INTENT

The Baseball Manitoba Playing Rules and Regulations is a supplement to the Constitution and By-Laws. It is intended to be an administrative document with limited flexibility for the adoption of policies which, under the circumstances of each occasion, will contribute to the success of each baseball program year.

NOTE: These rules apply only to minor baseball, unless Senior and Junior Baseball is specifically mentioned

Baseball Canada's official rules apply unless an exception is specifically mentioned in this rulebook.

APPLICATION TO LEAGUES & ASSOCIATIONS

Baseball Manitoba Playing Rules and Regulations shall apply separately to leagues and associations of Baseball Manitoba. These shall include:

- Minor Leagues - Zone 1 & Zone 2
- Manitoba 22U (Junior) Baseball League
- Manitoba Senior Leagues

REVISIONS TO PLAYING RULES & REGULATIONS

Revision to Playing Rules and Regulations may originate with any member of M.B.A. and be forwarded to the Management Committee for a decision. Approval of the revision in its original or amended form shall require approval of the Management Committee.

Any additions or revisions approved by the Management Committee during the playing season shall be effective for the balance of that season. At the Annual Meeting or Semi-Annual Meeting of M.B.A. such additions or revisions approved by the Management Committee shall appear on the Agenda as a Resolution for ratification at such Annual Meeting or Semi-Annual Meeting. (Refer to Clause 15.3 of the Constitution)

In the event that a Resolution is defeated at the Annual Meeting or Semi-Annual Meeting, the subject shall not be introduced, either with duplicate or similar intent, during the regular playing season immediately following such Annual Meeting or Semi-Annual Meeting.

GUIDELINES FOR REGISTRATION

- 1) Players and coaches are to register with their local club or community.
- 2) Baseball Manitoba's RAMP Interactive Registration system will be used to accept registrations. Registrars will use the system to create their teams (make rosters). Coaches (or Team Managers) will be directed to verify their roster information in the system. Please make sure the team verifies each roster, not the central registrar. The roster must be verified in the system before the due date. LEAGUES WILL NOT BE ABLE TO MAKE CHANGES TO ROSTERS AFTER THE DUE DATE. THE BASEBALL MANITOBA OFFICE MUST BE CONTACTED TO REQUEST ANY CHANGES.
- 3) Baseball Manitoba will provide each league with a form to complete, which outlines the number of players registered with your league by age division and the number of teams affiliated with your league. (League Affiliation Form)
- 4) Leagues forward the League Affiliation Form and fees to Baseball Manitoba by the fee deadline. These forms will be used as a summary to track player fees and to plan Provincial and Regional Championships.
- 5) Leagues must submit a \$200.00 performance bond.
- 6) Rosters for minor (7U to 18U) club ("A", Tier 1, 2 and 3) teams are due on May 15. Tier 1 teams may be extended to June 1. Rosters for all "AA", "AAA", SR and 22U teams are due on June 15.
- 7) Player fees for minor (7U to 18U) club (AA, A) teams are due on June 1. Player fees for All AAA teams in 13U, 15U, 18U, 22U and Senior are due June 15.

NOTICE: Late Fees will be tracked and administered.

- 8) Late additions to Rosters will be accepted up to **fourteen** days after the closing date. **However, any team submitting late rosters shall be fined \$200.00 for the first week or \$500.00 in the second week.** The Association must receive this fine before a team is considered registered. This applies to individual entries as well. No team will be eligible to compete in Provincial Play if their roster has not been submitted to the Registrar by the later registration deadline. Fines will be assessed to the leagues responsible, rather than to specific teams.

9) Leagues have 30 days to pay from the date of any invoice. After that a \$200 per month fine will be applied. Under special circumstances the Management Committee may waive the penalties.

10) Teams must have a minimum of 2 trained/certified coaches per roster, a Head Coach and an Assistant Coach. Any roster submitted without adhering to this stipulation is subject to a \$75 fine (per roster) to the association.

11) All teams must have team rosters completed in order to be eligible for playoffs.

12) No teams will be accepted for individual entry from leagues that choose not to register with Baseball Manitoba.

