

# INDIGENOUS COMMUNITY DEVELOPMENT PROGRAM

Baseball Manitoba would like to connect with Indigenous communities and visit each one in the spring and summer of 2023 (Mar-Aug).

We will hire and train instructors and deliver baseball programming based on the Baseball5, Winterball, Rally Cap and NCCP Programming, teaching basic baseball skills, and building rapport with local people. In the Fall and Winter of 2023, we will return to those communities to host a Baseball5 competition for players 10+ and or Rally Cap Jamboree for players 9 and under. For northern communities, we will use resources available at Calm Air to fly in and out and for southern communities, we will use Baseball Manitoba vehicles to transport people and equipment.

## Using the following Programs as catalysts:

- Winterball
- Baseball5
- Rally Cap
- 5 Tool Camps
- Winter Academy
- NCCP Clinics

Baseball Manitoba Winterball and Baseball5 Clinic in Grand Rapids, MB (2020)
