is due to lead off, the No. 6 hitter (or a pinch-runner for the No. 6 hitter) would be placed on second base.

9.3 The EH may be interchanged with any other position during the game and can be changed multiple times. For example, the SS could become the EH and the EH become the SS.

9.4 In the event that a player is injured, and the team has no eligible substitutes available, Re-entry Rule would apply, and the team would continue to bat ten players. If the team had no other players available for selection OR in the event of an ejection, the game would proceed with 9 players, without forfeit. A player removed due to injury or ejection in this circumstance is not permitted to re-turn to the game. Any further loss of players would result in a forfeit.
