Notes: **For Game 23** - Coin-flip for home for final only if teams are from different Pools. If teams are from the same Pool, the higher ranked team after Pool play will be home team.

If in pool play a three (3) way tie for 1st place occurs, then the tie-breaking formula will determine which team is credited with 1st place in the pool. The other two teams will have a play-off game to determine 2<sup>nd</sup> place in the pool. If no tie-break game is needed, the Semi-Final and Final game may be played earlier than scheduled.
