the Provincial Championship weekend or that coach will NOT be allowed to be on the field and removed from the Provincial Roster.

NOTE: Making Ethical Decisions (MED) Online Evaluation must be completed before June 1st for coaches at specific divisions/categories as outlined in the Coaching Requirements Chart. Coaches requiring this component of certification will need to go to <http://www.coach.ca/> and complete the "Comp-Introduction MED". Please Email MED results to registrar@baseballalberta.com. Coaches requiring and not completing the MED by June 1st will be removed from their roster.

ROSTER REQUIREMENTS CONTINUED

NOTE: 'AA' Tier 1 teams have coach requirements to meet the Western Canadian Baseball Association (WCBA) Championship coaching requirements. Head coaches will be required to have Regional Certified status and assistant coaches must be Regional Trained.

'A' Teams - Coaches accreditation will be checked once initial rosters are submitted on June 10th, 2019. The Baseball Alberta Registrar will send a letter to coaches not meeting the certification requirements advising them if the Initiation Online Module is not completed by the Provincial Championship weekend (July 20th) then that coach will not be allowed on the field.

House League Coaches – Coach accreditation will be administered by the local association. The deadline for completion is June 1st.

All coaches **MUST** be registered in the NCCP baseball system. Simply go to www.nccp.baseball.ca/register.php and register. New coaches will be required to pay \$37.45 to enter the system and receive access to the Coach Initiation in Baseball (Fundamentals) module. Once this module is completed they will have access to register in any scheduled NCCP baseball workshop in Alberta. Coaches who have already taken the Level 1 Technical in the old NCCP system may check the box stating that they have done so and the required fee will be waived.

ALL NON COMPLIANT COACHES WILL BE REMOVED FROM ROSTERS

C. INITIAL & FINAL ROSTERS

11U - 18U categories shall be permitted to register up to 18 players. NorWest League (18U 'AAA') teams may register up to 20 players.

Only players and coaches listed on an Approved Initial Roster (up to May 15th for 'AAA'; up to May 29th for 'AA') or an Approved Final Roster may play in Provincial League games. Any player who has not submitted and/or been granted approval for transfer will not be approved and will be removed from the roster and ineligible for play. No roster additions may be made after the Final Roster submission date (except for a player moving into the area who must apply to the Registrar) so all transfers for new players must be in the Baseball Alberta Office no later than noon on the roster submission date. After the Final Roster submission date, the only roster changes allowed will be based on Replacement Players. Each subsequent roster change/replacement will be subject to a \$25 processing fee. Any player who quits their Provincial team will not be allowed to join any other Provincial Roster (as a Replacement Player or Pick-Up Player) or be allowed to participate as an affiliate player.

'AAA' and 'AA' coaches will be required to review their team roster submission and certify that all player addresses are accurate and comply with Baseball Alberta residency requirements.

Only rosters that are typed on the Baseball Alberta roster form in Microsoft Excel format and emailed into the Baseball Alberta office will be accepted. We will NOT be accepting handwritten, faxed, mailed, scanned or hand delivered rosters.

'AA' Rosters

Changes to Initial Roster must be submitted by e-mail on the Approved Initial Roster Form provided to Baseball Alberta by Noon on Friday, May 3rd, 2019. The Approved Final Roster will be returned to the team by Noon on Friday, June 14th. All Coaches' NCCP numbers must be provided by the Final Roster deadline.

ROSTER REQUIREMENTS CONTINUED

'A' Rosters

Final rosters must be submitted by e-mail on the form provided to Baseball Alberta by 4pm on Monday, June 10th, 2019. The Approved Final Roster will be returned to the team by Friday, June 28th, 2019. Each team must submit NCCP numbers or proof of certification for at least one coach to the Baseball Alberta Office with the team Entry. Any team who provides neither proof of the required certification or fine will not be entered into the Community Provincial League schedule.

D. PLAYER TRANSFERS - 'AA' & 'AAA'

A player who lives outside the boundaries/city limits of the team he/she is wishing to play for must first register with the closest Baseball Alberta Association within their zone (Home Association) and pay the Baseball Alberta Player Registration fee (Competitive fee for 'AAA'/'AA' or Community fee for 'A') through the Home Association. The Home Association may charge that player up to \$25 for administrative costs.

The player may then apply to transfer through the Transfer Request Application. The transfer request must be signed by both the President of the outgoing Association and the President of the receiving Association to indicate their approval or denial of such transfer.

The transfer form, required letter and \$25 fee must be delivered to Baseball Alberta (no faxed/e-mailed copies or forms without payment will be accepted) no later than Noon on the Initial/Final Roster submission date. Only players who have been approved transfer will be allowed onto an approved team roster. Any transfer request that occurs after May 31st will result in the transfer fee increasing to \$100.

Player transfer requests are handled as follows:

- If the incoming President denies (or refuses to sign) the Transfer Request, the player has no appeal and will not be granted transfer.
- Any transfer that is signed by both the outgoing and receiving President and delivered with required letter and \$25 processing fee will be deemed approved Baseball Alberta.
- If the outgoing President denies (or refuses to sign) the Transfer Request, the player may still submit the transfer request with the required letter and \$25 processing fee. This will be considered an appeal and will be decided by the Registrar. If a player wishes to appeal past the Baseball Alberta Registrar, the Executive of Baseball Alberta will have final ruling on the matter.

There will be an additional charge of \$100.00 to any player wishing to appeal beyond the transfer decision made by the Baseball Alberta Registrar. Appeals will be brought forward to the Executive Committee upon receipt of payment.

If the player is transferring to a higher division of play (i.e. from 'A' to 'AA'), the appeal will be approved in order to give the player a higher level opportunity for development.

Baseball Alberta will not support lateral transfers ('AA' to 'AA') without support of the outgoing Association President unless transferring from a part-time program to a full-time program or unless a 'AA' team has not been formed/guaranteed at that point or unless the player is transferring from an Association that has permitted players to transfer in or unless extreme circumstances can be proven.

Regarding lateral transfers, Baseball Alberta will support lateral transfer requests where the outgoing Association has permitted players to transfer in, based on an assessment of their total number of registered players at the age category to ensure that they can maintain their program. The intent of this rule is to support the development of both strong 'AA' and 'AAA' programs in areas when player transfers to 'AAA' programs are occurring.

