If any Head Coach or Manager has reason to question the age of any player their association may submit a written appeal to the Baseball Nova Scotia office and include a \$100 process fee. The association of the team under question will have 48-hours to submit the requested proof of age to the BNS office. Acceptable proof of age will be

determined from a photocopy of birth certificate, driver's license or Provincial Health Card. If the appeal is successful, the \$100 fee will be returned to the association.

2.5.2 Return of original proof of age documents cannot be guaranteed by BNS.

2.5.3 Submission of falsified documents shall lead to the team's suspension for the remainder of the year plus the head coach will be suspended during the next playing season and the same for the player and any member of the team's coaching/management staff or any association executive who were aware that falsified documents were submitted and did not report same to BNS.

2.6. Residency and Player Transfers

2.6.1 For all age divisions, in order to be eligible for provincial play downs, a player(s) **must** be a resident of Nova Scotia (city, town or village) before June 1st of the current playing season. It is the responsibility of the registering association to ensure the requirements outlined in this part are fulfilled. Extenuating circumstances will be considered upon appeal to the Regional Director.

2.6.2 Residence is established by:

- a) The parents' usual residence when parents live in the same house, or if one of the parents is deceased, the usual residence of the surviving parent as of April 1st of the current calendar year.
- b) In cases where parents do not live in the same residence, the athlete shall choose which residence they wish to use as their usual residence.
- c) When legal custody has been granted to a third person, the usual residence of that person (in which case there must be a Court order or other lawful proof of guardianship) as of April 1st of the current calendar year.

2.6.3 Residence shall be established and supported by documents dated on or in force between January 1st and June 1st of the current year, from three or more of the following categories to determine residency of such parent(s) or guardian. Baseball Nova Scotia can be consulted should a dispute occur. Acceptable documentation to confirm residency can include:

- a) Property Tax Assessment
- b) Current utility statement or credit card statement (i.e. gas, electric, water, phone)
- c) Nova Scotia Driver's License
- d) Rental agreement or bill of purchase of new residence
- e) Voter's Registration
- f) Welfare / Child Care Records
- g) Local (municipal) Records
- h) Insurance Documents
- i) Military Records
- j) Internet, Cable, or Satellite Records xi. Vehicle Records
- k) Financial Records (loan, credit, investments, etc.)

2.6.4 Players who are a BNS registered member of an association and who wish to play competitive baseball and/or have played competitive baseball for their current association, are therefore required to play for or tryout for their own association's competitive teams (provided the association is offering a program at the higher level the player wishes to play). If that player is not successful in making a team in their association, they cannot not try out for another association.

2.6.5 If the association, where a player was a member the previous year, is not offering a competitive program at a higher level and the player wishes to play at that higher level, then they are permitted to:

2.6.5.1 Tryout with one other association that is offering the higher-level competitive team/program.

2.6.5.2 Return to their own association if they do not make the team in which they have tried out for.

2.6.5.3 Return to their previous association the following year if their former association (in which they left) begins offering a competitive team/program at the higher level.

2.6.5.4 If the player's former association is not offering a competitive program at the higher level in which a player wishes to play, and he or she plays two consecutive seasons with the new association, then they will become eligible to remain as a full-time in that new association.

2.6.6 No official release is required to tryout for a higher competitive level team in another association (if your own association is not offering that program). The president of the association with the higher competitive level team determines the acceptance or rejection of the tryout request. This tryout process is restricted to one team per player per season.

2.6.7 An official release is required from the president of the association where the player resides, if the player is accepted to tryout for a competitive level offered in another association, and the level is equal to the competitive level being offered in the players current association.

2.6.8 Players will register with the new association, and should they be unsuccessful in making the higher-level team, all payments* and registration info should be transferred back to the player. (*does not include fees associated with tryouts).

2.6.9 If there are extenuating circumstances, whereby a player is required to move and reside outside their current association, the BNS Executive may permit a player to be eligible to play with another team within the province, pending acceptance of an official Release form.

2.6.10 Should teams at the AAA or AA level accept players from other associations; that higher level team may not be eligible to be reclassified to a lower level during the season. That team may not be considered for a placement in a lesser level if the association from where the transferred player(s) came from has a team at the same lower level. An official appeal outlining the reasoning for the request can be made to the Competitions Committee.

