Athlete Protection Policy

Purpose

1. This *Athlete Protection Policy* describes how Persons in Authority shall maintain a safe sport environment for all Athletes.

Interactions between Persons in Authority and Athletes – the ‘Rule of Two’

2. Baseball Nova Scotia (“BNS”) requires that the ‘Rule of Two’ be followed for all Persons in Authority who interact with Athletes, to the maximum extent feasible. The ‘Rule of Two’ is a directive that says that an Athlete must never be alone one-on-one with an unrelated Person in Authority.
3. BNS recognizes that fully implementing the ‘Rule of Two’ may not always be possible in some instances. Consequently, at a minimum, interactions between Persons in Authority and Athletes must respect the following:
 - a) To the maximum extent possible, the training environment should be visible and accessible so that all interactions between Persons in Authority and Athletes are observable.
 - b) Private and one-on-one situations that are not observable by another adult or Athlete should be avoided to the maximum extent possible.
 - c) A Vulnerable Organizational Participant may not be alone under the supervision of a Person in Authority unless prior written permission is obtained from the Vulnerable Organizational Participant’s parent or guardian.
 - d) Persons in Authority may not invite or host Vulnerable Organizational Participants in their home without the written permission from parents or guardians or without parents or guardians having contemporaneous knowledge of the visit.

Competitions, Training Sessions, and Practices

4. For competitions, training sessions and practices, BNS recommends:
 - a) A Person in Authority should never be alone with a Vulnerable Organizational Participant prior to or following a competition or training

session unless the Person in Authority is the Vulnerable Organizational Participant's parent or guardian.

- b) If the Vulnerable Organizational Participant is the first Athlete to arrive, the Athlete's parent should remain until another Athlete or Person in Authority arrives.
- c) If a Vulnerable Organizational Participant would potentially be alone with a Person in Authority following a competition or training session, the Person in Authority should ask another Person in Authority (or a parent or guardian of another Athlete) to stay until all the Athletes have been picked up. If an adult is unavailable, another Athlete, who is preferably not a Vulnerable Organizational Participant, should be present to avoid the Person in Authority being alone with a Vulnerable Organizational Participant.
- d) Persons in Authority giving instructions, demonstrating skills, or facilitating drills or lessons to an individual Athlete should always do so within earshot and eyesight of another Person in Authority.
- e) Persons in Authority and Athletes should take steps to achieve transparency and accountability in their interactions. For example, a Person in Authority and an Athlete who know they will be away from other Organizational Participants for a lengthy period must inform another Person in Authority where they are going and when they are expected to return. Persons in Authority should always be reachable by phone or text message.

Communications

- 5. For communication between Persons in Authority and Athletes, BNS recommends:
 - a) Persons in Authority may only send texts, direct messages on social media or emails to individual Athletes when necessary and only for communicating information related to team issues and activities (e.g., non-personal information). Any such texts, messages or emails shall be professional in tone.

- b) Electronic communication between Persons in Authority and Athletes that is personal in nature should be avoided. If such personal communication is unavoidable, it must be recorded and available for review by another Person in Authority and/or by the Athlete's parent/guardian (when the Athlete is a Vulnerable Organizational Participant).
- c) Parents/guardians may request that their child not be contacted by a Person in Authority using any form of electronic communication and/or may request that certain information about their child not be distributed in any form of electronic communication.
- d) All communication between a Person in Authority and Athletes must be between the hours of 6:00am and midnight, unless extenuating circumstances justify otherwise.
- e) Communication concerning drugs or alcohol use (unless regarding its prohibition) is not permitted.
- f) No sexually explicit language or imagery or sexually oriented conversation may be communicated in any medium.
- g) Persons in Authority are not permitted to ask Athletes to keep a personal secret for them.

Travel

- 6. For travel involving Persons in Authority and Athletes, BNS recommends:
 - a) Teams or groups of Athlete shall always have at least two Persons in Authority with them.
 - b) For mixed gender teams or groups of Athletes, there should be one Person in Authority from each gender.
 - c) If two Persons in Authority cannot be present, reasonable efforts should be made to supplement supervision with screened parents or other volunteers.

- d) To the maximum extent possible, no Person in Authority may drive a vehicle alone with an Athlete unless the Person in Authority is the Athlete's parent or guardian.
- e) A Person in Authority may not share a hotel room or be alone with an Athlete unless the Person in Authority is the Athlete's parent/guardian or spouse.
- f) Room or bed checks during overnight stays must be done by two Persons in Authority.
- g) For overnight travel when Athletes must share a hotel room, roommates must be age-appropriate and of the same gender identity.

Locker Rooms/Changing Areas

- 7. For locker rooms, changing areas and other closed meeting spaces, BNS recommends:
 - a) Interactions between Persons in Authority and Athletes should not occur in any area where there is a reasonable expectation of privacy such as a locker room, washroom or changing area. A second adult should be present for any necessary interaction between an adult and an Athlete in any such area.
 - b) If Persons in Authority are not present in the locker room or changing area, or if they are not permitted to be present, they should still be available outside the locker room or changing area and be able to enter the room or area if required, for reasons including but not limited to team communications and/or emergencies.

Photography/Video

- 8. For all photography and video of an Athlete, BNS recommends:
 - a) Photographs and video should only be taken in public view. Content must observe generally accepted standards of decency and be both appropriate for and in the best interest of the Athlete.
 - b) The use of recording devices in areas where there is a reasonable expectation of privacy is strictly prohibited.

- c) Examples of photos that shall be edited or deleted include:
 - i. images with misplaced apparel or where undergarments are showing;
 - ii. suggestive or provocative poses; and
 - iii. embarrassing images.
- d) If any content featuring an Athlete will be used on any form of public media, a Photo and Video Consent Form (**Appendix A**) must be completed before the content is recorded.

Physical Contact

- 9. Some physical contact between Persons in Authority and Athletes may be necessary for various reasons including, but not limited to, teaching a skill, or tending to an injury. For physical contact, BNS recommends:
 - a) A Person in Authority must always request permission to make physical contact from the Athlete in advance and clearly explain where and why the physical contact will occur. The Person in Authority must make clear that they are requesting to touch the Athlete and not requiring physical contact.
 - b) Infrequent, incidental physical contact during a training session is not considered a violation of policy.
 - c) Non-essential physical contact may not be initiated by the Person of Authority. It is recognized that some Athletes may initiate non-essential physical contact such as hugging or other physical contact with a Person in Authority for various reasons (e.g., such as celebrating or crying after a poor performance). This physical contact should always occur in an open and observable environment.

Enforcement

- 10. Any alleged violations of this *Athlete Protection Policy* shall be addressed pursuant to the *Discipline and Complaints Policy*.

