

BASEBALL MANITOBA

SOCIAL MEDIA POLICY

Introduction

Baseball Manitoba has introduced this policy to provide our members, staff and volunteers a guide to social media use. Social Media is a fantastic communication tool that is used every day around the world to connect people and disseminate information. We encourage the Manitoba Baseball Community to be a part of the social media world, connect with Baseball Manitoba and share your passion for baseball. We do however recommend that you use social media responsibly and remember that the internet is a public domain.

This policy aims to provide guiding principles for you to follow when using social media, to educate the Baseball Manitoba Community on the risks of social media and to ensure all Teams and Association personnel are aware that conduct deemed to be inappropriate may be subject to disciplinary action by the Team, the Minor Baseball Association, League and/or Baseball Manitoba.

When does this Policy Apply to You?

This policy applies to all Baseball Manitoba representatives including Directors, Teams, Baseball Manitoba members and staff, officials, players, players' family members and supporters. We acknowledge all employees, coaches, national teams and squads, officials, and all playing and volunteer members throughout the extended grassroots community as our representatives.

In addition, this policy takes effect when an individual or entity identifies themselves as associated with Baseball Manitoba, and/or discusses their involvement in the organization on social media. At this point they are required to convey themselves in accordance with this policy and in a manner consistent with Baseball Manitoba's stated values and policies.

It is important that Baseball Manitoba's reputation is not tarnished by anyone using social media tools inappropriately, particularly in relation to any content that might reference the organization. Baseball Manitoba also has a corporate responsibility to protect our stakeholders and affiliates by maintaining a positive reputation by association.