NEW FOR 2019: Player Transfers are not required for female players who want to play on an all-female team at their age category in another Member Association if an all-female team is not available in their Home Association.

Association Transfers:

- Two or more Associations can apply to Baseball Alberta to form a team from their respective associations, subject to approval of Baseball Alberta. These associations must be able to demonstrate, through the application process, that there is a necessity to work together to form a team at an age category.
- These associations must fill out the Association Transfer Application and have signatures from all Presidents involved (the transfer fee of \$25.00 does not apply)
- Deadlines for Association Transfer Application will be the same as the above deadlines for individual player transfers.

ROSTER REQUIREMENTS CONTINUED

No player, coach, team, club, league, or association shall attempt to induce a player (minor categories) of any other club to leave that club or zone. Any person who attempts to induce a player of any club/zone shall be deemed to have committed an offence and subject to a penalty with such penalty being decided by the Baseball Alberta Board of Directors.

Coaches who are found in violation of player residency or transfer rules will be suspended for the balance of the current season. Players who are found to be in violation of the residency rules will be ineligible for all League, Provincial, and post-Provincial play for the balance of the current season.

Violations of the residency or player transfer rules may result in further sanctions at the discretion of the Executive of the Board of Directors of Baseball Alberta for the Association involved. These sanctions could include ineligibility of Association teams for Provincial and/or post-Provincial play, loss of funding for teams to attend post-Provincial Championships, and/or probation for one or more future seasons of Baseball Alberta League play.

Zone 3 and Zone 6 transfers only – Zone 3 and Zone 6, respectively, represent the two largest cities in Alberta. Player transfers within and out of these zones will be administered in accordance with guidelines established by the Baseball Alberta Board of Directors.

TRANSFER PLAYERS REGISTRATION AND PAYMENT PROCESS

In order to facilitate the processing of Player Transfers Requests across the province and ensure clarity for players and Associations in dealing with these requests, the following outlines the steps of the process:

- All players **MUST** register with their Home Association prior to registering with any other Association. This includes players who have transferred in previous seasons and have now played a season or seasons with their current team.
- Upon registration, players **MUST** pay the full registration fee as requested by their Home Association. For players who have transferred in previous seasons, the Home Association may elect not to collect a registration fee.
- Players **MUST** communicate with their Home Association President or designate their intention to request a player transfer including identifying the Association that they wish to transfer to as part of the initial registration process.
- Players may obtain the necessary Association transfer signatures in any order. However, the Home Association President may require that the transferring Association President portion of the form be completed first in order to prevent “blank cheque” transfers.
- The completed Player Transfer Request Form(s) with the rationale letter must be sent to Baseball Alberta along with the required player transfer fee.
- Upon transfer, the Home Association **MUST** refund the registration fee charged to the player. Non-refundable fees identified at registration such as administration or try out fees are not included in this requirement.
- Upon transfer, players **MUST** contact the Association Registrar, register and pay the full registration fee to the Association that they are transferring to.
- Upon Transfer completion, the Association that the player has transferred to must register the player with Baseball Alberta and submit payment of the Baseball Alberta registration fee.
- Associations' submission of player registration fees must indicate those players that have transferred in and/or out of the Association in order to reconcile the total number of registered players.

PROOF OF ELIGIBILITY

Upon request, teams must submit their Approved Initial/Final Roster to the Official Scorekeeper with their game line-up card at least 15 minutes prior to scheduled game time. Only players who are listed on the Approved Roster will be allowed in the line-up (except for Approved Affiliate players – see Affiliate Player section). If a team cannot produce their approved roster, the game will still be played and a copy of the line-up card must be submitted with the Game Summary Report. If it is confirmed that an ineligible player was used, the opposing team will have the choice of either taking the game result or a forfeit win and the offending head coach will be subject to disciplinary action.

All approved players and coaches must be registered (and paid) with Baseball Alberta by June 1 of the current year. Any player or coach who is unpaid as of June 14 may be suspended from play until payment is made in full.

ROSTER REQUIREMENTS CONTINUED

E. AFFILIATE PLAYERS

Only players playing in Baseball Alberta leagues (House League, 'A', 'AA' and 'AAA') are eligible for teams to use as affiliate players and be eligible to be picked up for Provincials/Westerns/Nationals.

No Affiliate players will be permitted for play at the Provincial Championships.

If a team's roster falls to 10 players or lower for the Provincial Championships, that team may apply to Baseball Alberta to pick-up 1 player from an Association at Baseball Alberta's discretion. Teams must provide doctor's notes or other supporting information for the lack of players in order to activate this process.

The affiliate program is in place to provide coaches with an option to pick-up players from a lower category/division in the event of unforeseen circumstances where their roster would drop below the original size. Coaches have the option to bring their roster size up to its original roster size utilizing affiliates. For example, if a team's original roster size is 16 players and 3 players are injured and unable to play that coach can potentially affiliate 1 – 3 players. This is not in place to add depth to the team's current roster, but as an emergency backup plan. Coaches will still be required to provide information and reasoning for the player who is being replaced. **'AA' and 'AAA' teams may affiliate up to 7 players from a lower category/division of play. No affiliates will be allowed for the 'A' division.**

All affiliate players must be approved by Baseball Alberta prior to them being eligible to play.

Each **'AAA'** team may draw from their **'A'/AA'** base (including lower age categories) or from **'A'/AA'** and/or lower age categories within a 75 km radius. Each **'AA'** team may draw affiliates from their own Association house/**'A'** league or from any Association within 75 km who does not have a **'AA'** team at that age category. In the event that there are teams that do not have any Associations within the 75 km radius then that team may apply to Baseball Alberta for affiliate approval from outside of the 75 km radius. In order to affiliate a player, the coach must contact the player's team coach for contact information and then discuss the option with the player's parent(s) unless the player is 18 years of age.

Each team must submit the Affiliate Player Application (completed and signed by the affiliate's parent unless 18 years of age) along with a \$25 processing fee to Baseball Alberta at least 3 working days prior to first game to be played. Baseball Alberta will forward an updated Affiliate Player Tracking Sheet with the approved player's name on it.