Discipline and Complaints Policy

PURPOSE

1. Organizational Participants are expected to fulfill certain responsibilities and obligations including, but not limited to, complying with all policies, by-laws, rules, and regulations of Baseball Nova Scotia (“BNS”), as updated and amended from time to time.
2. Non-compliance with any of BNS’s policies, by-laws, rules, or regulations, or those of its members, as applicable, may result in the imposition of sanctions pursuant to this policy and/or the by-laws of BNS or, as applicable, those of its members.
3. Subject to the Jurisdiction Policy, this Policy provides the process by which an Organizational Participant (the **Complainant**) may make a report of an incident, or a suspected incident, of BNS’s policies, by-laws, rules or regulations, and the individual accused of such incident or suspected incident (the **Respondent**) may respond and potentially be subject to sanctions.

APPLICATION

Application – General

4. Subject to the Jurisdiction Policy, this policy applies to all Organizational Participants with respect to any alleged breaches of BNS’s policies, by-laws, rules or regulations, or any of those of its members, which designate this policy as applicable to address such alleged breaches.

Timeliness of Complaint

5. A Complainant has an obligation to make complaints under this policy in a timely manner. Generally, complaints must be made within 30 calendar days of the alleged act or acts in question. In the event of a series of actions which form the subject matter of a complaint, the complaint must be made within 30 days of the last of the acts in the series. In the event a complaint is made outside the 30-day time limit, the decision-maker having authority to hear the complaint may permit the complaint to proceed, notwithstanding the time limit’s expiry, if it is determined that one or more of the following circumstances exist:

- a. allegations of a sexual nature;
- b. situations where the Complainant was coerced, threatened or otherwise influenced or counselled against making a complaint by or on behalf of the Respondent;
- c. if the Complainant was a minor at the time of the actions in question;
- d. if the Complainant is a person with a disability;
- e. if for a legitimate reason, the Complainant was unable or unwilling to make the complaint within the 30-day time limit; or
- f. any other compelling reason, which in the sole discretion of the applicable decision-maker, excuses the Complainant from meeting the 30-day deadline.

MINORS

- 6. Complaints may be brought by or against Baseball Nova Scotia by an Organizational Participant who is a Minor. Minors must have a parent/guardian or other adult serve as their representative during this process.
- 7. Communication from the Independent Third Party, Internal Discipline Chair or Independent Discipline Panel (as applicable) must be directed to the Minor's representative.
- 8. If the Minor's representative is not their parent/guardian, the representative must have written permission to act in such a capacity from the Minor's parent/guardian.
- 9. A Minor is not required to attend or participate in an oral hearing, if held, or participate in an investigation if conducted. In such circumstances, no adverse inference can be drawn against the Minor.

COMPLAINT PROCESS

- 10. Baseball Nova Scotia will appoint a director, head coach, staff member, or other individual affiliated with Baseball Nova Scotia to act as the **Case Manager** (the "CM").
- 11. The CM must agree not be in a conflict of interest or have a direct relationship with any of the parties to a complaint and, in the event the CM is ineligible to

act due to such a conflict or direct relationship, the Board of BNS shall appoint an alternate CM.

12. Upon receipt of a complaint, the CM will:

- a) determine whether the complaint falls within the jurisdiction of this policy pursuant to the Jurisdiction Policy;
- b) determine if there is another appropriate jurisdiction to manage the complaint by considering the following:
 - i. whether the incident occurred within the business, activities, or Events of BNS, the NSO or one of its members or affiliated organizations; and
 - ii. if the NSO member or affiliated organization is the appropriate body to manage the complaint process².
- c) determine whether the complaint is frivolous, vexatious or if it has been made in bad faith;
- d) determine whether the complaint has been made in a timely manner
- e) make any necessary contact with relevant parties to the complaint, representatives of (Baseball Nova Scotia) that it deems necessary and make such inquiries as may be required to obtain further clarity on details of the complaint and the relevant parties to the complaint;
- f) determine if the alleged incident should be investigated pursuant to **Appendix A – Investigation Procedure**; and

² In making this assessment, the CM may determine that the member or affiliated organization lacks the capacity to manage the complaint (which may include financial and human resource capacity), that the member or affiliated organization is not the appropriate instance to manage the complaint due to its seriousness (for example, clubs will not be expected to manage serious complaints due to the complexity of conducting such a process), or that a real or perceived conflict of interest exists within the member or affiliated organization.

If the CM determines that the Complaint or report should be handled by a member, PSO or affiliated organization, that organization may use its own policies to address the complaint or may adopt this Policy and appoint its own CM to fulfil the responsibilities listed herein. Where this Policy is adopted by a member, PSO or affiliated organization, any reference to Independent Third Party below shall be understood as a reference to the CM of the PSO or affiliated organization.

- g) choose which process (Process #1, Process #2, or Process # 3, as outlined below) should be followed to hear and adjudicate the matter.

Participation in Complaint Process

13. If a Party chooses not to participate in the hearing, the CM will make multiple efforts to contact them and give them a stern warning that failure to respond may result in a sanction being made against them without their participation. If this occurs and a Party continues to not participate, the hearing will proceed without further notice or opportunity to participate or provide submissions for the Party refusing to participate.

AVAILABLE PROCESSES

14. There are three different processes that may be used to hear and adjudicate complaints. The CM decides which process will be followed at their discretion, and such decision is not appealable.

Process #1

15. Process 1 is to be selected by the CM if:
- A.** the complaint contains allegations involving the following non-exhaustive list behaviours:
- i. Disrespectful conduct or comments
 - ii. Minor acts of physical violence, unless the physical violence is between a Person in Authority and a Vulnerable Participant, in which case the matter will be addressed under Process #2
 - iii. Conduct contrary to the values of BNS or those of one of its members or affiliated members
 - iv. Non-compliance with the policies, procedures, rules, or regulations of BNS or those of one of its members or affiliated members.
 - v. Minor violations of the policies or bylaws of BNS or those of one of its members or affiliated members.

AND

- B.** If all the allegations contained in the complaint were assumed to be true, the sanction would not involve any period of ineligibility for the respondent. In determining this question, the CM may consider the following non-exhaustive list of factors, which would tend to make Process #1 appropriate:
- i. There does not appear to be a serious risk of continued harm to the Complainant and/or other Organizational Participants;
 - ii. There is not a need for an interim sanction;
 - iii. The material facts related to the complaint are not significantly in dispute between the Complainant and the Respondent;
 - iv. The issues relevant to the complaint can be easily identified and a decision can be made without the need for multiple witnesses beyond the Complainant and the Respondent; and/or
 - v. Education, a warning or an apology is the likely outcome of the complaint if the facts alleged by the Complainant are assumed to be true.