Example: John Smith leaves Town 1 because they are only offering AA, and John wishes to play AAA. Town 2 offers AAA, so John tries out in Town 2 and makes the AAA team. Town 2 may not be eligible to be reclassified to AA.

2.6.11 Any disputes regarding determination of boundaries between associations and player eligibility will be made by the BNS Executive (in consultation with the Regional Directors).

2.7. Rosters

2.7.1 All participating teams must have a copy of their roster submitted online and hard copy on hand at all BNS sanctioned events.

2.7.2 No player shall be permitted to register on more than one roster. However, a player may appear on one roster plus 13U Boys, 14U Girls, 15U Boys, 16U Girls, 21U Women's or Senior Women's team without penalty.

2.7.3 Girls participating in the 12U and 14U girls divisions can be on two (2) rosters provided one of them is a team competing at 12U or 14U girls and the other is their own association's regular club team.

2.7.4 Should a player appear on the roster of more than one team, he/she shall be eligible to play for the team of choice, with the choice to be made and communicated to BNS within forty-eight (48) hours of being notified by BNS.

2.7.5 Rosters must be submitted online by the date specified in the calendar of events.

2.7.6 Rosters must include a minimum of 12 players, but teams or associations can appeal to BNS should there be extenuating circumstances that prevent a team from registering 12 players.

2.7.6.1 Teams participating in National Elimination tournaments must have rosters which meet the rules of the National Championship they are qualifying for.

2.7.7 If a coach or manager is also a player, such player or players are to be counted among the 12 (min) registered players.

2.7.8 Athletes participating in BNS National Elimination tournaments must meet the eligibility criteria to attend a Baseball Canada National Championship (per rule 1.2 Eligibility Rules for Athletes in the Rules and Regulations for Baseball Canada Championships). Should the athlete not meet the requirements outlined by Baseball Canada, he/she will be ineligible to participate in the National Elimination tournament. Baseball Nova Scotia will permit athletes that do not meet this Baseball Canada criteria to participate in events that do not serve as qualifying tournaments for Baseball Canada events (Bluenose League, association tournaments, and BNS Provincial Championships).

2.7.9 Teams at 12U Girls, 14U Girls, and 17U Girls can apply to Baseball Nova Scotia for permission to carry up to three (3) overagers. Teams will have to demonstrate one of the following criteria is met for consideration:

A) The association has less than twelve (12) registered eligible players and the use of over-agers is required for the team to register 12. The team may only apply for permission to carry a number that will bring the roster to 12 (example: an association with nine (9) registered eligible players may apply for three (3) over-agers. An association with ten (10) registered eligible players may apply for two (2) over-agers. An association with eleven (11) registered eligible players may apply for one (1) over-

ager.) Associations will be asked to provide proof there are no other registered players in the association that are age eligible, and/or the team did not release age-eligible players during a tryout process. A fourth over-ager will not be permitted under any circumstance.

B) The association does not have an upper age level team of the appropriate age group for identified players to register.

2.8. Affiliation

2.8.1 If a team within the same association is within one competition level of a team looking to affiliate, they must affiliate with that team.

2.8.2 A team is considered to be automatically affiliated to a team one competition level below them within the same association. In the case described in this clause there is no need to fill out an affiliation form online.

2.8.3 In all other scenarios (including a team within the same association more than one competition level below) an online affiliation must be filled out.

2.8.4 Any team may affiliate with one team of a higher age division or classification and one team of a lower age division or classification, by submitting a completed affiliation form and copies of the affiliates' rosters to the BNS office no later than July 28th (should the team not fall under rule 2.8.2).

Note: Any team may affiliate with one team of a lower age division at equal or lower classification OR affiliate with 1 team at the same age division at a lower classification, by submitting a completed affiliation form and copies of the affiliate's rosters to the BNS office no later than July 28th. 11U level teams may affiliate with an 11U house league team within their association provided that a list of all house team players is submitted. You must affiliate with a team within your association if a team is available. Approval of affiliation forms are dealt with by the BNS office on a case-by-case basis.

Example – 13U AAA can affiliate with 11U AAA, AA or 13U AA, A.