In order to utilize an affiliate, the coach/team manager must contact the affiliate player's team coach to determine availability and to also discuss how the player will be utilized (coaches should come to agreement of innings/pitch counts to be pitched as those innings may affect the affiliate player's team). If the affiliate's team has a league (Provincial League or house league) game, that player will not be available. If that team has a tournament, the player will only be available if approved by both the coach and parent/player. If that team has a practice or exhibition game scheduled, the player will be deemed available. Any coach abusing this process may be disciplined by Baseball Alberta. If deemed available after due process, the coach must then contact the player's parent(s) unless the player is 18 years of age.

The Affiliate Player Tracking Sheet must be provided to the Official Scorekeeper along with the line-up card. The official line-up card must identify the player with "AFF" beside the player's name. The Official Scorekeeper will fill in the date of the game played (regardless of whether that player ever plays an inning and once on the official line-up, that player will be charged with one game played) and return the Tracking Sheet to the team. The Official Scorekeeper will identify Affiliate Players on the Game Summary Sheet and Baseball Alberta will update each team's master Affiliate Tracking Sheet to be kept at Baseball Alberta.

Affiliate players may only sign with one team and may only play up to 5 games throughout the entire schedule. Once a player's five (5) games are complete, that player's eligibility for Affiliation will be denied for the remainder of the season. (The Registrar may only extend affiliate player's maximum number of games in the event that a team loses a player(s) to Team Alberta/Team Canada opportunities and has used up all available affiliate player games).

ROSTER REQUIREMENTS CONTINUED

F. ROSTER REPLACEMENTS

In the event that a team loses a player for the long term, that team may apply to Baseball Alberta for a roster replacement, according to Roster Replacement Rules (below). All Roster Replacement applications will need to be delivered to the Baseball Alberta Office by 4 pm at least 4 business days prior to needing the player for a game and must include a \$25 processing fee and supporting documents (medical note, letter from family indicating they are moving from the area, etc.).

- Teams requesting replacements in 18U and lower categories must obtain the authorization of the Registrar, whenever a team's roster is reduced to fewer than 12 players (15 players for 18U 'AAA') because of injuries, death, or players having moved from the area. Replacement players may be added as required up to a 12 player maximum (15 player maximum for 18U 'AAA').
- The sole objective of allowing a team to replace injured or deceased players, or players having moved (from the area) under this rule, is to ensure that the remaining players on the team are not in the position of having to forfeit a game due to a shortage of players.
- A replacement player must be registered with Baseball Alberta in the current playing year as of June 1st, but cannot be from a higher division of play or be on any other provincial roster. A player on a suspended team shall remain eligible for replacement as per replacement guidelines.
- A player who has been placed on a disabled list must be supported by a medical certificate. Replacement players not dropped shall be considered part of the original roster.
- A player who has moved from the area and can no longer participate with the original team may be required to provide proof of residency.
- Roster replacement players will not be considered for addition to rosters after 4 pm on the Monday prior to the team's Provincial Championships.

- Collect umpire game fees (cheques preferred) as required from all participating teams/issue Baseball Alberta Umpire Fee Payment Receipts to teams
- Ensure the umpires are paid by cheque by the host team (including travel/mileage) prior to leaving the facility for the day/weekend (unless local Association has another procedure for payment communicated to and accepted by the umpiring crew)
- Collect and send all Game Summary Reports via email back to Baseball Alberta by 12pm on the business day following the game(s) played
- **NEW FOR 2019:** Enter all games scores on RAMP within 48 hours of game/hosting completion

THE OFFICIAL SCOREKEEPER

- Collecting game line-ups, team rosters, Affiliate Player Tracking Sheets (when using Affiliate Players) and Weekly Pitching Sheets (11U, 13U, 15U and 18U) from each team at least 15 minutes prior to each game
- Checking the line-up card against the roster and Affiliate Player Tracking Sheet to ensure all players are eligible (Affiliate Players must show "AFF" marked by their name on the line-up card); once complete, return the team roster to each team manager or coach; if a player on the line-up card does not match a player on the roster or Affiliate Player Tracking Sheet, notify that coach of the issue – the coach will have the option to play that player and face the consequences of playing an ineligible player; email a copy of the line-up card with the potential ineligible player noted so Baseball Alberta can verify eligibility
- Updating the Affiliate Team Tracking Sheet and returning to the team manager/coach
- If the team cannot produce the roster or Affiliate Player Tracking Sheet, make the coaches aware that the game will be played under protest and that if the team in question has used an ineligible player, the opposing coach will be given the option of keeping the actual game result or taking a forfeit win; in this case, a copy of the line-up card must be scanned and emailed in with the Game Summary Report
- Keeping score without prejudice or bias – official scorekeepers may not act as a team scorekeeper and must stay objective; the official scorekeeper may not alert either team (or the umpire) if a batter is batting out of order.
- Obtaining pitch count information from each team for games played during the previous week.
- When the use of a pitcher who is ineligible or about to become ineligible is evident, scorekeepers or other officials should notify the team manager or coach of the offending team so that an opportunity for assignment correction may be immediately affected.
- **Alerting the umpire if the pitcher returning to the mound is no longer eligible to pitch**
- Filling out all necessary information on the Game Summary Report in ink and ensuring that both coaches, the home plate umpire and the official scorekeeper sign the Game Summary Report to verify its accuracy; once signed, the game is official
- Updating each team's Weekly Pitching Report in ink (11U, 13U and 15U only); return the sheet back to the team at the end of the game.
- The Official Scorekeeper may provide inning, # of outs, score and player changes to each team as requested.

TEAM REQUIREMENTS CONTINUED

B. PARTICIPATING TEAM

All participating teams (including host) will be responsible for paying **the host site for one umpire game fee per game** played in the Baseball Alberta Provincial League. The non-host teams will pay the host site the required game fees prior to their first game. If games are rained out, the host site will either return the check (if no fees are required) or will issue a reimbursement for the games not played. Payment to umpires must be done prior to each game.

All participating teams (including host) will be responsible for **supplying two Protest Committee members** to sit on the Protest Committee for the games they are playing (the home and visiting teams will each supply 2 members on the Committee).

All participating teams **must provide their Approved Roster (upon request), Affiliate Player Tracking Sheet** (when utilizing Affiliate Players), **Weekly Pitching Report** (11U/13U/15U/18U) and **line-up card to the Official Scorekeeper at least 15 minutes prior to the game** and will be responsible for ensuring they receive those items back, once checked/completed, before leaving the host site.

All 11U, 13U, 15U and 18U teams must (scan and) email their weekly pitching reports into Baseball Alberta by Wednesday of the following week.

