## **Introduction**

This section is designed to provide an insight into the conducting of a Manitoba Baseball Association Provincial Championship and general knowledge of the responsibilities and duties of the Host Committee in the planning and running of the tournament. While this manual is to be considered a guideline, there are some necessary components to hosting that must be followed. That said, each provincial championship is unique in that each community can stamp local flavor into the tournament. Throughout the year, the Host Chairperson will receive notices from the Baseball Manitoba office staff regarding information and processes to help make this event a success.

*This document will outline the guidelines and responsibilities of both the host site and for the Provincial Sport Governing Body for baseball in the Province of Manitoba, Baseball Manitoba, as it relates to hosting provincial championships.*

## **Host Organization Responsibilities**

1. Assumes financial responsibility for the event.
2. Must ensure there will be no other major event being staged in the facility immediately prior (day of or day before) to the dates of the Provincial Championship tournament.
3. Is encouraged to extend the excitement of hosting this provincial event as broadly as possible throughout the host community and surrounding areas. The host community should try to make the event as festival like as possible.
4. The event must be priced in such a way to ensure the individual games are family affordable. This will allow spectators of all ages the opportunity to experience an event of this magnitude. At the same time, the ticket pricing must be structured to enable the Host Organizing Committee to achieve revenue projections.
5. Will be made up of representatives from the local Minor Baseball Association, host team and local community. Appendix A has some timelines for hosting, while Appendix B has some suggested positions for the Host Organizing Committee.

**NOTE 1:** All teams participating in the Baseball Manitoba Championships are responsible for their own accommodations and meals.

**NOTE 2:** Any scheduled host site that fails to provide written notice before May 1st that it will not host a scheduled championship, shall be fined \$500.

## **1.0 Grounds**

- 1.1 Host sites are responsible for ensuring that there are sufficient diamonds available to complete the tournament. Also, back-up facilities must be arranged in case of interruption due to rain or other unforeseen circumstances. Full chalk markings **must** be maintained for each game. The host center agrees to assume all responsibilities in providing adequate (standard) playing facility relevant to the category being hosted.
- 1.2 A site inspection may be required, should the Baseball Manitoba Convener feel that one is necessary.
- 1.3 Beer gardens shall be permitted at the Senior Championships **ONLY**. Team members shall not consume liquor while in uniform at the championship site.
- 1.4 Tarped or covered dugouts will be provided for all teams.
- 1.5 Adequate first-aid facilities for both participants and spectators will be provided.
- 1.6 The use of portable mounds is permitted at 11U, 13U and 15U Provincial Championships. The mounds must be at the expense of the host site and must be commercially purchased and approved by Baseball Manitoba. Homemade mounds will not be approved.

## **2.0 Publicity/Media Services**

The Host Organizing Committee will be responsible for servicing all local media during the event.

- 2.1 Host Organizing Committee will be responsible for establishing a media contact person within their committee structure and ensure the media personnel are assisted and serviced throughout the event (tournament).
- 2.2 The Host Organizing Committee will ensure that all scores are posted on the Baseball Manitoba website as soon as possible after each game ([www.baseballmanitoba.ca](http://www.baseballmanitoba.ca)). This is a crucial component of the Provincials as it enables fans to access results throughout the tournament. More information, including web access, and instructions will be provided by Baseball Manitoba in advance of the tournament.
- 2.3 It is extremely important that you try to gain as much media coverage as possible for your tournament. Media outlets will assist you quite readily if your information is timely and regular. You must provide all scores as soon as they are final. Do not wait until the end of the day. Consult with media people ahead of time to see what their needs are. Please make use of local media as well. Email is the quickest and most efficient method.
- 2.4 Media outlets should be contacted following each and every game. An updated Media List will be provided to each host prior to the championship.
- 2.5 The week following your tournament, Baseball Manitoba sends a Media Release to all media. This release includes all tournament results. Host sites **must** email in ([baseball.info@sportmanitoba.ca](mailto:baseball.info@sportmanitoba.ca)) all results on Monday morning. Include scores of all games in your report.
- 2.6 The host shall publish a championship program, which must include the Baseball Manitoba logo and the Sport Manitoba logo somewhere on the front cover and shall contain a message from the Baseball Manitoba President, provided by the Baseball Manitoba office. Baseball Manitoba will provide both logos to the host upon request.