13) No teams will be permitted to compete in Provincial or Regional Competition from leagues that have not paid their league fees.

14) Invoices will be sent for Provincial fees after the Provincial Championships have been conducted

15) A league shall consist of a minimum of three teams.

16) Leagues will be assessed the following fines for failure to attend the following meetings, without sufficient notice.

- Annual General Meeting (Spring) \$100
- Semi-Annual Meeting (Fall) \$100
- Competition Committee Meetings \$50 per meeting (to a maximum of 3)

a) Since the Senior "AA" Leagues, as a group, have only one vote at the AGM and SGM, each Senior "AA" League would pay a \$200 Performance Bond only. The Senior "AA" Leagues will not be fined for missing any meetings.

b) All voting eligible Minor Leagues, the Manitoba Junior Baseball League, the Manitoba Senior Baseball League and the Winnipeg "AAA" Baseball Association and the Senior Baseball Council must send the correct number of representatives to the AGM and SGM. If this is not met, they will be fined \$100 per meeting missed.

c) All voting eligible Minor Leagues must meet the requirement of having someone on the Sport Development Committee. There will be a \$50 fine for each meeting missed.

d) All voting eligible Minor Leagues, and the Winnipeg “AAA” Baseball Association must meet the requirement of having someone on the Competition Committee. There will be a \$50 fine for each meeting missed.

e) All voting eligible Minor Leagues, and the Winnipeg “AAA” Baseball Association must meet the requirement of having someone on the Coaching Committee. There will be a \$50 fine for each meeting missed.

f) Regarding the AGM and SGM, should leagues that have two votes only be able to provide one voting member, the requirements of attendance will still be met. For leagues that have 2 votes they should endeavour to send two representatives.

RESIDENCY RULES

1) Each league, in conjunction with Baseball Manitoba, determines the actual geographic boundaries of the area from within which it shall select players. These boundaries must be described in detail, shown on a map and dated.

2) Any disputes regarding boundaries between leagues, and final determinations of boundaries will be made by the sub-committee of the Competition Committee.

3) For Baseball Manitoba purposes the principal residence for all 18U age category and younger players shall be the actual physical structure in which the person resides (not box office) as of April 1. This is the designated geographical area where the primary care giver resides.

The penalty for violation of this rule may result in the disqualification of a player, team, or entire league from regular season and/or provincial championship competition.

5) Residence is established by:

a) The parents’ usual residence when parents live in the same house, or if one of the parents is deceased, the usual residence of the surviving parent as of January 1 of the current calendar year.

b) In cases where parents do not live in the same residence, the legal residence is the usual residence of the parent having legal custody of the player; or, if both parents have legal custody, the usual residence of the parent with whom the player usually lives; or again, if the player lives equally with both parents, his place of residence shall be determined by Baseball Manitoba as of January 1 of the current calendar year.

c) When legal custody has been granted to a third person, the usual residence of that person (in which case there must be a Court order or other lawful proof of guardianship) as of April 1 of the current calendar year.

NOTE: The term “usual residence” is defined as four (4) out of seven (7) days.

NOTE: In the application of the above, the term “legal custody” and/or “legal guardian” refers to the granting of custody as determined by a Court of Law in one of the following circumstances:

a) the application of the Divorce ACT,

- x) Internet, Cable, or Satellite Records
- xi) Vehicle Records
- xii) Financial Records (loan, credit, investments, etc.)

9) Any documents submitted as proof of residence must show customary usage or consumption to demonstrate bona fide continuous habitation by Baseball Manitoba in its discretion. It is recommended that leagues require some proof of residence within the league's boundaries at the time the player registers. Players and their parents/guardians are advised that a false statement of residence may lead to ineligibility to baseball.

10) If the claim for residency is challenged, three of the above materials must be submitted to Baseball Manitoba, with an affidavit of residency from the parent(s) or guardian. Baseball Manitoba shall decide the issue, in its sole discretion, and that decision will be final and binding. 4.06 Special Rules (Minor)

4.06.01 11U - There is no Provincial "AAA" 11U Competition because there is no sanctioned out-of-province championship for 11U.