No team will need to produce approved Transfer Requests as all players listed on the Approved Initial/Final Roster will be approved by Baseball Alberta (transfers will be deemed approved).

Team rosters, duly authorized by the Registrar must be produced at all Baseball Alberta League Games/Provincial Championship when requested. Any team entering the Baseball Alberta League without having all players, coaches, and managers properly registered will be subjected to disqualification from that game, and subject to fines or suspension.

LEAGUE FORMAT & SCHEDULING

A. RAIN OUTS & SCHEDULING

Teams must give Baseball Alberta at least 2 weeks' notice of tournaments, graduations or any other circumstance where their team is unavailable to play. If inadequate time is given (less than 2 weeks) to Baseball Alberta, then that team may be forced to take a forfeit loss. Failure to complete league scheduled games could result in the suspension of the team for Provincial Championship play at the discretion of Baseball Alberta.

Games should only be cancelled for weather if the field is unplayable or it is unsafe to play due to the conditions. If games must be cancelled due to poor weather, the host team is responsible for notifying the umpire crew (if their phone numbers have been provided) or the Umpire Assignor (listed on www.baseballalberta.com).

Teams are responsible for making up games and must coordinate the date/time/place and forward to Baseball Alberta by 4 pm at least 4 days prior to the anticipated game. If the four days' notice is not possible, the Umpire Assignor will do their best to try to assign umpires. Baseball Alberta will then forward the request directly to the Zone Umpire Assignor who will confirm with the team if umpires are available.

Any games that are not made up by the end of the round will either be struck from the schedule (if there was no possible way to make that game up due to timing/weather) or result in a loss assigned for the team(s) unable or unwilling to replay the game. No team will receive a win for a game that was not played. Any team refusing to travel to play a game may be disciplined further through suspension.

Teams who meet in tournament play may elect to use that game for Provincial League results, but must agree before the game and must provide an Official Scorekeeper to fill out all the necessary game reports and sheets (must follow rules for pitching and use of affiliates/eligible players).

Any team/host site that must cancel a game (other than weather reasons) must provide notice by 4 pm at least 2 days prior to the game or the team who is cancelling the game will be charged full umpire game fees for the game scheduled.

All rainout games and rescheduled games must be completed 5 days before the scheduled Provincial Championship weekend for each competition level.

LEAGUE FORMAT & SCHEDULING CONTINUED

B. TEAM RANKING & TIEBREAKING RULES

The following order will be utilized to rank teams and break ties following each round of league play as well as Provincial Championship play (once a team is removed from a tie, the remaining teams will continue from that point forward through the remainder of the rules to break any remaining ties):

1. Winning Percentage (per Round(s) of Play or Round Robin portion of Championship)
2. Head to Head Game(s) Result (between tied teams)
3. Runs Formula from Games Between Tied Teams (Total Runs For Divided by Offensive Outs Minus Total Runs Against Divided by Defensive Outs)
4. Defensive Runs Formula from Games Between Tied Teams (Total Runs Against Divided by Defensive Outs)
5. Runs Formula from All Games in Round(s)
6. Defensive Runs Formula from All Games in Round(s)

For Competitive Division, teams will be ranked according to Team Ranking and Tiebreaking Rules after each round of play then seeded into appropriate Division for Round 2 and appropriate Tier for Round 3.

On completion of the 3rd Round, if the last place team in any tier (I – IV) has lost all 3rd round games with an average runs differential (total runs scored less total runs scored against, divided by total # of games played) of -8 or worse and a spot is available, that team will drop down one tier for the Provincial Championship.

On completion of the 3rd Round, if the last place team in any tier (I – IV) has lost all or all but one 2nd round games with an average runs differential (total runs scored less total runs scored against, divided by total # of games played) of -7 or worse and a spot is available, that team will be given the option to drop down one tier for the Provincial Championship.

The host site is responsible for coordinating umpire accommodation, where necessary.

Any team/host site that must cancel a game (other than weather reasons) must provide notice by 4 pm at least **2 days** prior to the game or the team who is canceling will be charged full umpire game fees for the game scheduled.

- Mounds are mandatory for league play (regulation heights preferred, but not enforced) at 15U and up as well as 13U 'AAA' (all rounds) and 13U 'AA' Tier I league play; mounds are highly recommended for all levels of play according to Baseball Canada guidelines.

Any player deemed to be ineligible will be removed from the line-up card at the pre-game meeting and the offending coach will be reported to Baseball Alberta by the home plate umpire.

D. GENERAL RULES FOR ALL DIVISIONS

- Failure to follow Baseball Alberta rules may result in a fine to be imposed with an amount determined based on the severity of the rules violation.
- Games must be played until one team wins (no ties)
- All games must be played and deemed complete in order to count the result (teams may not play one game for double points or flip a coin to determine winner)

▪ League Play – Regulation/Suspended games as per Official Rules of Baseball

▪ Provincial Championship Play

- 11U: Games will be deemed complete if the home team is leading after 5 1/2 innings or either team is leading after 6 complete innings or game is complete based on the Mercy Rule
- 13U, 15U and 18U: Games will be deemed complete if the home team is leading after 6 1/2 innings or either team is leading after 7 complete innings or game is complete based on the Mercy Rule
- Games not complete (due to weather/darkness) must be suspended from the point of stoppage and then re-started from that point at the next possible time
- Forfeits will result in the following scores:
 - 11U: 6 – 0 score with winning team being awarded win, 15 offensive outs and 18 defensive outs
 - 13U, 15U and 18U: 7 – 0 score with winning team being awarded win, 18 offensive outs and 21 defensive outs
 - At the 'AA' Level, additional tiers beyond Tier IV may be utilized for Provincials if Baseball Alberta deems it necessary.
 - Any game (except 18U 'AAA'/'AA') where less than 9 players are at the diamond within 15 minutes past the designated start of the game will result in 7-0 forfeit (unless determined to be a scheduling error or team has communicated an acceptable situation to the host/home team); if 7 or 8 players are present, the game will still be played as an exhibition (pitch counts will still count in daily/weekly total); the opposing coach will have the option to loan that team a player(s) to play the game but that player(s) may not pitch.

