President's Address

Welcome to the 2022 baseball season. It looks like we are going to have as normal a season as we can possibly have, given all that we have endured with the Pandemic over the last two years. A huge thank you to all players, coaches, umpires, family members and volunteers who helped us get through 2020 and 2021.

We have 86 House League, Challenger and Select teams participating in BOMBA this Summer and we are ready for baseball!

Let's all work together to make this the most memorable season, in a positive way. Wishing all of you a healthy, competitive, and most of all, a FUN 2022 season!

Let's Play Ball!

Gift of Giving Back – Batting Out Hunger

Did you know that Burlington has MANY families that rely on the Salvation Army food bank each week? They provide a wonderful service for those less fortunate than we are. The summer months see their shelves run quite empty and they have a huge need for donations, this is where BOMBA is going to help!

The Salvation Army and Food Bank will have a truck on Picture Day collecting Food Donations throughout the day. – **JUNE 4th and 5th at Nelson High School**

In 2019, BOMBA families, coaches, players and volunteers raised 35,000 lbs for our community!

Please give what you can. BIG or SMALL donations are all welcomed.

Umpires

- **Respect all umpires** – many of our umpires are players themselves, who are learning too, and are doing their job the best they can so that games can be played safely and fairly.
- We will do our best to ensure umpires are assigned to all HL games – if umpires are not available, you can still play an exhibition game.
- We always welcome more umpires – please have anyone interested contact Josh Hunter at umpireinchief@baseballburlington.com.