4.06.02 11U - As the 11U category competition is open to league teams only, no All-Star teams will be permitted at 11U A Zone 1, Tier1, 2 or 3. Leagues found to have formed All-Star teams will not be permitted to enter any teams and are subject to discipline by the Vice President of Competition. Leagues will be closely monitored.

4.06.03 Bunting is NOT allowed at 11U, (all categories), 13U Tier 1, 2, 3 and A.

4.06.04 Intentional Walks are NOT allowed at 11U, (all categories), 13U Tier 1, 2, 3 and A.

For all 11U, 13U and 15U "A", Tier 1, 2, 3 and "AA" Regional and Provincial championships, the Everybody Bats rule and Unlimited Substitutions rule will be in effect. The rules are as follows:

4.06.05 Everybody Bats - a team will list all the players on their roster, and they bat in order. If a player is ejected or injured, their spot in the order is passed with no out declared. Players who are not there at game time are to be placed at the bottom of the batting order when they arrive. It will be up to the coach to advise the umpire & the opposing coach that the player is late. It will then be up to the coach to immediately advise the umpire & the opposing coach when the player arrives, so he can be placed into the batting rotation. Until he arrives, his spot will not be counted as an out. Once a team has fewer than 9 players, the game is forfeited.

4.06.06 Unlimited Substitutions – players may be inserted or removed from the game in any position (exception: pitching limitations). The re-entry rule is not used. Baseball Manitoba suggests that each player is used for a minimum of 2 innings per game.

4.06.07 5 Run Limit - For all 11U "A" and "AA" ball, and 13U "A" and "AA" play, a maximum of five runs may be scored by a team in their offensive half of an inning. Once five runs are reached, regardless of the number of outs, the team at bat would take the field and the defensive team would come up to bat. This would apply for all innings except the last inning of the game. This will apply for regional and provincial championships.

4.06.08 6 Run Limit - For all 15U "A" play, a maximum of six runs may be scored by a team in their offensive half of an inning. Once six runs are reached, regardless of the number of outs, the team at bat would take the field and the defensive team would come up to bat. This would apply for all innings except the last inning of the game. This will apply for regional and provincial championships.

4.06.09 Pitch Count Rules – The Pitch Count Program will be used for all players, for all games, based on their age. This also applies for all Regional and Provincial Championships. Baseball Canada Pitch count rules will be followed, unless otherwise stated in this document.

4.06.10 The Baseball Manitoba pitch count App must be used for all players in all games. This includes games played outside of Manitoba.

PITCH COUNT REGULATIONS

- 1)** Any player on the team is eligible to pitch and there are NO restrictions to the number of pitchers a coach may use in a game. This includes 9-year-old players in the 11U age category.
- 2)** An appearance shall be defined as 1 pitch thrown or more.
- 3)** Pitchers are permitted to have a maximum of 2 appearances in the same calendar day. If a pitcher requires a rest following the 1st appearance, they cannot return to pitch in the same day. (Example: a 13U pitcher throws 29 pitches in their 1st appearance. That pitcher has not reached a rest threshold and may pitch in another game that calendar day. Another 13U pitcher throws 40 pitches in their 1st appearance. That pitcher has exceeded the no-rest threshold of 30 pitches and cannot pitch for the remainder of the day). The official scorekeeper will calculate the total pitches thrown for that calendar day and determine the required rest starting the next calendar day. These two appearances would only occur if 2 or more games are being played on the same day.
- 4)** Every pitch thrown in the game is counted (including foul tips, and all foul balls). Warm-up pitches between innings, or when a new pitcher enters the game, are not part of the count.
- 5)** A pitcher cannot pitch 3 consecutive days unless a pitcher's first two (2) days combined does not exceed:

11U: 25 13U: 30 15U: 35 18U: 40 22U: 45

If a pitcher's Day 1 + Day 2 total exceeds the figure shown above (and Rule 8 was not applied), they require at least one day's rest. A pitcher cannot pitch four consecutive days. Minimally one days rest is required. (Example: A 13U Pitcher throws 15 pitches on Day 1 (Friday). That same pitcher throws 10 pitches on Day 2 (Saturday). The two-day total is 25 pitches, which is less than the limit of 30. This pitcher can pitch on Day 3 (Sunday) to their maximum limit, which for 13U is 30.