Example – 13U AA cannot affiliate with an 11U AAA team but can affiliate with a 13U "A" or 11U "AA", "A".

2.8.5 Since Senior and Intermediate are both "open" age categories, they may affiliate with any team 18U or higher but cannot affiliate with a team within their division. Example, an Intermediate AAA team cannot affiliate with an Intermediate "AA" or "A" team. An Intermediate "AAA" can affiliate with a 22U or 18U team.

2.8.6 For any team affiliating with a club in the Nova Scotia Senior Baseball League, the roster deadline is July 7th.

2.8.7 Following affiliation, a player registered with a lower age division team may play with a higher age division team from the lower age division team. Teams can call up from their affiliated team for Bluenose League, Provincial Championships, Qualification Tournaments, or National Eliminations with no limits on the amount of games those players are eligible to be used (with the exception of 18U athletes being called up to 22U. See 18U and 22U Roster Policy). *[NOTE: Exception – Players on teams who affiliate with senior league teams (18U, 22U, and intermediate) may play six games after July 6th, but cannot play the 7th game or they cannot return to their original team.]*

2.8.8 Any team registering, playing or attempting to play an ineligible player or playing while an ineligible coach is coaching shall result in the ineligible person being disqualified.

2.8.9 Should a player or coach be ruled ineligible at a pre-tournament meeting, such player or coach may be subject to further discipline by the BNS Executive.

3.3. Coaching Certification Deadline

Coaches are to be in compliance with 3.1.1 through 3.1.14 on the date specified in the Calendar of Events. Coaches who are not in compliance with the certification requirement by the date listed in the Calendar of Events shall be removed from the roster and will be ineligible for BNS provincial qualifications and Provincial Championships.

3.4. Coach Replacement

A team may add, edit or remove their coaches after the deadline set out in section 3.3 so long as any additions to the roster meet the requirements set out in section 3.1.1 thru 3.1.14. All changes must be made in writing to the BNS Office.

3.5. Safe Sport

3.5.1 The association is responsible to ensure each Coach, Manager and team staff member submit proof of valid Criminal Background Record Check and Child Abuse Registry Check. Associations are responsible to track the information. Please note Baseball Nova Scotia will be looking for proof of screening starting in 2021.

3.6. Dress Code

3.6.1 The Coaches Dress Code pertains to all Baseball Nova Scotia sanctioned events such as Provincials Qualifications, Provincial Championships, any elimination tournaments and Bluenose League in which BNS coaches take part. For the purpose of this regulation, the “coach” refers to all members of the coaching staff.

3.6.2 Members of the coaching staff must be in appropriate and presentable baseball coaches’ attire at any/all BNS sanctioned events. This attire consists of any of the following:

- Baseball Nova Scotia encourages base coaches to wear a skullcap, although not mandatory.
- Numbered baseball uniform, identical to those worn by the players which includes jersey, team jacket/sweater, pants, and team hat.
- Track pant/suit with a golf shirt or t-shirt (short, 3/4 or long sleeved) in matching colors and preferably having a team logo on the shirt.
- Tailored shorts or pants (i.e. Khaki’s, Dockers, etc.) with a golf shirt or t-shirt (short, 3/4 or long sleeved) in matching colors and preferably having a team logo on the shirt.
- Footwear: should consist of sneakers, cleats, or coaches turf shoes.

Note: All coaches are expected to wear either a team uniform, track pants or shorts, along with shirts that are similar and match team colors. If unable to completely match team colors, then all coaches should have the same color outfit. An example of this would be all coaches in navy track pants, white golf shirt and team hat, even though the team pants are royal blue.

3.6.3 Coaches' clothing that is not permitted consists of the following:

- Pants: Blue Jeans, cargo, sweats or cords;
- Shorts: jeans, basketball or beach;
- Shirts: T-shirts, jerseys or other types of shirts not matching team colors or other shirts such as cut-off/muscle shirts;

(Constituents found in some paints can weaken the protective shell and stickers can hide the appearance of shell cracks. Use of a cracked helmet or one missing any of its shock absorbing foam will not be permitted).

