

18U AAA
WESTERN CANADA
BASEBALL
CHAMPIONSHIP
2023

The Western Canada Baseball Association welcomes all participants to another championship event. We, along with the organizing committee and Baseball Canada play an important role to develop and promote the sport of baseball in a sportsmanlike, safe and ethical manner, by hosting these events. These regional championships help achieve these personal goals and help strengthen relationships among our members.

As you know during these economic times, the distractions of other interests and sports add to the obstacles we have to overcome. So remember as we pursue for excellence in ability and interests our day together here will be filled with great baseball, good sportsmanship and warm comradery.

I know the organizing committee and their team of volunteers have worked tirelessly to ensure this year's championship the best ever. Congratulation to the organizers, volunteers and loyal supporters, you are helping to develop our young people, hone their skills, abilities and most importantly their lifestyles.

To everyone, may you leave here with good memories.

Good luck, good sportsmanship and good baseball.

Terry Butler