6) The official scorekeeper will calculate the total pitches thrown for that calendar day and determine the required rest (if any) starting the next calendar day. Athletes must not exceed the maximum pitch count total for that day. If there is no official Pitch Count scorekeeper, the home team Pitch Count scorekeeper will become the official Pitch Count scorekeeper.

7) Once a player assumes the role of pitcher, they cannot catch for the remainder of the day. This rule allows a player to catch, and then pitch in the same game or the same day. However, a player cannot pitch and then catch in the same game or day.

8) When a pitcher reaches the maximum number of pitches allowed for a threshold, he can complete the at-bat without the penalty on days of rest, if he does not pitch to another batter. In this situation, the number of pitches corresponding to the threshold reached will be indicated on the pitching log. The coach or manager needs to acknowledge this to the umpire at this moment prior to the next pitch. The Umpire would then notify the scorekeeper.

EXAMPLE: 13U Pitcher uses 10 pitches on Friday. On Saturday, the coach declares on his/her 19th pitch of the day that the pitcher will finish the batter (Using Rule 8). The pitcher finished the batter, using 4 pitches – making a 2-day total of 33. He/she will then be eligible to pitch on Sunday, being marked for 30 pitches.

9) Pitchers will be permitted to finish the batter if their maximum pitch limit has been reached for that calendar day. (e.g. 75 for a 11U pitcher, 85 for a 13U pitcher)

10) Intentional walks will be included in Pitch Count totals. Only pitches actually thrown will be included in Pitch Count totals. Automatic balls during an intentional walk do not count towards Pitch Count totals.

EXAMPLE: if during a count of 2 balls - 0 strikes, a team signals to the umpire that a batter will receive an intentional walk, only 2 pitches will be counted for pitch count.

11) Required Rest shall be defined in “Days” starting at 12:01 a.m. and ending at 11:59 p.m. of the next calendar day.

12) A pitcher who is removed from the mound during the game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game in another position.

13) Baseball Canada’s Pitch Rules that do NOT apply in Manitoba (from the Baseball Canada Rule Book – Canadian Content: Rule 6.02(3): 2-day and Rule 6.02(4) [second half]: 4 day.

11U (+ 9 Year Olds)	13U	15U	18U	22U	Rest Required
1-25	1-30	1-35	1-40-	1-44	None

56-65	61-75	66-80	71-85	76-90	3 Days
75	85	95	105	115	Total Pitches Allowed in a day

4.06.08 Extra Inning Procedure - Baseball Manitoba has adopted the Baseball Canada extra-inning procedure as follows:

- If the game is tied at the completion of regulation (7 innings), the following procedures will be implemented during extra innings:
- Each team will begin the extra inning (and any subsequent necessary extra innings) with a player on first and second, no outs.
- The batting order of the extra inning or any subsequent innings will be determined by how the previous inning ended.
- The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

Example:

If the last regulation inning ends with the #6 hitter having the last plate appearance, then the extra inning begins with the #7 hitter at bat, and the #5 hitter at second base and the #6 hitter at first base.

For the Tie-breaking formula and extra inning rule, only the runs scored/allowed in the regular 7 innings be counted in the run ratio. Do not use the extra inning stats in the tie-breaking formula.

4.06.09 Base Running Rule For 11U Only – Runners at 3rd base must be batted home or forced by means of a bases loaded base on balls or hit by pitch. They cannot advance on a passed ball, wild pitch, or overthrow on a stolen base. If a runner reaches 3rd base by means of a batted ball they may continue home as a continuous part of the play. They do not have to stop at 3rd and wait for the next play. The intent of this rule is to promote hitting the runner home.

4.06.10 Oversize Home Plate Rule For 11U Only - All leagues will use the Killarney plate (oversize home plate) for all 11U "A" and "AA" competition. This will also apply to regional and provincial championship competitions.

