*Appreciation to our 2021 Gold Sponsors for their continued financial support during these difficult Covid times. This has helped in our ability to continue operating, but not being open to the public.*

**President's Report**

Covid continues to control us, but, life goes on, and so does baseball. I'm certain, however, that you are also enjoying every game on TV wherever you are! Soon the pandemic will be over and we can resume a more normal life. Be happy! You, our members, have played a big role in this museum being able to continue to operate. Your donations and membership fees have been used wisely. The Annual General Meeting in April 2020 and April 2021 were carried on through numerous emails. In 2020 the Selection committee met via Zoom, but was cancelled in 2021, except for a vote for the 2022 team selection which was done by email. The team selected for induction in **2022**, is the **Indian Head Rockets!!** The 2020 class has now become the **2021 class for induction August 21, 2021**. If such a large crowd will still not be allowed in August, all is planned for **October 9, 2021**. All attempts will be made to contact everyone in regards to these changes. If you need information, please email or call 306-446-1983. Jane Shury, President

**STAY WELL. STAY SAFE!**

### NEWS FROM OUR READERS

"—Pandemic ravages in Manitoba but my wife, Marguerite, 82 and I, 89, are still safe. Marguerite is busy gardening but downsizing the area. I'll forward the Manitoba Museum newsletter in about 10 days or so. We are hoping to celebrate our 60<sup>th</sup> Anniversary July, 29<sup>th</sup>. Cheers.  
**Gladwyn and Marguerite Scott, Carberry, MAN.**

"-----Christmas 2020 will be remembered as very different, but providing time to reflect on the real purpose of Christmas—to celebrate the birth of Christ—Our Saviour! May we enjoy the peace and quiet during this time to rest our bodies and minds so we will be ready for the new year, and the coming of the vaccine that will destroy Covid-19. Oh, Happy Day! 2021 will be an awesome year! Until then **STAY SAFE!**"

**Mark, Fern and the Perkins' Family!**

**Saanichton, BC.**

[The above remarks were directed to "Jane and your family", and received too late for the last newsletter, I wish to share it with our members. Mark and Fern, and family, this is such a reminder now, how fragile life is and that we all should continue to take time, during this second year of Covid-19. to continue to reflect on the real purpose of each day of our life----- to celebrate Our Saviour—Jesus Christ!] My deep appreciation to you Mark, and Fern, for your support of this Saskatchewan Baseball Hall of Fame and Museum. Thank you]. **Jane Shury, President/CEO**

"---I want to acknowledge the great work you and your staff have done during these very difficult times. In reading your recent newsletter [Volume 37 #4] I accept the challenge of my former North Battleford Beavers teammates, Gerry Lister, Mark Perkins and Jack Rowley, and enclose a cheque representing an increase over their donations they made recently. I am sure the loss of our annual induction [2020] has greatly affected your bottom line. I ask other players to get involved. Should any other players, managers or inductees not yet a member, or have not renewed their membership, now is the time to do so.

I would also like to acknowledge the contribution made by Randy Munch of Saskatoon. His remembrances of the competition between the Saskatoon Commodores and the North Battleford Beavers in the NSBL were well received, as was his tribute to Spero Lealos. Both Randy and Spero were 'class acts' and remembering those days will always be exciting. Thanks Randy. Keep up the good work Jane and we will see you in the spring! " **Neil Lampitt, Battleford, SK.**

" Jane, a huge thank you to you and your helpers. The newsletter is great, as always. We at our Legion try to keep a newsletter going but it is hard work-----." **David D. Burke, Kindersley, SK.**

Best wishes for a better 2021. Marguerite and I send along best wishes and keep well." **Gladwyn Scott, Carberry, AB.**

[Gladwyn was instrumental in getting the Manitoba Baseball Hall of Fame started. He wisely reached out to Dave [Shury] the Founder of our Hall of Fame for information and advice on setting a firm foundation for an association]. We continue to communicate with Gladwyn, and their Hall, located in Morden, Manitoba] **Editor Jane.**

"---Hi Jane-Hope all is well with you. These are difficult times and it has to be tough financially for the Hall. The organization has done so much for keeping that flame burning for Saskatchewan baseball. Keep up the good work and hope we can have a visit in 2021." **Brian Keegan, White Rock, BC.**

"—Keep up the good work."

**Ken Halliday, Battleford, SK.**

"---The Late Glen Ortynsky of Kamsack, was an excellent pitcher in his school years and into his 20's. He pitched too much and blew out his arm. He continued to play baseball then slow pitch until his 40's. He became an excellent catcher. His main interest in life was baseball. He was a New York Yankee fan. He was not in the Baseball Hall of Fame however, my deceased father, Albert Cottenie, was inducted in 2015. He played for the Kamsack Cyclones. I enjoyed the induction celebration and touring the museum."