Process #2

16. Process 2 is to be selected by the CM if:

- A.** the complaint contains allegations involving the following non-exhaustive list behaviours:
- i. Disrespectful conduct or comments
 - ii. Minor acts of physical violence between a Person in Authority and a Vulnerable Participant
 - iii. Conduct contrary to the values of [ORGANIZATION ACRONYM] or those of one of its members or affiliated organizations

- iv. Non-compliance with the policies, procedures, rules, or regulations of BNS or those of one of its members or affiliated organizations.
- v. Minor violations of the policies or bylaws of BNS or those of one of its members or affiliated organizations.
- vi. repeated incidents described in Process #1;
- vii. hazing;
- viii. abusive, racist, or sexist comments, conduct or behaviour;
- ix. incidents that constitute Prohibited Behaviour under the Code of Conduct and Ethics (the “Code”) or the UCCMS;
- x. major incidents of violence (e.g., fighting, attacking);
- xi. pranks, jokes, or other activities that endanger the safety of others;
- xii. conduct that intentionally interferes with a competition or with any Athlete’s preparation for a competition;
- xiii. conduct that intentionally damages the image, credibility, or reputation of BNS or that of one of its members or affiliated organizations;
- xiv. consistent disregard for the by-laws, policies, rules, or regulations of BNS or those of one of its members or affiliated organizations;
- xv. major or repeated violations of the Code or any other policies, by-laws, rules or regulations that designate this Discipline and Complaints Policy as applicable to address such alleged breaches;
- xvi. intentionally damaging the property of BNS, one of its members or affiliated organizations, or improperly handling any of the aforementioned Organizations’ monies;

- xvii. abusive use of alcohol, any use or possession of alcohol by Minors, or use or possession of illicit drugs and narcotics; or
- xviii. a conviction for any *Criminal Code* offense.

AND

B. If all the allegations contained in the complaint were assumed to be true, the sanction could include a period of ineligibility for the Respondent. In determining this question, the CM may consider the following non-exhaustive list of factors, which would tend to make Process #2 appropriate over Process #1:

- i. There could be a risk of continued harm to the Complainant and/or other Organizational Participants;
- ii. There may be a need for an interim sanction;
- iii. The material facts related to the complaint are in dispute between the Complainant and the Respondent; and/or
- iv. The issues relevant to the complaint cannot be easily identified and it appears there will be a need for multiple witnesses beyond the Complainant and the Respondent.

Process #3

17. Process #3 provides for an independent three-person panel and is reserved for complaints in which the criteria for Process #2, above, are met and there is an additional need for a three-person panel to determine the complaint. It is presumed that for most cases, Process #2 will be the preferable process, however, in certain complaints the factual circumstances and/or parties involved may support the need for a panel to make the decision. The following non-exhaustive list of factors would support the CM's decision to choose Process #3:

- a) There is a significant number of Complainants, Respondents and/or witnesses in the Complaint
- b) The Complaint is factually complex

- c) The Complaint involves allegations of an extremely serious nature
- d) The decision rendered in the Complaint could have a significant impact on the sport in the Province
- e) The Complainant(s) and/or Respondent(s) are high-profile individuals within the sport or the PSO
- f) The subject-matter of the Complaint has been reported on and/or is being followed by the media
- g) The Complaint raises questions which would be best addressed by a panel with a variety of perspectives and/or life experiences

PROVISIONAL MEASURES

18. If it is considered appropriate or necessary on the basis of the circumstances, the Board of Directors of Baseball Nova Scotia or their designate may impose such interim measures against an Organizational Participant as it deems appropriate, which include but are not limited to barring them temporarily from participating in Events or activities of Baseball Nova Scotia and its members, or as otherwise decided pursuant to the Discipline and Complaint Policy, prior to completion of an investigation, assessment and/investigation, criminal process, the hearing or the decision rendered in a hearing conducted pursuant to this policy, after which further discipline or sanctions may be applied according to this or other applicable policies (**a Provisional Suspension or Interim Measure**).
19. In determining the appropriateness of a provisional measure, consideration will be given to the circumstances as a whole and, in particular, the seriousness and nature of the complaint, the potential for further harm in the period between the time the complaint is made and an ultimate decision is rendered, whether the complaint relates to misconduct of a sexual nature and whether the complainant is in a position of Compromised Security.
20. If an infraction occurs at a competition, it will be dealt with by the procedures specific to the competition, if applicable. Provisional Suspensions or Interim Measures may be imposed for the duration of a competition, training, activity,

or Event only, or as otherwise determined appropriate by the designated party at the competition.³

21. Any Respondent against whom a Provisional Suspension or Interim Measure is imposed may make a request to the Independent Discipline Chair or Independent Discipline Panel (if appointed) to have the Provisional Suspension or Interim Measure lifted. In such circumstances, Baseball Nova Scotia shall be provided with an opportunity to make submissions, orally or in writing, regarding the Respondent's request to have their Provisional Suspension lifted. Provisional Suspensions or Interim Measures shall only be lifted in circumstances where the Respondent establishes that it would be manifestly unfair to maintain the Provisional Suspension or Interim Measures against them.
22. Any decision not to lift a Provisional Suspension or Interim Measure shall not be subject to appeal.

POLICE INVOLVEMENT

23. The disciplinary and complaint procedure will not be operated in any manner which has the potential to interfere with a police investigation. In the course of case administration, investigation, disclosure or hearing of the complaint itself, the CM, Disciplinary Panel Member, investigator or such other party who receives such information may be under an obligation to give information or provide evidence to the relevant police authority in their jurisdiction.

³ In-competition discipline or sanction imposed by the applicable official or authority does not prevent an Organizational Participant from facing additional disciplinary proceedings under the Code.'

Procedural Steps

PROCESS #1:

CM Acts as Discipline Chair.

1. Following a determination that the complaint or incident should be handled under Process #1, the CM will become the adjudicative party to address the issues raised by the complaint in the most efficient and expedient manner possible, having regard to the need to ensure fairness to Complainant and the Respondent(s) and the complexity and nature of the allegations.

2. Under Process #1 the CM will:

a) propose alternative dispute resolution techniques, if appropriate;

b) request written submissions/responses to be provided within 5 business days of the request, together with any relevant evidence in support of factual allegations;

c) consult, as deemed necessary with non-interested members of Baseball Nova Scotia to obtain information related to the parties, the complaint and any eventual sanction or outcome, preserving, to the extent possible the confidentiality of the Complainant and the Respondent; and

d) if, upon review, there are limited disputes of material fact between the Complainant and Respondent, the CM will render a decision based on the written submissions and evidence of the parties; or

e) if, upon review, there are sufficient facts in dispute between the parties' accounts of events, or the circumstances otherwise warrant, hold a brief, oral hearing, to be conducted via video conference link, in which each party is entitled to present evidence for no more than 20 minutes on the subject of the complaint, after which the CM will render a decision.

3. The CM will issue a decision in writing with brief reasons for the decision and provide it to the parties to the complaint under conditions of confidentiality.

4. The decision shall be provided to and maintained in the records of the relevant club, member and Baseball Nova Scotia. Decisions made under Process #1 shall remain confidential and not be published or otherwise disclosed by Baseball Nova Scotia.