4.06.11 11U Base Distances - At Provincial Championships for 11U the base paths will be 70 feet for AA, Tier 1, 2 and 3 and 60 feet for Zone 1 A

REGIONAL AND PROVINCIAL PICK UPS

6.01 Regional and Provincial Pick-Ups

6.01.01 All pick-ups should be channeled through the president, regional director or their appointee for each eligible league. Through the league representative, pick-ups for Regional and Provincial “AAA”, “AA” & “A” competition must be submitted to the M.B.A. office 2 days (recommended 1 week) prior to the tournament in order to be eligible.

6.01.02 Underage players may be picked up for provincials one category above the category they have registered in (e.g. 11U player may be picked up to participate in the 13U category). Pick-ups to be governed in accordance with the M.B.A. rule dealing with pick-ups for provincial playdowns.

6.01.03 Any player age advanced and being recorded on a roster at the next highest level (e.g. 13U aged player being recorded as a 15U aged player), will be eligible to be picked up at the level they are recorded at only. Any exception would have to be in writing to the Vice-President of Competition by July 1.

6.01.04 Pitching rules for age advanced players: The pitching restrictions for age-advanced pitchers will be followed depending on the date of birth of the pitcher, not the age category the pitcher is playing. Thus, an age advanced pitcher will be bound by the eligible number of pitches for their chronological age, not for the category they are playing in. Except for 9-year-old players on 11U rosters – these players may pitch under 11U Pitch Count Rules (Example: a 15-year-old 15U aged pitcher who is age advanced to play 18U will be limited to 90 pitches per game and the corresponding rest rule - the 15U limit, instead 105 pitches – the 18U limit).

6.01.05 All player additions are to be made in accordance with the rules as laid out in each of the age groups following, and shall be conducted in rotation based on the order of finish, where applicable.

6.01.06 If a player refuses or denies (in any way) to play for the team that selects them as a pick-up, they will be ineligible to play for any other team.

6.01.07 Pick-ups for Provincial Championships must be submitted to Baseball Manitoba before 12PM on the Wednesday immediately prior to the Championship.

If a Zone 1 League does not have a “AAA” team in an age division, any “A” and “AA” team representing that league in that age division going to Provincial Championships may not be allowed any pick-ups. If the region requesting “A” and “AA” pickups has allowed any “AAA” players requesting a transfer the ability to play “AAA” in another region, and the Executive Director and VP-Competition are consulted, pick-ups for “A” and “AA” teams attending Provincial Championships may be allowed, at the discretion of the Executive Director and the VP-Competition.

6.04.02 All Zone 2 leagues must enter “AAA” teams into 13U, 15U and 18U provincial competition for the leagues “A” and “AA” teams to be eligible for pick-ups. If a Zone 2 League does not have a “AAA” team in an age division, any Tier 1, 2 or 3 or “AA” team representing that league in that age division going to Provincial Championships may not be allowed any pick-ups. If the region requesting Tier 1, 2 or 3 and “AA” pickups has allowed any “AAA” players requesting a transfer the ability to play “AAA” in another region, and the Executive Director and VP-Competition are consulted, pick-ups for Tier 1, 2 and 3 and “AA” teams attending Provincial Championships may be allowed, at the discretion of the Executive Director and the VP-Competition.

Western Canada and National Championships:

CHEF DE MISSION

BASEBALL CANADA NATIONAL CHAMPIONSHIPS

Baseball Canada requires a Chef de mission from each team for National Championships. The Chef de mission, or Business Manager, is to serve as the representative of the team and Baseball Manitoba, may travel with the team and be responsible for the team’s conduct (in conjunction with the head coach) off the field.

The Chef de mission should be the primary point of contact for the team in its dealing with Baseball Canada officials and the host committee.

These dealings include, but are not limited to:

- Must attend all meetings at the National Championships (even if this means missing a team game)
- Team transportation issues
- Team accommodation issues
- Team meal issues
- Protests involving the team
- Team Discipline
- Tournament rescheduling that affects the team
- Any team-related financial issues

The Chef de mission must always be available and reachable by the Host Committee and Baseball Canada representatives and thus cannot be a coach. The Chef de mission should be familiar with the information in the Baseball Canada Participants Guide.