### 3.0 Protest/Rules and procedures

- 3.1 A Committee of at least five people, which must include the Baseball Manitoba Convener, three of whom must be available at any given time, must be in place to rule on an immediate protest situation. This committee will work with and under the direction of the Baseball Manitoba Convener. At least one member of this committee shall be in attendance at each game played.
- 3.2 Protests must be made and dealt with on the spot, and before the game may proceed any further. No protest will be considered if not made immediately. All decisions by the Committee are final.
- 3.3 Coaches of competing teams or any of the umpires officiating in the tournament cannot serve as members of the protest committee. The use of participating coaches may result in conflict of interest to the games being played, while the use of game officials on the committee can unnecessarily delay the games.

#### PROTEST PROCEDURES

Protests must be made and dealt with on the spot, prior to the next pitch being thrown and before the game can proceed any further. No protest will be considered if not made immediately. **For any protest at a provincial championship, a \$100 cash bond must be posted at the time of the protest. This bond will be returned if the protest is successful.** All decisions by the Protest Committees are final. Protests will not be considered for judgment calls, only for perceived mistakes in the application of the rules. The following process will be used:

1. When a protestable incident occurs, the protesting Head Coach must, before the next play, inform the game Crew Chief that he is lodging a protest.
2. If the Crew Chief agrees that the Head Coach had a legitimate case, he shall suspend play and inform the manager of the opposing team and the Protest Committee. Note: No protest may be made on a judgment call.
3. The protest committee, the Head Coach making the protest, and the game Crew Chief shall retire to a private area away from the teams, spectators and other persons.
4. The protest committee shall hear and question in the following order:
  - the game Crew Chief
  - the protesting Head Coach, and
  - the opposing Head Coach (if necessary)

The Protest Committee shall have the power to exclude any of those persons while talking to any of the others.

5. The Head Coach's and Game Crew Chief shall then leave while the Protest Committee discusses the protest.
6. Before ruling on the protest, the Protest Committee may confer with any person whom they believe may be helpful in assisting them reach a decision.
7. The Protest Committee shall rule on the protest and inform the Crew Chief and he in turn will advise the Team Head Coaches and resume play.
8. The game Crew Chief shall put the decision into effect and order resumption of play from the point of suspension.
9. No further argument or comment on the protest shall be entertained.
10. The decision of the Protest Committee shall be final. There shall be no appeal to any other body.

# TOURNAMENT RULES

## ***Tie-Breaking Rule (Round-Robin Events Only)***

Two Teams Tied - Round-robin winner in game between tied teams shall advance.

Three Teams Tied for First- When three teams are tied for first place in a round-robin draw the team with the best win-loss record in the game(s) played between or among the tied teams will place higher in the standings. Following this, if the three teams are still tied for first place, one team will be awarded first place based on the three teams tied formula (as shown below). The remaining two teams will play a tie-breaking game. The winner of the game will advance along with the first-place team to the playoffs. This tie-breaking game will only be played when the tied teams have zero or one loss. If all tied teams have two losses, the formula for tied teams will determine the teams that advance.

Three Teams Tied for second- When three teams tie for second, the team with the best win-loss record in the games between or among the tied teams will place higher in the standings. Following this, if the three teams are still tied for second place, the three teams formula will be used to determine standings. There will not be any play-off games.