Process #2:

Independent Discipline Chair

1. Following the determination that the complaint or incident should be handled under Process #2, the CM will appoint an Independent Discipline Chair, comprised of an individual who certifies that they are free from conflicts of interest and/or a direct relationship with any of the parties (the **IDC**). For the purposes of Process #2, it is permitted for the IDC to be a member of (Baseball Nova Scotia) such as a board member or coach, provided the other criteria of this section and other relevant policies are complied with; and
2. propose alternative dispute resolution techniques, if appropriate.
3. Following the appointment of the IDC, the IDC shall:
 - a) consult, as deemed necessary with non-interested members of Baseball Nova Scotia to obtain information relevant to the parties, the complaint and any eventual sanction or outcome, preserving, to the extent possible the confidentiality of the complainant and the Respondent
 - b) ask the Complainant and the Respondent for either written or oral submissions regarding the complaint or incident. Both Parties shall also have the right to submit to the IDC any relevant evidence, including, but not limited to witness statements, documentary evidence or evidence from other media (i.e., photos, screenshots, videos or other recordings). Each Party shall have the right to receive the other Party's submissions and evidence, including the material allegations from the Complainant's complaint. In the case of oral submissions, each Party shall be present when such submissions are made (unless waived by a Party); and/or
 - c) following receipt of the Parties' submissions, the IDC may convene the Parties to a meeting, either in person or by way of video or teleconference to ask the Parties questions.
4. Following their review of the submissions and evidence related to the complaint, the IDC shall determine if a violation of Baseball Nova Scotia's Policies have occurred and, if so, determine whether to impose a sanction (see: Sanctions). If, after hearing the parties and reviewing their submissions,

the IDC considers that a violation of Baseball Nova Scotia's Policies have not occurred, they shall dismiss the complaint.

5. The Case Manager will inform the Parties of the IDC's decision, which shall be in writing and include reasons. The IDC's decision will take effect immediately, unless specified otherwise by the IDC. Should circumstances require a decision to be rendered immediately or within a short timeline, the IDC may render a short decision, either orally or in writing, followed by a written reasoned decision.
6. Any decision rendered by the IDC will be provided to and maintained in the records of the relevant club, member and Baseball Nova Scotia. **The publication of any decision will be made in accordance with the** Baseball Nova Scotia policies and Appendix B, hereto. Identifying information regarding Minors or Vulnerable Participants will never be published.

PROCESS #3: Handled by Independent Discipline Panel

1. Following the determination that the complaint should be handled under Process #3, the Case Manager will propose the use of alternative dispute resolution methods, if appropriate. In the event such methods are insufficient to resolve the complaint or inappropriate, the Case Manager will appoint a panel of three independent, unbiased individuals to act as an Independent Discipline Panel, with one member being elected from among them to be Chair.
2. The Independent Discipline Panel will:
 - a) Confirm that each of them are free from conflicts of interest and from any direct relationship with the parties, including Baseball Nova Scotia in the event Baseball Nova Scotia is a complainant or respondent.
 - b) consult, as deemed necessary, with non-interested members of Baseball Nova Scotia to obtain information relevant to the parties, the complaint and any eventual sanction or outcome, preserving, to the extent possible the confidentiality of the Complainant and the Respondent
 - c) Establish and adhere to timelines that ensure procedural fairness (both Complainant(s) and Respondent(s) have a fair opportunity to

present, review and respond to evidence relating to the matters complained of) and that the matter is heard in a timely fashion; and

- d) Decide the format under which the complaint will be heard. This decision may not be appealed. The format of the hearing may be an oral in-person hearing, an oral hearing by telephone or other communication medium, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods.
3. The hearing will be governed by the procedures that the Independent Discipline Panel deem appropriate for the circumstances. The following procedural directions will apply:
- a) The determination of procedures and timelines, as well as the hearing duration, shall be as expedient and cost-efficient as possible to ensure that costs to the Parties and Baseball Nova Scotia and/or the member are reasonable.
 - b) The Parties will be given appropriate notice of the day, time, and place of the hearing.
 - c) Copies of any written documents which any of the Parties wishes to have the Independent Discipline Panel consider will be provided to all Parties, through the Case Manager or IDP, in advance of the hearing and in accordance with the timelines set by the Independent Discipline Panel.
 - d) The Parties may engage a representative, advisor, translator, transcription services or legal counsel at their own expense, provided, however, that the intention of the process is that complainants and respondents provide their own evidence and information and this evidence and information, unless necessary, is not to be provided by a third-party.
 - e) The IDP may request that any other individual participate and give evidence at the hearing, including a representative of Baseball Nova Scotia, who, provided they are not a witness to the material events related to the complaint or biased in any way, may be called to give evidence regarding the procedures and practices of Baseball Nova Scotia.

- f) The Independent Discipline Panel shall have discretion with respect to allowing any evidence at the hearing to be filed by the Parties and may exclude any evidence is unduly repetitious or otherwise an abuse of process. The Independent Discipline Panel shall otherwise apply relevant and applicable evidentiary rules in relation to the admissibility and weight given to evidence filed by the parties.
 - g) Nothing is admissible in evidence at a hearing that:
 - i. would be inadmissible in a court by reason of any privilege under the law of evidence (e.g. evidence of good character, hearsay statements [subject to limited exceptions], expert opinion from an unqualified witness, solicitor and client privileged communications, similar fact evidence]; or
 - ii. is inadmissible by any statute (see [Canada Evidence Act](#)).
 - h) The decision will be by a majority vote of the Independent Discipline Panel.
- 4. If the Respondent acknowledges the facts of the incident(s), the Respondent may waive the hearing, in which case the Independent Discipline Panel will determine the appropriate sanction. The Independent Discipline Panel may still hold a hearing for the purpose of determining an appropriate sanction.
 - 5. The process will proceed if a Party chooses not to participate in the hearing.
 - 6. If a decision may affect another Organizational Participant to the extent that the other Organizational Participant would have recourse to a complaint or an appeal in their own right, that an Organizational Participant will be made a Party to the complaint, shall be permitted to participate in the proceedings as determined by the Independent Discipline Panel, and will be bound by the decision.
 - 7. In fulfilling its duties, the Independent Discipline Panel may obtain independent advice.

DECISION

- 8. After hearing the matter, the Independent Discipline Panel will determine whether an infraction has occurred and, if so, the sanctions to be imposed. If

the Independent Discipline Panel considers that an infraction has not occurred, the complaint will be dismissed.

9. Within fourteen (14) days of the conclusion of the hearing, the Independent Discipline Panel's written decision, with reasons, will be distributed to all Parties by the Case Manager, including to Baseball Nova Scotia and the relevant member(s).
10. In extraordinary circumstances, the Independent Discipline Panel may first issue a verbal or summary decision soon after the conclusion of the hearing, with the full written decision to be issued before the end of the fourteen (14) day period.
11. The Independent Discipline Panel's decision will come into effect as of the date that it is rendered, unless decided otherwise by the Independent Discipline Panel. The Independent Discipline Panel's decision will apply automatically to Baseball Nova Scotia and all of its members and associated members, [according to the terms of the *Reciprocity Policy*].
12. Once the appeal deadline in the *Appeal Policy* has expired, Baseball Nova Scotia or the member (as applicable) shall publish on their website the outcome of the case, the provision(s) of the relevant policies that have been violated, the name(s) of the Respondent(s) involved and the sanction(s) imposed, if any, or as otherwise specified by the Publication Guidelines attached as Appendix B. If the matter is appealed, the publication provisions in the *Appeal Policy* shall apply. Identifying information regarding Minors or Vulnerable Participants will never be published.
13. If the Independent Discipline Panel dismisses the complaint, the information referred to in Section 12 above may only be published with the Respondent's consent. If the Respondent does not provide such consent, the information referred to in Section 12 above will be kept confidential by the Parties, the Independent Third Party, Baseball Nova Scotia (including the Respondent's club) and shall be retained and discarded in accordance with the relevant and applicable privacy legislation. Failure to respect this provision may result in disciplinary action being taken against the Party who breaches confidentiality pursuant to this policy.