RULES OF PLAY CONTINUED

- A courtesy runner may be used for catchers when they are on base with 2 outs in an inning for all regular season league games except at 18U AAA. The courtesy runner must be a player who is not already in the lineup, except during Unlimited Substitution where the player may be the “last out” of the offensive team. The courtesy runner rule is not permitted for use during any Provincial Championship.

EXTRA INNING GAME PROCEDURE - 13U TO 18U CATEGORIES

If the game is tied at the completion of regulation (7 innings), the following procedures will be implemented during extra innings: Each team will begin the extra inning (and any subsequent necessary extra innings) with a base runner on first and second, no outs. (See example below to confirm who is on first and second)

The batting order of the extra inning or any subsequent innings will be determined by how the previous inning ended. (see example below to confirm who is at bat)

The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

Example:

If the last regulation inning ends with the #6 hitter having the last plate appearance, then the extra inning begins with the #7 hitter at bat, and the #5 hitter at second base and the #6 hitter at first base.

With the exception of beginning the inning with runners on first and second base with no one out, all other League Rules and Baseball Canada rules will remain in effect during extra innings required to determine a winner.

***This rule will be applied to all Baseball Alberta League Games and the Round Robin portion of the Provincial Championships.**

FORCE PLAY SLIDE RULE

The intent of the force-play-slide rule is to ensure the safety of all players. This is a safety and an interference rule. Whether the defense could have completed the double play has no bearing on the applicability of this rule. This rule pertains to a force-play situation at any base, regardless of the number of outs.

A. On any force play, the runner must slide on the ground before the base and in a direct line between the two bases. **Exception** – A runner need not slide directly into a base as long as the runner slides or runs in a direction away from the fielder to avoid making contact or altering the play of the fielder. Interference shall not be called.

1. “On the ground” means either a head-first slide or a slide with one leg and buttock on the ground before the base.
2. “Directly into a base” means the runner’s entire body (feet, legs, trunk and arms) must stay in a straight line between the bases.

B. Contact with a fielder is legal and interference shall not be called if the runner makes a legal slide directly to the base and in the baseline extended (see diagram).

Approved Ruling – If contact occurs on top of the base as a result of a “pop-up” slide, this contact is legal.

C. Actions by a runner are illegal and interference shall be called if:

1. The runner slides or runs out of the base line in the direction of the fielder and alters the play of a fielder (with or without contact);
2. The runner uses a rolling or cross-body slide and either makes contact with or alters the play of a fielder;
3. The runner’s raised leg makes contact higher than the fielder’s knee when in a standing position;
4. The runner slashes or kicks the fielder with either leg; or
5. The runner illegally slides toward or contacts the fielder even if the fielder makes no attempt to throw to complete a play.

RULES OF PLAY CONTINUED

PENALTY for 1-5

1. With less than two outs, the batter-runner, as well as the interfering runner, shall be declared out and no other runner(s) shall advance.
2. With two outs, the interfering runner shall be declared out and no other runner(s) shall advance.
3. If the runner's slide or collision is flagrant, the runner shall be ejected from the contest.

Approved Ruling – If the bases are loaded with no outs, a double-play attempt is made, and interference is called, all other runners must return to their original bases.

Note: On a force play, with a two-man umpiring system, if the plate umpire does not have a potential play at the plate, he should move toward the base to observe the runner going into second or third base. In this situation, the base umpire must follow the throw and may not see the true effect of the lead runner's action.

EXTRA-HITTER (EH) RULE

League Play:

Applicable in ALL rounds (where unlimited substitution is not applicable) up to **and including the Provincial Championships, except for the 18U AAA Provincial Championships.**

An Extra-Hitter (EH) may be placed on the lineup card (a 10th hitter in the batting order; can be placed anywhere in batting order) as a way to get more athletes at-bats throughout the game. This rule is optional for both teams prior to each game and DOES NOT have to be used by both teams during a game.

- A. This rule may be used in any Baseball Alberta League game that is not already hitting everyone on the lineup card.
- B. Each team has the option to use an extra hitter (EH) and bat ten (10) players. The EH must be marked on the line-up at the start of the game and must be used for the entire game.
- C. The EH may be interchanged with any other position during the game and can be changed multiple times (for example, the SS could become the EH and the EH become the SS).
- D. At the 15U AAA and 18U level a team may elect to use an EH and a DH. These rules are completely separate.
- E. In the event that a player is injured or ejected and no substitute is available, the team may remove the EH from the lineup and proceed for the remainder of the game with a nine player lineup. Any further loss of players would result in a forfeit.

PARTICIPATION RULE

Divisions Affected:

13U AA, 13U AAA, 15U AA and 15U AAA

Participation Rule – This rule will be applied during all rounds leading up to but not including Provincial Championships. All players who are listed on the official lineup card will play a defensive position for 3 of his team's defensive outs and receive 1 plate appearance.

Exceptions:

- A. Starting pitchers will not be subjected to this rule.
- B. In rounds where the Designated Hitter is allowed, a Designated Hitter is not required to play a defensive position during 3 of his team's defensive outs provided he receives 3 plate appearances through the course of the game.
- C. When a team is scheduled to play 2 games in one day, the scheduled starting pitcher for the second game of the day is not subject to this participation rule during the first game. If this is the coach's intention, he should make note of that to the umpire and opposing coach prior to the first game.
- D. When a team is scheduled to play two games in one day, a coach may choose to have two players playing the same position play complete games. A player playing the second game of the day in this situation is not subject to the participation rule. However, these players cannot be substituted for except in case of injury or illness.
- E. Any 13U pitcher who throws more than 64 pitches will not be subjected to this participation rule during a second game on the same day.
- F. Any 15U pitcher who throws more than 74 pitches will not be subjected to this participation rule during the second game on the same day.

RULES OF PLAY CONTINUED

- It is understood that circumstances will sometimes inhibit coaches from being able to adhere to this rule, eg. 10 run mercy rule shortened games, rain shortened games.
- Score sheets will not be submitted to Baseball Alberta to determine coaches' adherence to this participation rule. Baseball Alberta will rely on the professionalism and ethics of its coaches to adhere to this rule. Baseball Alberta encourages opposition coaches as well as outside observers to report cases of non-compliance.
- Any coach or team who is found to have deliberately failed to comply with this rule will be subject to sanctions according to Baseball Alberta's Discipline Policy.