### ***Three teams tied formula (use these in the order they are listed)***

- 1) Runs Against  
Defensive Outs (= Lowest Ratio Advances) (Games between tied teams only)

*Example for 13U*

Team A - 11      Team B - 1      21 defensive outs charged to Team A for a Mercy Rule win. 15 defensive outs charged to Team B

Team C - 9 Team A - 8      in 21 defensive outs

Team B - 15      Team C - 13      in 21 defensive outs

	<u>Team A</u>	<u>Team B</u>	<u>Team C</u>
Runs against	10	24	23
Number of defensive outs	42	36	42
Ratio	.238	.667	.548

*In this example, Team A is declared first*

For tie-breaking procedures if a game is forfeited, the final score will be recorded as 1 run per scheduled inning (6 for 11U, 7 for 13U, 15U and 18U), or the actual score for the team awarded the win, whichever **run differential** is greater. This is the score that will be used if necessary in the formula.

- 2) Runs For  
Offensive Outs (= Highest Ratio Advances) (Games between tied teams only)
- 3) Runs Against  
Defensive Outs (= Lowest Ratio Advances) (All games included)
- 4) Runs For  
Offensive Outs (= Highest Ratio Advances) (All games included)
- 5) Three-way coin flip.

NOTE: When a multiple tie occurs and is only partially resolved, the remaining ties will be resolved by continuing on with the remaining tie breaking priorities until all 5

priorities have been exhausted. In continuing, the statistics of all the originally tied teams are still used until all priorities have been applied. Then and only then will the remaining tied teams return to priority number 1 and proceed through the order again.

In the event of a 6-team pool modified event, where all teams do not play each other, and a 3-way tie occurs, the tie-breaking rules will be followed as above (best record amongst tied teams), even if the number of games played by all teams is not equal. For example, a 1-0 record will trump a 1-1, or 0-1 record.

**TEAMS WITH 2-2 RECORD**

Teams with 2-2 records after pool play would not play in tie-breaking games. Formula would determine who advances.

**FINAL GAMES**

For provincial championship final games, there will be a coin toss for home team only if the teams are from different pools. If both teams are from the same pool, the team with the higher pool standing will be home team.

## **The Host Committee**

### **Organization**

As in planning for any event of the size and scope of a Provincial Championship, the first step is the formulation of a key group of volunteers. This group of volunteers will perform the "lion's share" of all tasks which must be accomplished in order for an event like this to be a success. Within this group there is always a key person, the one person to whom Baseball Manitoba can refer all matters not specifically covered under the duties and responsibilities of the many others involved. This is the Host Chairperson. This person oversees the local non-profit group organizing the hosting of the Provincial Championship and should be familiar with tournament operations. Directly under the Host Chairperson we have Division Directors, each of whom is responsible to the Local Chairperson for a major division of organization. The Local Chairperson, the Division Directors and the officers of the host group make up the Host Tournament Committee.

### **Tournament Chairperson**

This individual supervises and is responsible for all phases of local tournament operation; serves as a general chairperson over all Division Directors; presides at all meetings of the Tournament Committee; attends meetings of divisions and/or committees within divisions to advise, direct and make assignments where she/he deems necessary. This individual is responsible for making sure that the Tournament Committee meets their responsibilities. This person should not serve as a Division Director so that she/he may be more flexible to oversee the entire operation.

# **HELPFUL HINTS FOR TOURNAMENT HOSTS**

The following is a list of items that may help your tournament run more smoothly. Use those that work best for your particular situation. Most of these are not mandatory, but recommended to provide you, the athletes and the fans with the best possible experience.

## **Dress up your fields**

- Provide signage for participants and fans (see below)
- Paint logo(s) on the field to provide profile and exposure to the community

## **Field safety considerations (liability)**

- Any exposed points on fencing and backstop repaired
- Any holes in backstop repaired
- Holes/low spots in fields patched/filled
- Ensure all bases are in good shape and safe. Permanent anchor bases work best. If using regular bases, use at least two spikes to ensure minimum movement. (Note: double check the proper dimensions for the bases. All bases are measured from the back point of home plate. The measurement to first and third goes to the back of the bag, while the measurement to second goes to the middle of the base. The pitching rubber is measured from the back of home plate to the front of the rubber.