14. Other individuals or members, including but not limited to, members, provincial/territorial sport Nova Scotia, sport clubs, etc., shall be advised of the outcome of any decisions rendered in accordance with this policy.
15. Records of all decisions will be maintained by Baseball Nova Scotia in accordance with their Privacy Policy.
16. When the Independent Discipline Panel imposes a sanction, the decision shall include, at a minimum, the following details:
 - a) jurisdiction;
 - b) summary of the facts and relevant evidence;
 - c) where applicable, the specific provision(s) of Baseball Nova Scotia's policies, bylaws, rules or regulations that have been breached;
 - d) which Party or organization is responsible for the costs of implementing any sanction;
 - e) which organization is responsible for monitoring that the sanctioned individual respects the terms of the sanction;
 - f) the reinstatement conditions that the Respondent must satisfy (if any);
 - g) which organization is responsible for ensuring that the conditions have been satisfied; and
 - h) any other guidance that will assist the Parties to implement the Independent Discipline Panel's decision.
17. If necessary, a Party – or the organization that is responsible for implementing or monitoring a sanction – may seek clarifications from the Independent Discipline Panel regarding the order so that it can be implemented or monitored appropriately.

SANCTIONS

18. When determining the appropriate sanction, the CM, the IDC or Independent Discipline Panel, as applicable, will consider the following, non-exhaustive list of factors:

- a) the nature and duration of the Respondent's relationship with the Complainant, including whether there is a power imbalance between the parties;
 - b) the Respondent's prior history and any pattern of misconduct, Prohibited Behaviour or Maltreatment;
 - c) the respective ages of the individuals involved;
 - d) whether the Respondent poses an ongoing and/or potential threat to the safety of others;
 - e) the Respondent's voluntary admission of the offense(s), acceptance of responsibility for the misconduct, Prohibited Behaviour or Maltreatment, and/or cooperation in the investigative and/or disciplinary process of Baseball Nova Scotia;
 - f) real or perceived impact of the incident on the Complainant, sport Nova Scotia or the sporting community as seen by a reasonable person;
 - g) circumstances specific to the Respondent being sanctioned (e.g., lack of appropriate knowledge or training regarding the requirements in the *Code*; addiction; disability; illness);
 - h) whether, given the facts and circumstances that have been established, continued participation in the sport community is appropriate;
 - i) a Respondent who is in a position of trust, intimate contact or high-impact decision-making may face more serious sanctions; and/or
 - j) other mitigating or aggravating circumstances.
19. Any sanction imposed must be proportionate and reasonable. However, progressive discipline is not required, and a single incident of Prohibited Behaviour, Maltreatment or other misconduct may justify elevated or combined sanctions.
20. The Internal Discipline Chair or Independent Discipline Panel, as applicable, may apply the following disciplinary sanctions, singularly or in combination:

- a) **Verbal or Written Warning** - a verbal reprimand or an official, written notice that an Organizational Participant(s) has violated the *Code* and that more severe sanctions will result should the Organizational Participant(s) be involved in other violations
 - b) **Education** - the requirement that an Organizational Participant(s) undertake specified educational or similar remedial measures to address the violation(s) of the *Code* or the UCCMS
 - c) **Probation** - Should any further violations of the *Code* or the UCCMS occur during the probationary period, this may result in additional disciplinary measures, including, without limitation, a period of suspension or permanent ineligibility. This sanction can also include loss of privileges or other conditions, restrictions, or requirements for a specified period.
 - d) **Suspension** - either for a set time or until further notice, from participation, in any capacity, in any program, activity, Event, or competition sponsored by, organized by, or under the authority of Baseball Nova Scotia. A suspended Organizational Participant(s) may be eligible to return to participation, but reinstatement may be subject to certain restrictions or contingent upon the Organizational Participant(s) satisfying specific conditions noted at the time of suspension.
 - e) **Eligibility Restrictions** - restrictions or prohibitions from some types of participation but allowing participation in other capacities under strict conditions
 - f) **Permanent Ineligibility** - ineligibility to participate in any capacity in any program, activity, Event, or competition sponsored by, organized by, or under the auspices of Baseball Nova Scotia
 - g) **Other Discretionary Sanctions** - Other sanctions may be imposed, including, but not limited to, other loss of privileges, no contact directives, a fine or a monetary payment to compensate for direct losses, or other restrictions or conditions as deemed necessary or appropriate.
21. The Independent Discipline Panel, may apply the following presumptive sanctions which are presumed to be fair and appropriate for the listed Maltreatment:

- a) Sexual Maltreatment involving a Minor Complainant, or a Complainant who was a Minor at the time of the incidents complained of, shall carry a presumptive sanction of permanent ineligibility.
 - b) Sexual Maltreatment, Physical Maltreatment with contact, and Maltreatment related to interference or manipulation of process shall carry a presumptive sanction of either a period of suspension or eligibility restrictions.
 - c) While a Respondent has pending charges or allegations of a crime against a person, if justified by the seriousness of the offence, the presumptive sanction shall be a period of suspension until a final determination is made by the applicable process.
22. A Organizational Participant(s)'s conviction for certain *Criminal Code* offenses involving harmful conduct shall carry a presumptive sanction of permanent ineligibility from participating with Baseball Nova Scotia. Such *Criminal Code* offences may include, but are not limited to:
- a) any child pornography offences;
 - b) any sexual offences; and
 - c) any offence of physical violence.
23. Failure to comply with a sanction as determined by the Independent Discipline Panel will result in an automatic suspension until such time as compliance occurs.

OTHER APPLICABLE SANCTIONS

24. Baseball Nova Scotia will ensure that any sanctions or measures imposed by other authorities that are duly authorized to impose sanctions (e.g. an NSO sanction) against an Organizational Participant will be implemented and respected within Baseball Nova Scotia's jurisdiction once Baseball Nova Scotia receives appropriate notice of any sanction or measure.

APPEALS

25. The decision of the IDC or Independent Discipline Panel, as applicable, may be appealed in accordance with the *Appeal Policy*.

CONFIDENTIALITY

26. The disciplinary and complaint management process is confidential and involves only Baseball Nova Scotia, the member (where applicable), the Parties, the Case Manager, an ADR professional, the Internal Discipline Chair, the Independent Discipline Panel (as appropriate), and any independent advisors to the Independent Discipline Panel.
27. 28. Any failure to respect the confidentiality requirement may result in further sanctions or discipline by the Internal Discipline Chair or Independent Discipline Panel (as applicable).

29. If the circumstances of the complaint are such that adhering to the timelines outlined by this policy will not allow a timely resolution to the complaint, the CM, IDC or Independent Discipline Panel may direct that these timelines be revised, as appropriate.