This is an important position, as this person not only acts for the team, but also represents Baseball Manitoba. A Tournament post event report is required by Baseball Manitoba following the championship. The Chef de mission will receive \$100.00 for their duties following the submission of the report.

WESTERN CANADA CHAMPIONSHIPS

For Western Canada Championships, the host province may appoint a Master Chef, who serves as the Chef for all teams. This person will liaison with the Western Canada Rep and the Host Committee and will be responsible for team conduct (in conjunction with the head coach) off the field, and any issues arising including accommodations.

DISCIPLINE

9.01 The M.B.A. reserves the right to discipline and/or fine any club, player or team official for any action detrimental to the best interest of baseball.

9.02 No pertinent baseball information may be withheld from any M.B.A. official if such information is requested. Failure to supply requested information shall result in disciplinary action as deemed necessary by the Management Committee.

9.03 That all instances where a report is filed pertaining to physical abuse of an umpire, that report will be filed directly to Baseball Manitoba within 24 hours through an online Ejection Report. The Executive Director is to direct the report to the Vice-President of Umpires, Vice-President of Competition and to the League President of the offending person(s) immediately. Depending on the report; if a disciplinary hearing is necessary, it must take place within four days of the receipt of the report by the Baseball Manitoba; and the Hearing Committee shall be convened. The Hearing Committee shall consist of: Vice-President of Competition, Vice-President of Umpires, Executive Director; any two members of the Competition Committee or the appropriate League. After the Hearing the abuser must be informed immediately of the Hearing Committee's decision by phone and confirmed in writing. The team and league involved are to be advised accordingly. If the Executive Director, upon receipt of the report, believes the actions are serious enough to warrant a suspension before the Hearing Committee is convened, they may do so by phoning the involved parties (abuser, team, league) immediately, along with the Vice-President of Umpires and the Vice-President of Competitions. Any suspensions will be honoured by all Baseball Manitoba League Members.

9.04 Any person suspended by the M.B.A. may appeal the suspension by filing a written appeal within 48 hours of the suspension, and a non-refundable \$50.00 appeal fee. If there is basis for an appeal, a committee will be set up to hear the appeal.

9.05 Players and/or team officials identified by the umpire as uttering racial, ethnic or gender slurs shall be ejected from the game immediately. A letter of apology from the player/team official identified as using racial, ethnic or gender slurs shall be sent to the opposing team and a copy forwarded to the respective league office and a copy to the Manitoba Baseball Association. Failure to do so will result in suspension until the letter is received.

9.06 Individual and team penalties will be imposed for violations of the rules at provincial championships. The details are on page 39 of this document.

9.07 Definition of Ineligible player

- a player who is not registered with Baseball Manitoba.
- a player that has not been legally added to a team (picked up)
- a player who is under suspension

9.08 Any person ejected before, after or during a game is required to leave the baseball park where the infraction took place. The game may not continue until, if in the opinion of the crew chief, the person is no longer interfering with the game and is considered removed from the baseball park. If the ejected person doesn't comply after a clear warning from an umpire to the remaining coaches of the team, the crew chief may issue a forfeit to the team that has caused the infraction. The ejected person may not return to the ballpark until the game and team handshakes have concluded and the officials have left the field.

9.09 For 22U and below, at least one certified coach or manager listed as Staff in RAMP must be present and on the bench for each game. If there is no coach/manager present or the only coach/manager present is ejected, then the game is forfeited.