5.2.6. Bat Rule

5.2.7. Starting Games

In accordance with modified rule 3.10 (a) (The Official Rules of Baseball), the host and not the home club makes the decision on starting any game in a tournament. In the case of a home and home series, the home team for each game is considered the host.

5.2.8. Line-Ups

Line-ups shall be exchanged at the plate meeting prior to the commencement of the game. All players should be listed on the line-up card.

5.2.8.1 If a player is left off the line-up in error or shows up late, they are to be placed at the bottom of the lineup or list of substitutions (18U AAA and above).

5.2.9. 11U Rule Exceptions

5.2.9.1 11U A Only – A runner on 3rd base cannot score on a pass ball or wild pitch. A runner on 3rd base cannot advance home as a result of any interaction between the pitcher and the catcher. In all cases where the pitcher pitches the ball to the catcher and there is a pass ball or the catcher throws the ball back to the pitcher, regardless of the results of that throw, no advancement shall be permitted from 3rd. This includes attempted throws to 2nd base in a 1st and 3rd scenario. Runners can only score as a result of the hitter being walked or hit by a pitch with the bases loaded, or baseball plays as a result of a ball being hit into play.

5.2.9.2 No balk shall be called in 11U/12U Girls division play unless 8.05 (I) (The Official Rules of Baseball) applies.

5.2.10. Injured Player, Courtesy Runner

A courtesy runner may be used for a player who has, before the game, declared a health issue to the opposing coach and umpire. A batter after hitting the ball must reach at least first base on his or her own. Once play has stopped the batter who just became a runner may be replaced by the last offensive player declared out.

5.2.11. Mercy Rule

The mercy rule shall be applied in the following situations: a team is ahead; 20 runs after 3 innings (2.5 innings with the home team ahead), 15 runs after 4 innings (3.5 innings with the home team ahead) and 10 runs after 5 innings (4.5 innings with the home team ahead).

5.2.12. Pitch Count

Level	Daily Pitches (No Rest)	Daily Pitches (1 day rest)	Daily Pitches (2 days rest)	Daily Pitches (3 days rest)	Daily Pitches (4 days rest)	Daily Max
11U/12U Girls	1 - 25	26 - 40	41 - 55	56 - 65	66 - 75	75
13U/14U Girls	1 - 30	31 - 45	46 - 60	61 - 75	76 - 85	85
15U/17U Girls	1 - 35	36 - 50	51 - 65	66 - 80	81 - 95	95
18U	1 - 40	41 - 55	56 - 70	71 - 85	86 - 105	105
22U	1 - 45	46 - 60	61 - 75	76 - 90	91 - 115	115

5.2.13. Pitch Count Three Day Maximum

A pitcher cannot pitch in 3 consecutive days UNLESS a pitcher's first 2 days combined does not exceed:

- 11U – 25 pitches
- 13U – 30 pitches
- 15U – 35 pitches
- 18U – 40 pitches
- 22U – 45 pitches

5.2.14. Pitch Count rules

5.2.14.1 Pitchers will not be permitted to exceed the maximum daily allowable number of pitches in any two-day period.

5.2.14.2 A pitcher's combined 3-day pitch count cannot exceed:

- 11U/12U Girls - 105 pitches
- 13U Boys/14U Girls - 120 pitches
- 15U/17U Girls - 135 pitches
- 18U - 150 pitches

5.2.14.3 Pitch Counts will be used for all BNS sanctioned tournaments (Qualifications, Provincial, Atlantic's, Bluenose league play & National Eliminations).

5.2.14.4 Pitch Counts will be used in 11U,12U Girls, 13U, 14U Girls, 15U, 17U Girls, 18U & 22U at the A, AA & AAA levels.

5.2.14.5 Warm up pitches & throws to other bases should not be included in the Pitch Count.

5.2.14.6 Pitches thrown on a called balk count towards pitch count. If the pitch is not delivered, no pitch is recorded.

5.2.14.7 In all Baseball Nova Scotia sanctioned competitions, once a pitcher is about to throw the pitch which would lead him/her to reach any one of the pitch count thresholds and the coach wishes not to throw this pitcher past this threshold, the coach will call time and indicate to the umpire this would be the last batter. Once that at-bat is completed, the pitcher must be withdrawn and be credited with only throwing the limit of pitches for that particular threshold.

