Information

Baseball New Brunswick will hold tryouts for the 2025 14U and 16U High-Performance Development teams. These tryouts are open to any player of the appropriate ages for the 2025 events. Players who were part of High-Performance teams (15U or 17U) during the 2024 season are automatically included on the winter roster and do not have to participate in these identification sessions.

Players chosen for the winter roster will participate in winter training and practices starting in January and ending in May. Practices will align with the 15U and 17U High Performance teams. Final rosters for each team will be selected in the spring.