APPENDIX

APPENDIX I – Coach Certification Process Baseball Manitoba A, AA, and Tiers 1-3

Provincial Championships Process:

a) Baseball Manitoba will review all teams attending Provincial Championships 10 days in advance of the event. The 10-day requirement is only possible for leagues that inform Baseball Manitoba of their league reps at a minimum of 2 weeks prior to the event. The earlier Baseball Manitoba gets provincial reps the better the chance is for leagues/coaches to be informed in a good amount of time.

b) League Presidents will be informed which coaches have not completed the necessary certification and which certification is needed. The league can deal with this in any of the following ways:

1. Remove the coach from the roster entirely.
2. Remove the coach from the roster and replace them with another coach (who meets the requirements) and has been rostered on another team for the 2026 season.
3. Inform the coach what certification is missing and that they are eligible to be on the roster if it is completed by the Tuesday prior to Provincials. This is possible for requirements that can be completed online, such as My First Pitch, Coach Initiation Online, etc., but is not possible for clinics that are only offered in-person, ie. the Fundamentals Clinic.
4. Pay a \$50 levy and the lack of certification will be forgiven for this season and the coach is allowed to be rostered. This is only allowed once per coach and if the coach is delinquent in the future the levy will not be an option and the coach will automatically be removed from the roster.

c) Baseball Manitoba will assume that the coach will be removed from the roster unless the league informs Baseball Manitoba of their preferred route. If they choose #3 it is expected that they will inform Baseball Manitoba when the coach has completed the required training.

d) If #4 is chosen for one or more coaches the league will be invoiced by Baseball Manitoba for the entire amount and they can choose how to be reimbursed by the local association.

APPENDIX

APPENDIX I – Coach Certification Process

Provincial Championships Process:

Baseball Manitoba AAA Provincials

The same process as above will be followed except:

- The AAA certification is more intense, therefore requires more in-person clinics. The fee would be \$50 per clinic that is missing should the league/coach choose this option.
- Baseball Manitoba has no jurisdiction on WCBA or National events therefore the fee option would only be available for Baseball Manitoba Provincial Championships and the coach would be removed from the roster for any WCBA or National event.

The optional levy to allow for participation in provincials can only be used when Baseball Canada Clinic certification is what the coach is lacking. Baseball Manitoba Screening devices ie. RIS, CRC, etc. necessary to be coaching at that level are a mandatory requirement.

Deadline

All coaches (A, AA, and AAA) must have the appropriate certification done by June 1st.

FAQs

Why does Baseball Manitoba have coach certification standards for AAA baseball?

The coaches for Baseball Manitoba teams that attend National (Baseball Canada) or Western Canada Baseball Championships must have the certification required by that organization. Our provincial requirements typically align with those.

Why does Baseball Manitoba have coach certification standards for non-AAA baseball?

Baseball Manitoba wants registered players and coaches to have experiences that are both fun and developmental. The coach certification we require helps prepare coaches to follow through on that goal whether they are new to the sport, new to coaching, or experienced on both. We also believe the time commitment required to do this training is within reason for a non-AAA coach. The standards for AAA are much more time consuming, but we do encourage all coaches to take training above and beyond what is required.

Why does Baseball Manitoba only check the certification levels of coaches attending Provincial Championships?

The process of checking the certification of each coach is very time consuming and Baseball Manitoba does not have the staff or budget to check all the coaches in our province. This may change in the future but is the case as of now. We feel that with the number of provincials that are offered at the different levels that this method of checking allows us to monitor a large portion of the coach community and hope that local leagues and local associations do their part to ensure coaches get the proper certification.

Why does Baseball Manitoba fine coaches that do not have the proper certification?

The consequence to a coach that does not have the proper level of certification is removal from the roster which means they cannot coach in the provincials. We do allow the coach a one-time option to pay a levy which will allow them to coach in that provincial (based on the approval of their league). This levy is consistent with what the coach would have paid to attend that clinic. There is no fine applied if the coach chooses to not coach in the provincials.

Why can a coach get away with not taking their proper certification by paying their way out of it?

There are many reasons why a coach did not take the proper certification that season and often these reasons are legitimate and could not be avoided. This levy provides some discretion and allows the person to coach the team. It is only allowed for one season and very seldom does a person find themselves in the role of coach for only one season, so they will very likely get the training in the following season.

Why is there a screening process for Baseball Manitoba coaches?

We realize that online courses like Respect in Sport and Rule of Two may be time consuming for the coaches, but the idea behind the screening processes is to do our best to ensure there is a safe environment for the players and the coaches. These courses have shown as some of the best options to provide the education needed for that to occur.