LIMITED RE-ENTRY SUBSTITUTION EXAMPLES

1. Player A starts the game in right field and batting 3rd in the batting order. In the 4th inning, Player B replaces Player A in right field and is now hitting 3rd in the batting order. In the 6th inning, Player A re-enters the game in right field for Player B and returns to the 3rd spot in the batting order. Player B is no longer eligible to return to the game.
2. Player A starts the game at shortstop and batting 3rd in the batting order. In the 2nd inning, Player B replaces Player A in the batting order but is playing right field; Player C is now at shortstop. In the 5th inning, Player A re-enters the game and replaces Player B in the batting order and returns to playing shortstop. Player C moves to right field. Player B is no longer eligible to return to the game.
3. Player A starts the game as the pitcher and is batting 9th in the batting order. In the 4th inning, Player B comes into the game to pitch and replaces Player A in the batting order. RULES OF PLAY CONTINUED

PROVINCIAL LEAGUE PLAY PITCH COUNTS

	11U	13U	15U	18U	REST REQUIRED
LOW	1 - 20	1 - 25	1 - 30	1 - 30	NONE
MEDIUM LOW	21 - 30	26 - 35	31 - 40	31 - 44	1 DAY
MEDIUM	31 - 44	36 - 54	41 - 59	45 - 64	2 DAYS
MEDIUM HIGH	45 - 54	55 - 64	60 - 74	65 - 79	3 DAYS
HIGH	55 - 70	65 - 80	75 - 90	80 - 100	4 DAYS
MAXIMUM	70	80	90	100	

- The official scorekeeper will calculate the total pitches thrown for that calendar day and determine the required rest starting the next calendar day. Athletes must not exceed the maximum pitch count total for that day.
- Once a player assumes the position of pitcher, they cannot catch for the remainder of the game.
- If a player pitches in the first game of the day and is eligible to pitch again in the same day, he may pitch or catch in the second game, but not both.
- Pitchers will be permitted to finish the batter if the maximum pitch limit has been reached.
- Required Rest shall be defined in "Days" starting at 12:01am and ending at 11:59pm of the next calendar day.
- If a game continues past 12:01am, those pitches are counted as if the pitched prior to midnight. If a game is suspended, when it resumes it is defined as a different day.
- A pitcher who is removed from the mound during a game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game at another position.

BASEBALL ALBERTA SPECIFIC RULES

- The scorekeeper will inform the umpire of the pitch count when a count is nearing the end of a pitcher's daily limits. The umpire will then notify the team manager or coach of the pitcher's team so that an opportunity for assignment correction may be immediately affected.
- The Official League Regular Season final weekend will be defined as the weekend prior to the scheduled Provincial Championship at each competition level.
- No Breaking Balls shall be permitted at the 11U and 13U divisions – if a coach feels that the opposing team's pitchers are throwing breaking balls the umpire will be notified and if deemed necessary a note will be placed in the game report. The Baseball Alberta office will investigate and follow the same procedure used for pitch count violations.
 - A Breaking Ball shall be defined as any pitch where the hand is pronated, supinated, turned or snapped in a fashion where the baseball rotates in a side to side, forward spinning or with unnatural action that is not consistent with the pitchers natural fastball rotation.
 - NEW FOR 2019:** In the umpire's judgement, if a pitcher at the 11U or 13U age category throws a breaking ball, such pitch will be deemed illegal and will be called a "ball". If as a result of the pitch, the batter reaches first base as a result of the play (such as hit or walk) and all other runners advance at least one base, the play will stand without reference to the illegal pitch. No outs may be recorded as a result of such illegal pitch.
 - NEW FOR 2019:** The umpire will warn the Manager that the pitch is illegal and permit the Manager to advise his pitcher accordingly. No visit to the mound will be charged to the team. This warning must be given regardless of whether or not there was a play that occurred after the pitch. If, after the warning, the pitcher delivers another breaking ball, the Manager will be ejected. If the pitcher, or any subsequent pitcher, delivers another breaking ball, such pitcher will be ejected.
- Change-Ups and off speed pitches where the baseball rotates in a similar fashion to a fastball will be permitted at all levels and should be observed by the umpire prior to an appearance during warm-up.

Pitcher Warm-Up Rule can be utilized by all divisions (only during limited substitution) – A position player that is scheduled to pitch may exit the game to warm-up and re-enter with the intent of throwing the first pitch of the next defensive inning. The substitute player will not lose eligibility unless the pitcher does not begin the inning following the warm-up period and will then be considered active. The pitcher would then lose playing eligibility in the game. The substitute player must not have previously been in the game.

RULES OF PLAY CONTINUED

PITCH COUNT EXAMPLES

Two appearances in the same day

▪ Example 1:

Game 1: In a 15U game, John throws 29 pitches which is in the LOW category allowing him to pitch again in the same day.

Game 2: John may pitch in Game 2 of on the same day, but may not start a new batter after 61 pitches are thrown in this game taking his total to the maximum allowed 90 pitches for one day. Now, John must rest the required 4 days as defined by the rule.

▪ Example 2:

Game 1: In a 15U game, John records 31 pitches in the first game Saturday morning which is in the MEDIUM LOW category. Therefore, he is required to take one day of rest beginning at midnight Saturday and he is unavailable to pitch Sunday.

Any pitcher exceeding the maximum number of pitches in the LOW category will not be able to pitch in a second game that day and must rest for the number of days required for the category of pitches thrown.

Pitching three days in a row

▪ Example 1:

Day 1: In a 13U game, Bill throws 12 pitches and does not record any more pitches on day 1

Day 2: Bill throws 12 pitches for a total of 24 pitches in two consecutive days which is under the LOW category maximum allowance

Day 3: Bill may now throw a third consecutive day and up to the maximum pitches allow for one day. In the 13U category Bill could throw a maximum of 80 pitches on the third day.

▪ Example 2:

Day 1: In a 13U game, Bill throws 12 pitches and does not record any more pitches on day 1

Day 2: Bill throws 14 pitches for a total of 26 pitches in two consecutive days which is above the LOW category maximum allowance. Bill will now be required to take one (1) day rest as defined in the pitch count chart.

Pitching and catching in the same day

▪ Example 1:

In the first 13U game of the day, John starts the game a shortstop and then enters the game as a pitcher in the 4th inning and throws 24 pitches. He cannot move to the catching position for this game. In the second game of the day, John is eligible to pitch or catch, but not both, because his pitch count from the first game was in the LOW category. Assuming John pitches in the second game, John may not start a new batter after 56 pitches are thrown in this game taking his total to the maximum allowed 80 pitches for one day. Now, John must rest the required 4 days from pitching as defined by the rule.