**Bryan Cottenie, Kamsack, SK.**

*The Kamsack Cyclones were selected to be inducted in 2020. That class is now the 2021 class to be inducted August 21, 2021. If needed, this induction will be held October 9, 2021. Jane*

"---What a year!! It can only get better, right? Hope you and your family are all well. Thank you for keeping baseball alive and well in Saskatchewan. A game that holds so many good memories and friendships. Keep well and stay safe. Best wishes."

**Carole Baerss, Whitehorse, Yukon Territories**

"---Thanks for the reminder. Wish you all a Happy New Year!"

**Keith Zabolotney, Assiniboia, SK.**

"---Son Blair, grandsons Carter, Brandon, Corbin, Tia and Ray were out on the baseball field on March 19<sup>th</sup>, 2021!"

**Ray Beck, Lang, SK.**

"---Garry just had his 9th bladder surgery and is just awaiting more treatment. Aside from that, we are doing fine. Garry does a little amount of garden planting each day. Stay safe. Hugs."

**Claudia Shury, Yorkton, SK.**

"---Thanks for everything you do. You are an amazing girl. As ever, we enjoyed the "Induction." [2019] Take care."

**Bill and Debbie Gergely, Richmond, SK.**

"---'Pushy' [The Late Wayne Pusch] was a great guy and a long-term friend. We first met in Swift Current as teammates with the Swift Current Indian Baseball Team. Later, we taught together in the Swift Current school system for a number of years before we joined the Provincial Education Ministry in the Curriculum Development Branch in Regina. Linda and Donna were both very good friends and shared many good fun times and fond memories. Wayne's love of baseball was huge as a player, coach and builder. He was a tireless worker for many causes including organizing shaggers for the Texas Rangers during spring training that was close to their home near Phoenix. I will miss him dearly."

**Brian Keegan, White Rock, BC.**

"---Your news and compliments are always welcomed and appreciated. Thanks for the many accolades. However, remember, everyone deserves to be thanked for being part of, and supporting this organization. I feel so proud that together, we have succeeded in not only surviving, but thriving while continuing the dream that David Shury put into motion in 1983, of preserving our rich baseball history of Saskatchewan! We must keep the tradition of recognizing and honouring those that contribute to the baseball history now being made, as well as to do all that we can to survive this Covid-19. It continues very difficult with not being able to host any of our fund-raising events. Your donations have played a huge part in this organization being able to pay for the operating costs, including one part-time employee, and I hope you will continue with your support so we can get through Covid-19. Get your vaccination and stay safe!"

## **JANE'S CORNER**

### **Larry Walker joins Fergie Jenkins as the second Canadian inducted into the National Baseball Hall of Fame in Cooperstown, New York.**

"Larry was a unanimous selection to our Hall of Fame in 2009 and we have been proud to tell the story of his trailblazing and record-breaking career in our museum. Over the years, both on and off the field, Larry has been a true inspiration and role model for Canadians. He has also been a strong supporter of the Canadian Baseball Hall of Fame and has never forgotten his roots---. In all, Larry suited up for 17 big league seasons and leads Canadians in virtually every career offensive category amassing 2,160 hits; 383 home runs; 471 doubles and 230 stolen bases. The seven time Gold Glove winner also compiled a .313 career batting average, 565 slugging percentage and won the Canadian Baseball Hall of Fame's Tip O'Neill Award an unprecedented nine times. For his efforts, Walker was inducted into the Canada's Sports Hall of Fame in 2007; the BC Sports Hall of Fame in 2009, and the Colorado Sports Hall of Fame in 2011."

### **Rivers West Award to The Saskatchewan Baseball Hall of Fame and Museum**

We received the Rivers West District 2021 Sport Event Award of the Year, for the 35<sup>th</sup> Annual Induction, August 17, 2019, in Battleford. In congratulating us, Bonnie Mills Midgley states, "What a huge accomplishment to have hosted the Annual Induction ceremony since 1985, with only Covid interrupting the continual recognition.

The audience [local, Provincial, National and International] that you draw to the Battlefords for this event speaks to the high value that participants place on the ceremony. The dedicated volunteers that plan, prepare for, host and follow-up, the event must do an amazing job. Thank you to everyone involved. We, too, have our fingers crossed that the Saskatchewan Health regulations will permit Induction #36 to take place on August 21<sup>st</sup>. Again, Congratulations!"

"Almost every small town on the prairies has a baseball park that was once the centre of town on hot summer nights. Now, they're falling apart, only full of memories from games and years gone by. I love them and stop at as many as I can. Sometimes I will even run the bases after pretending to hit a home run for the Blue Jays, of course!"