PRIVACY

30. The collection, use and disclosure of any personal information pursuant to this policy is subject to Baseball Nova Scotia's Privacy Policy, if such a policy exists.
31. Baseball Nova Scotia, its members, or any of their delegates pursuant to this policy (i.e., Case Manager, Internal Discipline Chair, Independent Discipline Panel), shall comply with Baseball Nova Scotia's *Privacy Policy* (or, in the case of a member, the member's *Privacy Policy*) in the performance of their services under this policy, should such a policy exist.

Appendix A – Investigation Procedure

Determination

1. When a complaint is submitted pursuant to the Policy and is accepted by the Case Manager, the Case Manager will determine if the incident(s) should be investigated.

Investigation

2. If the Case Manager considers that an investigation is necessary, they will appoint an investigator. The investigator must be independent of the Case Manager and Baseball Nova Scotia with experience in investigating. The investigator must not be in a conflict-of-interest situation and should also have no connection to either Party.
3. The investigation may take any form as decided by the investigator. The investigation may include:
 - a) interviews with the Complainant;
 - b) witness interviews;
 - c) statement of facts (Complainant's perspective) prepared by the investigator, acknowledged by the Complainant and provided to the Respondent;
 - d) interviews with the Respondent; and
 - e) statement of facts (Respondent's perspective) prepared by investigator, acknowledged by the Respondent and provided to the Complainant.

Investigator's Report

4. Upon completion of their investigation, the investigator shall prepare a written report that shall include a summary of evidence from the Parties and any witnesses interviewed. The report shall also include a non-binding recommendation from the investigator regarding whether an allegation or, where there are several allegations, which allegations, should be heard by an Independent Discipline Panel pursuant to the *Discipline and Complaints Policy* because they constitute a likely breach of the *Code of Conduct and Ethics*, the

UCCMS or any other relevant and applicable Baseball Nova Scotia or member policy.

5. The investigator may also make non-binding recommendations regarding the appropriate next steps (i.e., mediation, disciplinary procedures, further review, or investigation).
6. The Investigator's Report will be provided to the Case Manager who will disclose, at their discretion, all or part of it to Baseball Nova Scotia and to the relevant member Organization (if applicable), subject to strict requirements of confidentiality. The Case Manager may also disclose the Investigator's Report – or a redacted version to protect the identity of witnesses – to the Parties. Alternatively, and only if determined to be necessary or appropriate, the Case Manager, the Internal Discipline Chair or the Independent Discipline Panel, other relevant Organizational participants may be provided an executive summary of the investigator's findings.
7. An investigator may be responsible to report information to the police or other relevant authority or warn a member of Baseball Nova Scotia if, in the course of the investigation, there are reasonable grounds to believe that a Vulnerable Participant or child is in need of protection or there is a genuine risk of serious bodily harm to any person if a matter is not reported by the Investigator.

8. Any Organizational Participant against whom a complaint has submitted to the Case Manager by an Organizational Participant, or which an Organizational Participant gives evidence in an investigation are strictly prohibited from engaging in reprisal or retaliation.

False Allegations

10. An Organizational Participant who submits allegations that the investigator determines to be malicious, false, or for the purpose of retribution, retaliation or vengeance may be subject to a complaint under the terms of the *Discipline*

and Complaints Policy and may be required to pay for the costs of any investigation that comes to this conclusion. The investigator may recommend to Baseball Nova Scotia or the member (as applicable) that the Organizational Participant be required to pay for the costs of any investigation that comes to this conclusion.

11. Any Organizational Participant who is liable to pay for such costs shall be automatically deemed to be not in good standing until the costs are paid in full and shall be prohibited from participating in any member and Baseball Nova Scotia Events, activities or business. Baseball Nova Scotia or any member(s) (as applicable), or the Organizational Participant against whom the allegations were submitted, may act as the Complainant with respect to making a complaint pursuant to this Section 10.

Confidentiality

12. The investigator will make reasonable efforts to preserve the anonymity of the Complainant and witnesses involved with the complaint, however, maintaining full anonymity during an investigation may not be feasible. The investigator must inform any witness or participant in the investigation of this limitation.

Privacy

13. The collection, use and disclosure of any personal information pursuant to this policy is subject to Baseball Nova Scotia's Privacy Policy, if such a policy exists.
14. Baseball Nova Scotia, its members, or any of their delegates pursuant to this policy (i.e., Independent Third Party, Internal Discipline Chair, Independent Discipline Panel), shall comply with Baseball Nova Scotia's Privacy Policy, if applicable (or, in the case of a member, the member's Privacy Policy) in the performance of their services under this policy.

Alternative Dispute Resolution Policy

Purpose

1. Baseball Nova Scotia supports the principles of Alternative Dispute Resolution (ADR) and is committed to the techniques of negotiation, facilitation, and mediation as effective ways to resolve disputes.
2. ADR also avoids the uncertainty, costs, and other negative effects associated with lengthy appeals or complaints, or with litigation.
3. Baseball Nova Scotia encourage all Organizational Participants to communicate openly, and to collaborate and use problem-solving and negotiation techniques to resolve their differences. Baseball Nova Scotia believe that negotiated settlements are most often preferable to arbitrated outcomes.
4. Negotiated resolutions to disputes with and among Organizational Participants are strongly encouraged.

5. This policy applies to all Organizational Participants.
6. Opportunities for ADR may be pursued at any point in a dispute when all parties to the dispute agree that such a course of action would be mutually beneficial.

8. The mediator shall decide the format under which the dispute shall be mediated and may, if they consider it appropriate, specify a deadline before which the parties must reach a negotiated decision.
9. Should a negotiated settlement be reached, the settlement shall be reported to Baseball Nova Scotia for approval if it involves any action by the Baseball Nova Scotia before execution. Any actions that are to take place as a result of

the settlement shall be completed in accordance with the timelines specified by the negotiated settlement, pending approval.

The decision to allow, or not allow an appeal outside of the seven (7) day period will be at the sole discretion of the Appeal Manager and may not be appealed.

Submitting an Appeal

8. Baseball Nova Scotia may hear appeals of members' decisions heard pursuant to this policy, at its discretion.

Grounds for Appeal

9. A decision cannot be appealed on its merits alone. An appeal may only be heard if there are sufficient grounds for appeal. Sufficient grounds include the decision-maker:
- a) made a decision that it did not have the authority or jurisdiction (as set out in the applicable governing documents) to make;
 - b) failed to follow its own procedures (as set out in the applicable governing documents);
 - c) made a decision that was influenced by bias (where bias is defined as a lack of neutrality to such an extent that the decision-maker appears not to have considered other views); or
 - d) made a decision that was unreasonable.

