

BOMBA/The Yard - COVID-19 Vaccination Policy

In accordance with the Halton Region Health Department Medical Officer of Health's letter of instruction to the City of Burlington, BOMBA's COVID-19 vaccination policy is the following:

Effective **Nov. 26, 2021**:

1. All eligible persons 12 years and older will be required to be fully vaccinated or supply a valid medical exemption**, who attend an indoor area of the indoor sport or recreation facility for the purpose of actively participating in organized sports and recreation fitness activities.
2. All children shall be afforded a "grace period" of 12 weeks from their 12th birthday during which they must provide identification in accordance with these instructions but do not have to provide proof of being fully vaccinated.
3. All coaches, trainers, instructors, volunteers and officials will be required to be fully vaccinated or supply a valid medical exemption, who attend an indoor area of the indoor sport or recreation facility for the purpose of actively participating in organized sports and recreation fitness activities.

**Rapid tests are not permitted as a substitution for a valid medical exemption

Proof of vaccination or valid medical exemption must be provided to administrator@baseballburlington.com

Instructions for individuals to obtain proof of vaccination are available at ontario.ca/get-proof.

These instructions are being introduced to minimize the spread of COVID-19 and outbreaks, further protecting the health of all participants, coaches, officials, volunteers, spectators and others including those with weaker immune systems or who cannot be vaccinated because of their age or for medical reasons.

BOMBA will continue to monitor for changes to the Halton Region Health Department's policies and update the policy, as required.