▪ Example 2:

In the first 13U game of the day, John starts the game a catcher and then enters the game as a pitcher in the 4th inning and throws 34 pitches. He cannot move to the catching position for this game or any game later in the day. John is also ineligible to pitch in the second game of the day and any games the following day because his pitch count was in the MEDIUM-LOW category.

PITCH COUNT VIOLATION POLICIES

Head Coaches or Team Managers will be responsible for adhering to the Pitch Count policy. If an infraction occurs, then the following will occur as a result of non-compliance. The policies will be inclusive of one calendar season.

RULES OF PLAY CONTINUED

- **1st Infraction** – A written warning will be issued to Head Coach or Team Manager
- **2nd Infraction** – A 1 game suspension will be issued to the Head Coach or Team Manager
- **3rd Infraction** – A 3 game suspension will be issued to the Head Coach or Team Manager
- **4th Infraction** – A minimum 5 game suspension and “Prohibited Indefinitely Status” will be issued to the Head Coach or Team Manager

The violation of any pitching rules may result in forfeiture of game in which the violation occurred. When the use of a pitcher who is ineligible or about to become ineligible is evident, scorekeepers or other officials MUST notify the team manager or coach of the offending team so that an opportunity for assignment correction may be immediately affected.

Baseball Alberta will have the option to increase suspension time based on the violation and the coach must be reinstated with written approval from Baseball Alberta. A subsequent fine may also be incurred along with follow up re-certification.

Pitch Count Hearing Policy – At any point in the process a suspended or fined manager or coach may request a hearing involving Baseball Alberta; a \$100.00 cost will be incurred

Appeal Policy – At any point in the process a suspended or fined manager or coach may appeal a decision. A \$200.00 cost will be incurred if the decision is upheld.

PROVINCIAL CHAMPIONSHIP PITCH COUNT VIOLATION PROCEDURE

Scorekeepers and coaches must identify any potential infraction before that infraction occurs. No protest will be heard after the fact. Any infraction that is identified after it occurs will result in the removal of the player from the pitching position and no protest or forfeiture will occur. Posting/Updating of Pitch Count totals (Poster Boards) should be displayed at all diamonds being used during Provincial Championship tournament.

F. PROTESTS

A decision based on an umpire’s judgment shall offer no basis for protest.

The Home and Visiting Team must each assign two Protest Committee members to decide on protests in Provincial League games. In order for a protest to be lodged, the protesting team must notify the umpire of the request to protest the decision/call before the next pitch, play, or attempted play. If the umpire agrees the protest is legal, the protesting team must provide \$100 in cash to the Official Scorekeeper to officially launch the protest. The Protest Committee (4 members) will then be summoned and will hear the protest. The Committee will remove themselves from the area of play to discuss the protest and make a decision (through a majority vote) utilizing the rules of play for Baseball Canada/Baseball Alberta.

If the Committee cannot reach a majority vote on the protest, the Official Scorekeeper will then put all 4 names and their vote on separate pieces of paper and place in a hat, drawing out 3 names. The majority of the votes will then be decided by those 3 names drawn and will be accepted as the Protest Committee decision.

If the protest is upheld (protesting team wins the protest), the protesting team will be given their \$100 cash back and the game will resume from the point of stoppage with the new decision taking effect.

If the protest is not upheld (protesting team loses the protest), the \$100 will be sent into Baseball Alberta with a copy of the protest report and the game will resume from the point of the stoppage.

The Protest Committee must then ensure that the Protest Report is completed and left with the Official Scorekeeper (to be sent in by the Hosting Coordinator with the Game Summary Report to Baseball Alberta).

Protest Committee members should be objective individuals with good knowledge of the game of baseball.

PROTESTS – PROVINCIAL CHAMPIONSHIPS

- The host site shall appoint at least two members to the Protest Committee. The Tournament Director and two members shall deal with all protests and disputes arising in a playoff and their ruling shall be final and binding.
- The Umpire and the Tournament Director in attendance shall be notified, at the time of alleged infraction, that a protest is being lodged.
- A decision based on an umpire’s judgment shall offer no basis for protest.
- In reaching its decision on any legitimate protest, the Protest Committee shall meet immediately with the game umpires and the team managers involved in the dispute, with the game remaining in a state of suspension until a decision is made.
- No protest shall be considered by this committee unless the prescribed fee of \$100 has been paid in cash. This fee shall be returned if the protest is upheld.
- Any member of the Board of Directors involved in a protest shall be disqualified from voting on the protest.

Any team that fails to appear at any Baseball Alberta Provincial tournament game will be removed from the tournament, forfeit all games (even games already completed). Baseball Alberta reserves the right to enforce this decision based on the circumstances surrounding the reasons for missing the game.

Any team that fails to be present at the Opening Ceremonies at any Provincial Championship without approval from the Host Committee and Baseball Alberta may be subject to additional discipline upon review by Baseball Alberta.

Four-team Championships will be a round robin with top 2 teams playing in the final. If the first place team is undefeated after the round robin portion of the Championship, that team must be beaten twice ('AAA' only).

Five-team Championship draws will be a Round Robin format, schedule will be based on distances from host site. Each team is guaranteed 4 games; the top two teams after Round Robin will compete in the Championship game if there are no tiebreakers. If the first place team is undefeated after the round robin portion of the Championship, that team must be beaten twice ('AAA' only).

Six-team Championship draws will utilize two pools based on final rankings with a round robin in each pool and cross-over semi-finals. Winners of the semi-finals will play in the Provincial Championship game. Each team will be guaranteed 3 games in the Provincial Championship weekends (3rd place teams in the six-team Championships will play a consolation game unless both teams are involved in a tiebreaker game). Monday will be utilized in case of poor weather. Teams will flip for the choice of Home or Visitor in the Championship Game. When a team plays a team from the same pool with a lower finish in the Round Robin, the team with the higher finish may choose to be Home or Visitor

Eight-team Championship draws require two diamonds. There will be two pools based on final rankings (Pool A – 1st, 4th, 5th and 8th seeds; Pool B – 2nd, 3rd, 6th and 7th seeds). After Round Robin play within each pool, the semi-finals will consist of the 1st place team out of Pool A will play the 2nd place team out of Pool B while the second place team out of pool A will play 1st place team in Pool B. Winners of the semi-final compete in the Championship game. Teams will flip for the choice of Home or Visitor in the Championship Game. When a team plays a team from the same pool with a lower finish in the Round Robin, the team with the higher finish may choose to be Home or Visitor

Championship tournaments of more than 8 teams will require 2 diamonds and will be seeded and scheduled by Baseball Alberta using National Championship guidelines.

