This can not be protested following the completion of a game. Note: The only teams eligible to compete for the Senior title are those in the Nova Scotia Senior Baseball League.

2.2 BNS member teams must register by the Provincial Championship registration deadline outlined in the current year's Calendar of Events and submit a \$400 registration fee. Failure to do so may result in being declined entry to the current year's championship.

2.3 At the 1st Classification Meeting (to be held prior to the end of June), the BNS Board of Directors and Executive will review the recommendations of the Competition Committee for Classification. Initial team placement will be announced within ten (10) days of the 1st Classification Meeting.

2.4 Classifications will be determined by reviewing Bluenose League, exhibition, association tournament, and other available results.

2.5 Teams that do not register in the Bluenose League (by the May deadlines) but register for the second half of the Bluenose League and Provincial Championships will be scheduled for a minimum of three (3) games in the league during the month of July. Failure to play scheduled games by the 2nd Classification meeting will result in removal from the Provincial Championships.

2.6 Should more than eight (8) teams be registered in a AA or AAA division, a Qualification Tournament will be held on the weekend outlined in the current year's Calendar of Events.

2.6.1 Where more than eight (8) teams are classified in AA division a qualification tournament will take place as per section 1.4. The format will be determined based on number of teams participating and be used to create AA Tier 1 and AA Tier 2.

2.6.2 Where more than eight (8) teams are classified in AAA division a qualification tournament will take place as per section 1.4. The format will be determined based on number of teams participating and be used to create AAA Tier 1 and AAA Tier 2.

2.6.3 For 18U AAA the National Elimination Tournament will replace the qualification tournament should a qualification be required.

2.6.4 Where a qualification tournament is necessary at the 11U, 13U & 15U AAA divisions, only the winner of the Tier 1 division will advance to the Atlantic Championships.

2.6.5 An Atlantic Qualification tournament will be played for divisions where the Atlantic event is being held in Newfoundland. Should there be more than eight (8) teams registered at that division, the Atlantic Qualifier will double as the Provincial Qualification tournament to determine tiering for Provincials. Tournament format will be determined based on number of teams registered.

2.7 The 2nd Classification Meeting is to be held following AA/AAA Qualification Tournaments before the end of July. Following this meeting, final AAA and AA divisions and final A Division Tiers will be released. All teams advance to Provincials.

2.8 Should tiering be required at the A division, the BNS Competition Committee will determine Tiers based on available information to create competitively balanced divisions. Number of Tiers per category will vary.

2.8.1 Should an A division have eight (8) teams or less, no Tiering will be necessary. All teams will advance to a single Provincial Championship tournament.

2.9 The Executive of BNS reserves the right to reclassify any team up to and during the 2nd Classification Meeting.

2.10 Once the Provincial Championship registration deadline has passed, teams can withdraw from the tournament up to the date of final tiers being released (as defined in the Calendar of events) with no penalty, but will not be refunded their entry fee (\$400). The appealing team must do so in writing within 48 hours of notification (posted online) and post a \$500 bond. The appeal must be submitted to the Regional Director and include rationale for the appeal, along with supporting evidence (game results, tournament results, etc.).

8. Forfeiting

8.1 A game will not start until each team has a minimum of nine players and one certified coach on the bench. If a team fails to meet this requirement, they will have 20 minutes from the scheduled start time to meet the requirement.

8.2 Should both teams not be able to field nine players and one certified coach within 20 minutes of the scheduled start time, then such game will be declared a double forfeit and result in a loss to each team.

8.4.2 If at the time of ejection, the non-forfeiting team has scored more than 7 runs, they will get credit for that amount of runs, and the forfeiting team will be charged with those runs. (i.e – score of 12-3 at the time of ejection. Score will be recorded as 12-0)

8.5 Should there be a scenario where a game begins but does not finish because of a forfeit, i.e. a team no longer being able to field 9 players or a certified coach, any pitches thrown will count towards a pitcher's pitch count.