For example, in 15U, if a coach wants a pitcher to be withdrawn at 35 pitches, they will signal to the umpire prior to the throwing of the 35th pitch. "Last batter".

Once the pitcher finishes that batter, he/she would be withdrawn from the game and credited with throwing 35 pitches even if they threw any additional pitches to retire the batter.

5.2.14.8 When the pitcher reaches their daily max, they may finish the batter.

5.2.14.9 Should a pitcher throw under the daily threshold in their first game of the day, and pitches a second time that day, they must announce the last batter before the two-game total reaches the daily threshold. For example, in 15U, a pitcher throws 20 pitches Saturday morning, and returns to pitch again in another game Saturday afternoon. If the coach wants to have the pitcher available for Sunday, the coach must announce the last batter before the pitcher throw pitch number 15 in game two (which would be 35 pitches on the day).

5.2.14.10 Calling last batter is only applicable to the daily pitch thresholds as defined in the Pitch Count chart. It cannot be called to stay under limits as it relates to two and three day thresholds. (I.E an 11U pitcher throws 25 pitches on day 1. Last batter can be called prior to the 26th pitch. If the pitcher throws on day 2, last batter CANNOT be called prior to pitch 15 on the day to stay under the two day threshold. Once the pitcher has thrown the 16th pitch to pass 40 pitches for the two days, the two day threshold has been passed and the pitcher would not be eligible to pitch again in the tournament).

5.2.14.11 Players who hit their two day limit in the first game of the day are not eligible to pitch for the rest of the day (I.E an 11U pitcher throws 20 pitches on Friday. They throw 25 pitches in game 1 on Saturday. Since they've passed the 40 pitch threshold that requires two days rest, they are not eligible to pitch again that day)

5.2.14.12 For the purposes of recording pitch count in situations where a pitcher was removed in the first game of a day after the last batter is announced, the pitches thrown will reflect the threshold (not the exact number of pitches thrown). For example, in 15U, the last batter is announced as a pitcher reaches their daily 35 pitch threshold. The pitcher throws 37 pitches to complete the batter. The pitches shall be recorded as 35, and the pitcher would be eligible to pitch 60 pitches in game 2 that day.

5.2.14.13 Players playing in an older age division must abide by the Pitch Count rules for the age division they belong in. Example: 13U eligible player pitching in 15U Provincials must abide by 13U pitch count rules.

5.2.14.14 The Pitch Count Official must warn coaches of any pitcher reaching the daily minimum/maximum level of pitches.

5.2.14.15 Official Pitch Count sheets should be kept during each tournament to prove compliance. BNS will supply these Pitch Count sheets. Hosts must be able to produce these if requested by BNS. Any changes made to the official pitch count sheets (a corrected error), is to be struck through with a single line and the change initialled by both coaches.

5.2.14.16 If a team does not have any remaining players eligible to pitch in a game the opposing coach may designate a player who has yet to pitch in that game, this pitcher may not throw more than 30 pitches.

5.2.14.17 The total number of pitches thrown by an ambidextrous pitcher are counted for the purpose of calculating pitch count, regardless of which arm or combination there- of is throwing.

5.2.14.18 Once a player pitches in a game, he or she cannot catch for the remainder of the day.

5.2.15. Pitch Tracking

It is the responsibility of the OFFICIAL SCORER to track the pitches/ innings pitched for all those participating. All information regarding this shall be recorded and made available to any team requesting the information. If there is any discrepancy between a team's total and that of the official scorer, the OFFICIAL SCORER'S information will take precedence and is NOT subject to appeal. In the absence of an official scorer, the tournament chairman shall record the pitches/innings pitched by all pitchers and provide this information as requested.

5.2.16. Pitch Count & Suspended Games

When a game is stopped by inclement weather or for any reason other than a mercy rule, that specific game has to be resumed at the point of stoppage. If Pitcher "A" is the starting pitcher of a game and has a pitch count below the first threshold, Pitcher "A" can then be used as a pitcher again for that particular game but considering he will be carrying the number of pitches thrown when the game stopped. This applies for a game that is resumed on the same day or on the next day.