If a host center wishes to change the provincial championship draw for any reason (opening ceremonies, etc), request must be submitted in writing to the Baseball Alberta office before July 15th.

Admission Fees for Provincial Championships – No admission fees are permitted without written permission from Baseball Alberta.

BEST PRACTICE - PROVINCIAL CHAMPIONSHIP UMPIRE PAYMENTS

Host site should collect all Round Robin umpire game fees from each team at the pre-tournament meeting. All teams should pay the exact same amount for umpire game fees for the Round Robin portion of the tournament. Below is an example of the best practice for host sites to collect the correct payment from each team for a 5 team Provincial Championship at the 13U level;

There are a total of 10 round robin games in a 5 team Provincial Championship, 3 of which have game times that start before 6pm on a weekday which must include the \$15/umpire premium.

3 Round Robin games that begin before 6pm on weekday - $\$55/\text{umpire} \times 2 \text{ umpires} \times 3 \text{ games} = \330.00

7 Round Robin games at the regular umpire rate of \$40/umpire - $\$40/\text{umpire} \times 2 \text{ umpires} \times 7 \text{ games} = \560.00

Total Umpire game fees for the Round Robin is \$890.00, divide the total round robin game fees by the 5 participating teams. In this particular tournament each team would pay the host site \$178.00 to cover each team's Round Robin games.

Teams that move onto tiebreaker games, semi-finals and the championship would then need to pay for one umpire game fee for every game they participate in after the Round Robin portion of the schedule is complete.

*All umpire travel and accommodations for Provincial Championships are paid by Baseball Alberta.

PROPOSED HOSTING REGIONS

It is an objective of Baseball Alberta to rotate Championships throughout the Province from year to year in order to balance the numbers of events for umpiring as well as for opportunity for communities to host and promote baseball in all areas of the Province. If no host is available or applies out of that region, then Baseball Alberta will have the right to either recruit another host site in that region or award the host site to another team who applied for the hosting opportunity.

C. PICK-UP PLAYERS (DRAFT)

Pick-Up Players are only permitted in the 13U, 15U and 18U 'AA' Divisions.

The intent of the player draft is to ensure that teams have enough players on their roster to be able to compete in the three day Provincial Championship tournaments.

Guidelines

- Pickups can come from anywhere in the province
- **Pickup players must be previously registered as of June 1st in the current playing year with Baseball Alberta and cannot be from a higher category of play.**
- **Only players playing in Baseball Alberta leagues (House League, 'A', 'AA' and 'AAA') are eligible for teams to use as pick-ups for Provincials/Westerns/Nationals**
- The category or division of play shall be determined by the team with which a player registers.
- For a player who does not register with a team, his individual player registration will determine his age category.
- A player on a suspended team shall remain eligible for pickup.
- **'AA' teams are able to select pickup players only from the 'A' or house league level of play. Teams will no longer be able to select players at the same division from lower Tiers of league play.**
- **NEW FOR 2019:** 'AA' 18U Tier I teams who lose their overage players for the Provincial Championships will now be able to replace them in the draft process. 18U AA Tier teams will be permitted to draft players from lower tier 18U AA teams participating in the Provincial Championships the prior weekend.
- There will only two pickups per team. A team will be allowed the following pick-ups, if as of June 1st a team has registered:
 - 18 players – No pick-ups
 - 17 players – 1 pick-up
 - 16 or less players – 2 pick-ups
- Pickups would only be done on rotational draft basis as per the following:

5 TEAM DRAFT

First	No. 1 Team	Sixth	No. 5 Team
Second	No. 2 Team	Seventh	No. 4 Team
Third	No. 3 Team	Eighth	No. 3 Team
Fourth	No. 4 Team	Ninth	No. 2 Team
Fifth	No. 5 Team	Tenth	No. 1 Team

- All players must be contacted prior to being submitted on the draft form.
- At no time will any team be allowed to choose pickups from any other team still in competition (unless at the discretion of the Registrar).
- **Pick-up draft lists for 'AA' Tier III/IV/V teams are due into the Baseball Alberta on the Tuesday prior to the required Provincial Championship.** The Tier III Draft will occur at Noon on Wednesday with the Tier IV pick-up draft occurring immediately following.
- **Pick-up draft lists for 'AA' Tier I/II teams are due into the Baseball Alberta on the Tuesday prior to the required Provincial Championship.** Pick-up draft for Tier I will occur at Noon on Wednesday with the Tier II pick-up draft occurring immediately following. No pick-ups for 11U Provincial Championships.

All coaches who place a player on their draft list must speak directly to that player's parents (unless 18 years of age) to ensure that player is interested and available. Any player who refuses to be placed on a draft list must be informed that if they refuse to be drafted by any team, they will be deemed unavailable for the draft. Any team whose draft selection refuses to play after the draft has been completed will be given the opportunity to pick up another available player from their original draft list with the approval of the Registrar.

First round draft selections will be made by selecting the top player available on each team's draft list, starting with the top ranked team and proceeding down to the bottom ranked team in that Provincial Championship. The second round of draft selections will again be made by selecting the top player available on each team's draft list, starting with the bottom ranked team and proceeding up to the top ranked team.

RALLY CAP - AGES 4 - 7

A grassroots program designed to create an environment in which children aged 4-7 and adults can have fun together learning the game of baseball. It teaches the skills, rules and strategies of baseball to our kids and coaches. The program puts an emphasis on good sportsmanship while also teaching competitiveness. Grand Slam incentives are stickers depicting famous Canadian baseball players and are awarded for successfully completing categories.

MY FIRST PITCH - AGES 10 & 11

My First Pitch is the official introduction to Baseball Canada's pitching program. The program is designed for baseball players ages 10 and 11 and aims to increase interest in baseball. My First Pitch introduces topics such as grips, pitching mechanics and proper throwing techniques while demonstrating multiple drills to identify and correct major pitching flaws.