## **Tarp the dugouts**

If you do not have enclosed dugouts, put tarps over the top of the fenced dugout, held down by bungee cords. This provides protection for the players from sun, rain, wind and also can provide some privacy for the team. Temporary wood supports may also hold the tarp. In addition, tents or sheltered areas should be set up for the fans.

## **Water**

Provide minimally at least one jug per bench, depending upon weather. Use individual cups rather than one cup. Water is very important during hot weather.

## **Grounds maintenance**

- Set up a field maintenance committee to oversee the preparation of the fields.
- Paint home plates and pitch plates white to for visibility, ensure they are attached solidly in the ground.
- Have extra sets of bases available at each field.
- Scarify and drag the infield to soften it. Fields that are too hard result in "rockets" and possible injury.
- Have tampers and material to fill low spots on mound and at plate.
- Have some rakes/brooms for smoothing field.
- Have on hand some *Diamond Dry* (a commercial product) or cat litter, some sand and spare infield material to help with wet field conditions. **Note:** sand only displaces the water, it doesn't dry it up. *Diamond Dry* and cat litter absorb moisture.
- If the weather gets dry, irrigation of the field is important. Few diamonds have underground irrigation, but all can have access to water trucks, water cannons, hoses or the like.
- Have some large sponges, buckets and/or a pump to help remove sitting water.
- Make sure the fields are chalked, especially the foul lines. Foul poles are a nice touch if possible.

## **Signage**

The following are some suggested signs to help warn/inform players and fans:

- "Please be alert at all times. Keep your eyes on the playing field. Flying balls, bats or other objects of the game will leave the playing field"
- "No batting practice (or soft toss) against the fence"
- "No pepper or playing catch between the dugouts"

- “Not responsible for personal injury, lost or damaged property”

Provide a list of prohibited items:

- (Alcohol, pets, profanity, glass bottles etc., whatever applies) e.g. “No alcohol, or pets permitted on premises.”

Set up signs on the highway and signs in town telling people about the event, its location and times.

### **Scoreboard and/or announcer**

Providing a scoreboard keeps the fans informed. Baseball Manitoba has portable scoreboards and pitch count clocks, which can be shipped to your event. An announcer can add a little flair to the proceedings and help promote any fundraising activities or other events.

### **Garbage cans in or near dugouts**

Keeps the dugouts and playing field clean. Be sure they are emptied routinely to avoid spillage and insects.

### **Visible field numbers if more than one field being used (also direction signs to fields)**

Mark each field with a number or name to help clearly identify them to the fans

### **First Aid**

- Set up a first aid committee or arrange to have medical personnel in attendance
- Develop and institute an accident reporting system
- Post emergency phone numbers, procedures and hospital locations in permanent places
- Set up a first aid stand for the fans

### **Equipment**

If the teams are going to have a hitting area for pre-game batting practice, some equipment should be supplied to the fields to ensure safety for the players:

- Catch nets
- screen to protect the pitcher

Set specific practice times for each team if practices are allowed.

### **Protest Committee**

**DO NOT** have any of the coaches of competing teams or any of the umpires officiating in the tournament as members of the protest committee. Participating coaches can result in conflict of interest while use game officials can unnecessarily delay the games.

### **Schedules/Draws**

- Post the draw schedule in prominent viewing areas
- Update the draw scores after every game

### **Pitching charts (if applicable)**

- Post the **Pitch Count** chart in prominent viewing areas
- List the innings pitched immediately after the game to avoid future problems
- Have coaches sign the score sheet after each game to verify the innings pitched. Once signed, no adjustments can be made.

### **Scorekeepers**

- Assign scorekeepers to each game. Scorekeeping ability is not as important as keeping track of outs, inning, score and innings pitched and player eligibility.
- Assign Pitch Count trackers to monitor the number of pitches thrown.
- Have coaches sign the score sheet after each game to verify the innings pitched and the score. Once signed, no adjustments can be made.