Example: if Pitcher "A" threw 30 pitches at 15U Nationals, he will then be allowed to throw a maximum of 65 pitches when the game resumes. If Pitcher "A" had thrown 36 pitches

when the rain started, he would not be eligible to pitch if that game is re-scheduled for the next day as he needs his full day of rest. If the game is resumed during the same day, he can then come back as pitcher while carrying his pitches.

5.2.17. Pitch Count Violations

5.3.11. Tie Breaking Procedures

5.3.11.1 This rule does not come into effect for a tie in a 6 team format until noted to do so.

5.3.11.2 When two teams are tied, the record of the two teams against each other will determine the position of finish. The team, which won between the two teams, finishes higher in the standings.

5.3.11.3 Where two or more teams are still tied, calculating to two decimal places the team, which has given up the fewest defensive runs per defensive inning played, will break the tie. Under this formula, the team haven given up the fewest runs per defensive inning finishes higher in the standings, the team having given up the second fewest runs per defensive innings next, and so on.

5.3.11.4 When two or more teams are still tied, calculating to two decimal places the team, which has scored the greatest number of offensive runs per offensive inning played, will break the tie. The team scoring the greatest number of runs per offensive inning finishes higher in the standings, the team having scored the second highest runs per offensive innings next, and so on.

5.3.11.5 In the very unlikely event that two or more teams are still tied, the tie shall be broken by one or more coin tosses conducted by the host.

5.3.11.6 Where there are no innings played, all scores of forfeited games shall be excluded from the tie breaking process.

5.3.11.7 Throughout the tie breaking procedure, only those games involving the teams tied shall be considered. In a four-team tournament, for example, whereby Teams A, B and C are tied with each other, those games only shall be considered for the purpose of the tie breaking procedure. Any game involving Team D, no matter who their opponent was, shall not be considered for the tie breaking procedure.

5.3.11.8 For the purpose of calculating innings, each out counts as one third of an inning so that if, for example, the game ends with one out in the sixth inning then the team will have played five and one third innings for the purpose of any such calculation pursuant to this rule.

5.3.11.9 Runs scored in extra innings during the round robin do not count towards tie breaking calculations. Only runs scored during regular play shall count towards tie breaking calculations.

5.3.11.10 In mercy rule situations, the winning team shall get credit for a complete game when calculating tie breakers (7 defensive innings; 6 innings for 11U). The losing team shall only get credit for innings played.

5.4.3.4 Insufficient Players - Coaches are responsible for ensuring that enough players are available for a game. 18U AA and down teams are permitted to compete with 8 players in the line-up.

5.4.3.7 Rescheduled games must be played prior to completion of scheduled league play. In cases where the game cannot be rescheduled due teams avoiding rescheduling or not working to reschedule games.

5.4.3.8 The Bluenose League Coordinator must be copied on all emails regarding the attempted rescheduling of games. This is done to ensure all parties involved are making a valid effort have the games rescheduled.

5.4.3.9 Upon further investigation, if it is determined that one of the parties involved made no effort to reschedule the canceled game or purposely avoided travel, then the offending team will be removed from the league and fined \$500. The offending team will also be removed from provincial play downs (should they be registered or planning to register) until the fine is paid. It is of extreme importance that the Bluenose League Coordinator be copied on all attempts at rescheduling games.

5.4.3.10 BNS acknowledges there could be individual situations where rescheduling may not be possible due to time restraints and pre-existing commitments. This will be reviewed on a case-by-case basis.

5.4.3.11 Player Pickups - Teams may pick up players from any of their association's teams playing at a lower level or lower division, provided they are registered members of BNS. This is intended for individual games where a team cannot field 9 players.

Note: A player added to a league game roster, whether from a house league team or from a lower-level rep team, does not affect rosters for BNS Provincial play downs.

5.4.3.11.1 Teams can pick up from a higher classified team (at a lower age division) within their association only if all other options have been exhausted. (Example: a 15U AA team may only pick up from a 13U AAA team if there were no available 15U A, 15U Recreational, or 13U AA players available).

5.4.3.11.2 Teams can only pick up from one classification higher. (Example: 15U A teams can pick-up from 13U AA, but not 13U AAA).