Screening of Appeal

10. The parties may first attempt to resolve the appeal through the *Alternative Dispute Resolution Policy*, if appropriate in the circumstances.
11. Appeals resolved under the *Alternative Dispute Resolution Policy* will result in the administration fee being refunded to the Appellant.
12. Should the appeal not be resolved by using the *Alternative Dispute Resolution Policy*, Baseball Nova Scotia will appoint an independent Appeal Manager (who must not be in a conflict of interest or have any direct relationship with the parties) who has the following responsibilities:
 - a) to determine if the appeal falls under the scope of this policy;
 - b) to determine if the appeal was submitted in a timely manner; and
 - c) to decide whether there are sufficient grounds for the appeal.
13. If the Appeal Manager denies the appeal because of insufficient grounds because it was not submitted in a timely manner, or because it did not fall under the scope of this policy, the Appellant will be notified, in writing, of the reasons for this decision. This decision may not be appealed.
14. If the Appeal Manager is satisfied there are sufficient grounds for an appeal, the Appeal Manager will appoint an Appeal Panel which shall consist of a single Arbitrator, to hear the appeal.
15. In extraordinary circumstances, and at the discretion of the Appeal Manager, an Appeal Panel composed of three persons may be appointed to hear the appeal. In this event, the Appeal Manager will appoint one of the Panel's members to serve as the Chair.

Determination of Affected Parties

16. To confirm the identification of any Affected Parties, the Appeal Manager will engage Baseball Nova Scotia. The Appeal Manager may determine whether a Party is an Affected Party in their sole discretion.

Procedure for Appeal Hearing

17. The Appeal Manager shall notify the Parties that the appeal will be heard. The Appeal Manager shall then decide the format under which the appeal will be heard. This decision is at the sole discretion of the Appeal Manager and may not be appealed.
18. If a Party chooses not to participate in the hearing, the Appeal Manager will make multiple efforts to contact them and give them a stern warning that failure to respond may result in a sanction being made against them without their participation. If this occurs and a Party continues to not participate, the hearing will proceed without further notice or opportunity to participate or provide submissions for the Party refusing to participate.
19. The format of the hearing may involve an oral in-person hearing, an oral hearing by telephone or other electronic means, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods. The hearing will be governed by the procedures that the Appeal Manager and the Appeal Panel deem appropriate in the circumstances. The following guidelines will apply to the hearing:
 - a) The hearing will be held within a timeline determined by the Appeal Manager
 - b) The Parties will be given reasonable notice of the day, time, and place of an oral, in-person hearing or oral hearing by telephone or electronic communications.
 - c) Copies of any written documents which any of the Parties wish to have the Panel consider will be provided to all Parties in advance of the hearing.
 - d) The Parties may engage a representative, advisor, translator, transcription services or legal counsel at their own expense, provided, however, that the intention of the process is that complainants and respondents provide their own evidence and information and this evidence and information, unless necessary, is not to be provided by a third-party.

- e) The Appeal Panel may request that any other individual participate and give evidence at an oral in-person hearing or oral hearing by telephone or electronic communications.
- f) The Appeal Panel may allow as evidence at the hearing any oral evidence and document or thing relevant to the subject matter of the appeal but may exclude such evidence that is unduly repetitious and shall place such weight on the evidence as it deems appropriate.
- g) If a decision in the appeal may affect another Party to the extent that the other Party would have recourse to an appeal in their own right under this policy, that Party will become an Affected Party to the appeal in question and will be bound by its outcome.
- h) The decision to uphold or reject the appeal will be by a majority vote of Appeal Panel members.

20. In fulfilling its duties, the Appeal Panel may obtain independent advice.

Appeal Decision

- 21. The Appellant must demonstrate, on a balance of probabilities, that decision-maker has made a procedural error as described in the Grounds for Appeal section of this policy and that this error had a material effect on the decision or decision-maker.
- 22. The Appeal Panel shall issue its decision, in writing and with reasons, within thirty (30) days after the hearing's conclusion. In making its decision, the Appeal Panel will have no greater authority than that of the original decision-maker. The Appeal Panel may decide to:
 - a) reject the appeal and confirm the decision being appealed;
 - b) uphold the appeal and refer the matter back to the initial decision-maker for a new decision; or
 - c) uphold the appeal and vary the decision.
- 23. The Appeal Panel will also determine whether costs of the appeal will be assessed against any Party. In assessing costs, the Appeal Panel will consider

the outcome of the appeal, the conduct of the parties, and the parties' respective financial resources.

24. The Appeal Panel's written decision, with reasons, will be distributed to all parties, the Appeal Manager, and Baseball Nova Scotia. In extraordinary circumstances, the Panel may first issue a verbal or summary decision soon after the hearing's conclusion, with the full written decision to be issued thereafter. The decision will be considered a matter of public record and published according to the Publication Guidelines unless decided otherwise by the Appeal Panel.

Timelines

25. If the circumstances of the appeal are such that adhering to the timelines outlined by this policy will not allow a timely resolution to the appeal, the Appeal Manager and/or Appeal Panel may direct that these timelines be revised.

Confidentiality

26. The appeals process is confidential and involves only the parties, Baseball Nova Scotia, the Appeal Manager, the Appeal Panel, and any independent advisors to the Appeal Panel. Once initiated and until a decision is released, none of the Parties (or their representatives or witnesses) will disclose confidential information relating to the appeal to any person not involved in the proceedings, unless Baseball Nova Scotia is required to notify an organization such as an international federation, Sport Canada or other sport organization (i.e., where a Provisional Suspension or interim measures have been imposed and communication is required to ensure that they may be enforced), or notification is otherwise required by law
27. None of the Parties (or their representatives or witnesses) or members referred to in Section 26 will disclose confidential information relating to the appeal to any person not involved in the proceedings, unless Baseball Nova Scotia is required to notify an organization such as an international federation, NSO, Sport Canada or other sport organization (i.e., where a Provisional Suspension or interim measures have been imposed and communication is required to ensure that they may be enforced), or notification is otherwise required by law.

28. Any failure to respect the confidentiality requirement may result in further sanctions or discipline by the Appeal Panel.

Final and Binding

29. No action or legal proceeding will be commenced against Baseball Nova Scotia or Organizational Participants in respect of a dispute, unless Baseball Nova Scotia has refused or failed to provide or abide by the dispute resolution process and/or appeal process as set out in governing documents.

Social Media Policy

Preamble

1. Baseball Nova Scotia is aware that Organizational Participant interaction and communication occurs frequently on social media. Baseball Nova Scotia cautions Organizational Participants that any conduct falling short of the standard of behaviour required by this *Social Media Policy* and the *Code* may be subject to the disciplinary sanctions identified within the *Discipline and Complaints Policy*.

Application of this Policy

2. This policy applies to all Organizational Participants. In this Policy, “Social Media” is all computer-mediated communication media which include but are not limited to blogs, YouTube, Facebook, Instagram, Tumblr, TikTok, Snapchat, and Twitter.
3. The definitions provided in the *Code of Conduct and Ethics* shall apply in this Policy.