9. Tournament Schedules

9.2 In the 7-team format, 3 games in a day may be required to determine 6th and 7th place teams.

9.3 Four games in a day will not be permitted, with the exception of completion of a suspended game.

9.4 The scheduled starting time shall be the official starting time until such a time as the host (after communicating with BNS) informs both teams that the starting time has been changed because of games running late, weather delays or other unforeseen circumstances. The new designated starting time shall become the new official starting time.

9.5 Should a game be called due to weather, daylight, or any other unforeseen circumstance; the game must recommence at the exact point the game was declared in a delay. New schedules will be communicated from BNS via the Tournament Chair.

9.7 No game shall be scheduled to begin after 5:30 PM on an unlit field.

9.8 When time permits, both teams shall be allowed 10 minutes in which to conduct an infield/outfield. If a team misses their allotted time the team will lose its right for an infield/outfield for that game. It is at the discretion of the Chairperson as to whether there's enough time for an infield/outfield in a team's second or third game of the day.

9.9 The host will be responsible for ensuring the following pre-game practice times are adhered to by teams:

- 25 minutes prior to the scheduled start time, the home team will have the field for 10 minutes to conduct their infield/outfield.
- 15 minutes prior to the scheduled start time, the visiting team will have the field for 10 minutes to conduct their infield/outfield.
- 5 minutes prior to the scheduled start time the coaches and captains will meet with the umpires.

9.10 Except as otherwise mentioned in this document, a coin toss prior to the game will be used to determine the home team for each game in the round robin.

9.11 A coin toss shall be used to determine home team for any tie breaker games that might be required.

9.12 In elimination games, if a team has a better win/loss record, that team shall have the choice of home or away.

9.13 In the championship game(s), the team finishing higher in the round robin shall be the home team.

Once schedules are finalized with the host and officially posted, BNS will not entertain requests for alterations.

11. Tie Breaking Procedures

11.1 The record of the tied teams against each other will determine the position of finish. The team with the best record in games between the tied teams will finish higher in the standings. This cannot be applied in situations where three or more teams are tied and have not played each other.

11.2 If the tie cannot be broken using head-to-head results, calculating to two decimal places the team, which has given up the fewest defensive runs per defensive inning played, will break the tie. Under this formula, the team haven given up the fewest runs per defensive inning finishes higher in the standings, the team having given up the second fewest runs per defensive innings next, and so on.

11.3 When two or more teams are still tied, calculating to two decimal places the team, which has scored the greatest number of offensive runs per offensive inning played, will break the tie. The team scoring the greatest number of runs per offensive inning finishes higher in the standings, the team having scored the second highest runs per offensive innings next, and so on. **Teams eliminated in 11.2 will not be considered in calculations.**

11.4 In the very unlikely event that two or more teams are still tied, the tie shall be broken by one or more coin tosses conducted by the host.

11.5 Throughout the tie breaking procedure, only those games involving the teams tied shall be considered. E.g., in a four-team tournament, whereby Teams A, B and C are tied with each other, those games only shall be considered for the purpose of the tie breaking procedure. Any game involving Team D, no matter who their opponent was, shall not be considered for the tie breaking procedure. If the tied teams have not all played each other, all games played are considered in the calculations.

11.6 For the purpose of calculating innings, each out counts as one third of an inning so that if, for example, the game ends with one out in the sixth inning then the team will have played five and one third innings for the purpose of any such calculation pursuant to this rule.

11.7 Runs scored in extra innings during the round robin do not count towards tie breaking calculations. Only runs scored during regular play shall count towards tie breaking calculations.

11.8 In mercy rule situations, the winning team shall get credit for a complete game when calculating tie breakers (7 defensive innings; 6 innings for 11U). The losing team shall only get credit for innings played.

12. Intermediate Provincial Championships

12.1 In years with 8 teams or less registered, all teams will advance to Intermediate AAA Provincial Championships.

Appendix A: Hosting Stipend Grid and Umpire Assigning Fees