5.4.3.11.3 Pick-ups from a high classified team can only be done for scheduled double headers.

5.4.3.11.4 Pick-ups from a higher classified team are not eligible to pitch.

5.4.3.11.5 Pick-ups from a higher classified team must be communicated to the Bluenose League Coordinator. Regular pick ups do not need to be communicated.

5.4.3.11.6 Pick-ups from older age divisions are not permitted.

The home plate umpire shall have any obvious errors corrected, confirm that the original and copies of each batting order are identical, initial all copies and give a copy of each batting order to the opposing coach. It is mandatory for all players, including substitutes, to be listed on the batting order presented to the home plate umpire.

5.4.3.13 For Bluenose League games for 18U "AA" and lower divisions, all players must bat in the batting order.

5.4.3.14 Forfeit Games 18U AA and below - Teams must have a minimum of eight registered players ready for the start of the scheduled game.

5.4.3.14.1 If eight (8) registered players are not present by the scheduled starting time the team will have 15 minutes to put eight (8) registered players on the field. At no time can unregistered players be used.

5.4.3.14.2 Teams forfeiting two games on the field will have their status reviewed by the BC. If a third game is forfeited on the field, then the team will be removed from the league.

If the visiting team is responsible for the forfeiture, they will be responsible for payment of any umpire fees required to be paid. (The home team shall pay the umpires and be reimbursed by the visiting team).

5.4.3.15 Umpires - Umpires shall be scheduled by an assignor and shall be registered BNSUD umpires. Two umpires are required for regular season games.

5.4.3.15.1 In cases where the umpire(s) do not show up, both teams will attempt to find suitable replacements and agree to placement on the field.

5.4.3.15.2 The umpires shall be in full authority of the game once commenced.

5.4.3.16 Scores - The Home team is responsible for submitting the game results online within 24 hours of the game being played. Instructions for entering game results are available on the BNS website. It is imperative that the scores be submitted to BNS. While it is the home team's responsibility to submit the score either team can submit the game score.

5.4.3.17 Standings shall be calculated using win % (wins + ties/2) / (Games Played). Only games played against teams within the same division shall count in the standings.

5.4.3.17.1 Only one team needs to report the score online, if there are issues with that reported score the other team should contact the BC immediately.

5.4.3.17.2 If a game ends in a tie it will be considered half a win for both teams for the purpose of standing calculations.

5.4.3.18 Pitch Counts - Both teams are responsible for keeping track of pitch counts for both teams. These are to be entered when submitting scores.

5.4.3.19 Complaints - Any concerns regarding the conduct of umpires, opposing players, coaches, or fans must be brought to the attention of the Bluenose League Coordinator ASAP in the form of an email. These concerns will be documented and reviewed by the Bluenose League Coordinator. Upon further investigation; action may or may not be taken.

5.4.4. Rules

5.4.4.1 Unless otherwise specified in the following clauses, all rules of Baseball Canada Rule Book and/or the BNS Handbook shall apply. If there is any conflict between these rules, the BNS Handbook has priority.

5.4.4.2 A game consists of 7 innings (6 innings for 11U). If the score is tied after 7 innings (or 6 innings for 11U), there shall be one extra inning of play if time permits. The score will stay tied if there is no clear winner after one extra inning of play.

5.4.4.3 Extra Inning

If the game is tied at the completion of regulation (7 innings – 6 for 11U), the following procedures will be implemented during the extra inning:

5.4.4.3.1 Each team will begin the extra inning (and any subsequent necessary extra innings) with a player on first and second, no out. (See example below to confirm who is on first and second).

5.4.4.3.2 The batting order of the extra inning or any subsequent innings will be determined by how the previous inning ended. (See example below to confirm who is at bat).

5.4.4.3.3 The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

Example: If the last regulation innings with the #6 hitter having the last plate appearance (PA), then the extra inning begins with the #7 hitter at bat, and the #5 hitter at second base and the #6 hitter at first base. With the exception of beginning the inning with runners on first and second base with no one out, all other “official baseball rules” and “Canadian Rules” will remain in effect during extra innings required to determine a winner.

5.4.4.4 Run Limits

5.4.4.4.1 11U A, AA & AAA – Teams cannot score more than 5 runs in an inning with the exception of the last inning being an open inning.