Conduct and Behaviour

4. All conduct and behaviour occurring on Social Media must comply with the *Code of Conduct and Ethics*.
5. Organizational Participants may not engage in the following behaviour on Social Media:
 - a) posting a disrespectful, hateful, harmful, disparaging, or insulting comment on a social medium;
 - b) posting a picture, altered picture, or video on a social medium that is harmful, disrespectful, insulting, embarrassing, suggestive, provocative, or otherwise offensive;
 - c) creating or contributing to a Facebook group, webpage, Instagram account, Twitter feed, blog, or online forum devoted solely or in part to promoting negative or disparaging remarks or commentary about Baseball Nova Scotia or its stakeholders or reputation; or

- d) any instance of cyber-bullying or cyber-harassment where incidents of cyber-bullying and cyber-harassment can include but are not limited to the following conduct on any social medium, via text message, or via email: regular insults, negative comments, vexatious behaviour, pranks or jokes, threats, posing as another person, spreading rumours or lies, or other harmful behaviour.

Organizational Participants' Responsibilities

- 6. Organizational Participants should be aware that their Social Media activity may be viewed by anyone; including Baseball Nova Scotia.
- 7. If Baseball Nova Scotia unofficially engages with an Organizational Participant on Social Media (such as by retweeting a tweet or sharing a photo on Facebook) the Organizational Participant may, at any time, ask Baseball Nova Scotia to cease this engagement.
- 8. When using Social Media, an Organizational Participant must model appropriate behaviour befitting Organizational Participant's role and status in connection with Baseball Nova Scotia.
- 9. Removing content from Social Media after it has been posted (either publicly or privately) does not excuse the Organizational Participant from being subject to the *Discipline and Complaints Policy*.
- 10. An individual who believes that an Organizational Participant's Social Media activity is inappropriate or may violate policies and procedures should report the matter to Baseball Nova Scotia in the manner outlined by the *Discipline and Complaints Policy*.

Baseball Nova Scotia's Responsibilities

- 11. Baseball Nova Scotia has a responsibility to understand if and how Persons in Authority and Athletes are using Social Media to communicate with each other. Persons in Authority and Athletes may need to be reminded that behaviour on Social Media is still subject to the *Code of Conduct and Ethics* and *Social Media Policy*.

12. Complaints and concerns about the behaviour of a Person in Authority or Athlete on Social Media can be addressed under the *Discipline and Complaints Policy*.

Guidelines

13. The Guidelines in this section provide Persons in Authority and Athletes with tips and suggestions for Social Media use. Persons in Authority and Athletes are strongly encouraged to develop their own strategy for Social Media use (either written down or not) and ensure that their strategy for Social Media use is acceptable pursuant to the Code.
14. Given the nature of Social Media as a continually developing communication sphere, Persons in Authority and Athletes must use their best judgment when interacting with Social Media. These Guidelines are not hard and fast rules or behavioural laws; but rather recommendations that will inform individuals' best judgment.
15. Any behaviour on Social Media which violates the *Code* may be subject to discipline.

Social Media Guidelines for Persons in Authority

16. Persons in Authority should consider the following guidelines to inform their own strategy for Social Media use:
 - a) with Minor Athletes, ensure that parents/guardians are aware if some interactions may take place on Social Media and the context for those interactions, and give parents/guardians the option to prohibit or restrict communication in this space;
 - b) attempt to make communication with Athletes in Social Media as one-sided as possible. Be available for Athletes if they initiate contact – Athletes may wish to have this easy and quick access to you – but Persons in Authority should never impose themselves onto an Athlete's personal Social Media space;
 - c) ensure all Social Media communication is professional, unambiguous, and on-topic. Avoid emojis and unspecific language that can be interpreted in multiple ways;

- d) choosing not to engage with Social Media is an acceptable strategy. Be prepared to inform Athletes (and/or parents/guardians) if you will not engage in this space and explain which media you will use to communicate with them;
- e) Athletes will search for your Social Media accounts. Be prepared for how you will respond when an Athlete attempts to interact with you on Social Media;
- f) annually review and update the privacy settings on all your Social Media accounts;
- g) consider monitoring or being generally aware of Athletes' public Social Media behaviour to ensure compliance with the *Code of Conduct and Ethics* and this policy;
- h) never demand access to an Athlete's private posts on Twitter, Instagram, or Facebook;
- i) do not send friend requests to Athletes. Never pressure Athletes to send you a friend request or follow your Social Media accounts;
- j) if you accept a friend request from one Athlete, you should accept these requests from all Athletes. Be careful not to show favouritism on Social Media;
- k) consider managing your Social Media so that Athletes do not have the option to follow you on Twitter or send you a friend request on Facebook;
- l) do not identify Minor Athletes on publicly available Social Media;
- m) seek permission from adult Athletes before identifying them on publicly available Social Media;
- n) avoid adding Athletes to Snapchat and do not send snapchats to Athletes;
- o) do not post pictures or videos of Minor Athletes on your private Social Media accounts;

- p) be aware that you may acquire information about an Athlete that imposes an obligation of disclosure on your part (such as seeing pictures of Minor Athletes drinking during a trip);
- q) if selection decisions and other official team business are announced on Social Media, ensure they are also posted on a less-social medium like a website or distributed via email;
- r) never require Athletes to join Facebook, join a Facebook group, subscribe to a Twitter feed, or join a Facebook page about your team or Baseball Nova Scotia;
- s) if you create a page on Facebook or Instagram for your team or Athlete, do not make this Social Media site the exclusive location for important information. Duplicate important information in less-social channels (like on a website or via email);
- t) exercise appropriate discretion when using Social Media for your own personal communications (with friends, colleagues, and other Persons in Authority) with the knowledge that your behaviour may be used as a model by Athletes;
- u) avoid association with Facebook groups, Instagram accounts, or Twitter feeds with explicit sexual conduct or viewpoints that might offend or compromise your relationship with an Athlete; and
- v) never misrepresent yourself by using a fake name or fake profile.

Social Media Guidelines for Athletes

17. The following tips should be used by Athletes to inform their own strategy for Social Media use:
 - a) Set your privacy settings to restrict who can search for you and what private information other people can see.
 - b) Coaches, teammates, officials, or opposing competitors may all add you to Facebook or follow you on Instagram or Twitter. You are not required to follow anyone or be Facebook friends with anyone.

- c) Avoid adding Persons in Authority to Snapchat and do not send snapchats to Persons in Authority.
- d) If you feel harassed by someone in a social medium, report it to your coach or another Person in Authority with your organization.
- e) You do not have to join a fan page on Facebook or follow a Twitter feed or Instagram account.
- f) Content posted on a social medium, relative to your privacy settings, is considered public. In most cases, you do not have a reasonable expectation of privacy for any material that you post.
- g) Content posted to a social medium is almost always permanent – consider that other individuals may take screenshots of your content (even snapchats) before you can delete them.
- h) Avoid posting pictures of, or alluding to, participation in illegal activity such as: speeding, physical assault, harassment, drinking alcohol (if underage), and smoking cannabis (if underage).
- i) Model appropriate behaviour in Social Media befitting your status as a) an Athlete, and b) a member of your organization and its governing organizations. As a representative of your organization, you have agreed to the *Code of Conduct and Ethics* and must follow that *Code* when you post material and interact with other people through Social Media
- j) Be aware that your public Facebook page, Instagram account, or Twitter feed may be monitored by your organization, coach, or by another organization and content or behaviour demonstrated in Social Media may be subject to sanction under the *Discipline and Complaints Policy*.
