

Team Gear Policy – 2020 Only

Due to the “unknowns” of the season, financial challenges many of our families are enduring and other important logistical reasons, the Baseball Regina Board of Directors is stating that there is a season ban on players and teams purchasing or obtaining sponsorship to purchase any additional team gear including but not limited to team jackets, team shirts, additional team jerseys, team uniforms, etc. This is a blanket policy that is created for the benefit of our families and we request that this is honoured.

Gear ordered in previous seasons can be worn at each coach’s individual discretion and Baseball Regina will support the coach’s decision to allow or to not allow previous years gear to be worn by a player. We ask that parents and players respect the coach’s decision as well.

Exceptions:

- 1) **18U AAA:** As equipment and gear were ordered before Covid-19 Canadian pandemic. No change in 18U AAA.*
- 2) **All AAA and AA divisions:** Teams may if necessary, order additional **hats only** as additional items purchased (as the league may not be able to provide the quantity). Please check with your Division Director on availability.*
- 3) **All AAA, AA A divisions:** Coaches may request a specific colour of baseball pants to be worn by each player on their team.*

Penalty for Violation:

- 1) The team will forfeit all Baseball Regina League games prior to the infraction of the rule.*
- 2) The Head Coach will be sanctioned by Baseball Regina which may include a season ejection from coaching.*

Proof of Purchase:

In the event of any claim that the team has ordered the gear prior to this policy being created the team must:

- Provide a proof of the order date*
- Proof of deposit on the order*

Should the proof of purchase be delivered to Baseball Regina and it be deemed to be valid, Baseball Regina may, at its discretion:

- ban the items from being worn on a Baseball Regina Diamond*
- And if the items are banned, Baseball Regina will collect the items and refund the costs of the items to the team.*