5.4.4.5.7 Time restrictions and run limits are applicable to Bluenose League play only.

5.4.4.6 All categories, AA and below – If the catcher is on base and there are two outs in the inning, the last offensive player declared out may replace the catcher on base.

5.4.4.7 Catchers will be limited to one (1) visit with the pitcher per inning. A visit is defined as an interaction that involves the catcher leaving their position to visit the pitcher. 5.4.4.8 All divisions - females are eligible to play one year over age in each age division.

5.4.4.9 Should a game be suspended because of weather or other unforeseen circumstance prior to four (4) complete innings, the game must be rescheduled to start from the beginning.

5.4.5.5 A runner on 3rd base cannot score on a pass ball or wild pitch. A runner on 3rd base cannot advance home as a result of any interaction between the pitcher and the catcher. In all cases where the pitcher pitches the ball to the catcher and there is a pass ball or the catcher throws the ball back to the pitcher, regardless of the results of that throw, no advancement shall be permitted from 3rd.

5.4.5.6 In the event there are runners on first and third base and the runner from first attempts to steal second base, the runner from third IS NOT permitted to attempt to steal home.

5.4.5.7 There will be no walks granted during play . If a batter reaches four balls, a tee will be set up on, or in front of home plate, and the batter will have the opportunity to put the ball in play. The batter will carry the count over to the tee, which will determine the number of attempts permitted to hit the ball in fair territory. (Example: if the batter reaches Ball 4 with 1 strike already called, the batter gets 2 (two) attempts to put the ball in play) A missed swing, foul ball, or contact with the tee will result in an attempt/strike. Foul balls count as attempts, but a batter cannot be called out on a third attempt foul ball (as with two strikes in a normal scenario). Should the batter run out of attempts, they will be called out.

5.4.5.7 Baserunners will not be permitted to steal bases when the tee is in play

6.3.1.3 All penalties are considered per season except for those otherwise stated.

6.3.1.4 Any suspension issued and not served in the playing year will be held over until the following season. It is the responsibility of the team's coach to make sure all suspensions are enforced. A record of all games played after the suspension is announced must be made available to BNS on request.

6.3.1.5 BNS reserves the right to indefinitely suspend members should the incident or infraction in question be deemed to be of a serious nature or directly violate Safe Sport principles. Such suspensions shall remain indefinite until a final sanction be determined. Indefinite suspensions shall remain in place during the Appeals process.

6.3.1.6 Sanctions shall include all activities on the field during the game, including warm-up, or other team activities. Presence on the bench before, during, and after the game is not permitted. There are no restrictions on being in the area surrounding the facility, like the stands (unless otherwise stated in the suspension notice).

6.3.1.7 Infractions that occur off the field of play (pre or post game and at the facility) may be subject to further discipline upon investigation. Including, but limited to, abuse of an umpire in the parking lot or change area.

0 to 20km - \$0.00

21km to 35km - \$10.00 flat rate*

36+km - \$0.35/km

**Need to cross a BNS regional border*

When assigning umpires all efforts will be made to limit travel expenses, however this will not be possible in all cases. Umpires and assignors must work together to come up with carpool opportunities. If umpires are brought in from different areas, carpooling may not be possible and travel is to be paid accordingly (per above grid).

Hotels

Travel must exceed 300km round trip and the umpire must be assigned on two consecutive days or all three days of a tournament. Hotels will not be provided for umpires working only the 1st day of an event and the last day of the event with no games scheduled on the 2nd day of the event. Hotels must be arranged for with the tournament host.

Per Diems

To be eligible for a per diem, the umpire must first be eligible for a travel fee. Once eligible, the umpire would be paid based on the "meal" times missed - Breakfast, Lunch and Dinner. To be eligible for the full day per diem, the umpire must umpire multiple games in a day over multiple mealtimes and/ or being staying in a hotel. Per diems may be based on game and travel times. Per diems are not to be paid for single game assignments.

Breakfast - \$10.00

Lunch - \$12.00

Dinner - \$15.00

Full Day - \$37.00

Assigning Fees

Assigning fees are to be built into the cost of a tournament and the assignor will be designated by BNSUD. The expectation is that the assignor follows the guidelines set out by BNSUD and is available for the length of the tournament to handle rescheduling situations.
