# ABOUT BOMBA

## THE AUDIENCE

Burlington Organized Minor Baseball Association (BOMBA) is the proud home of 28 Rep teams and 82 House League teams, with over 1300 players and numerous dedicated coaches. A committed, all-volunteer Board of Directors ensures continuous improvement across players, coaches, and officials alike.

To keep house league costs affordable, BOMBA relies on both player fees and generous support from sponsors. While fees cover many program expenses, sponsorship contributions are crucial in covering additional costs. This support not only keeps fees lower, making baseball accessible to more families, but also enables more children to experience the many physical, social, and personal development benefits that come from participating in baseball.

## WHY ADVERTISE

- 1. Targeted Exposure:** Gain direct access to a community-focused audience of parents, coaches, and players who value companies supporting their kids' activities.
- 2. Positive Brand Perception:** Unlike traditional ads, youth sports sponsorships foster goodwill.
- 3. Community Impact:** Sponsoring youth sports shows you care about the local community, helping to build a lasting, loyal customer base.
- 4. Cost-Effective Marketing:** Compared to other forms of advertising, youth sports sponsorship is an affordable way to enhance brand visibility and establish a positive reputation.

# HOUSE LEAGUE SPONSORSHIP OPTIONS
