

Do you want to join a winning team?

Here is your chance to hit a home run by sponsoring Baseball Regina as part of your local marketing strategy. Each season, about 1200 youth aged 4 to 18 play in Baseball Regina's league, which include teams from southern Saskatchewan communities. Baseball Regina hosts tournaments throughout the season including Baseball Sask's (Provincial) Championships each year. The Provincials draw participants from all over the province. Finalists represent Saskatchewan at Western Canadian and Canadian Championships.

Your Baseball Regina sponsorship will enhance quality outdoor recreation for youth through a sport that has been a tradition on Canada's Prairies for more than 100 years. Including league and tournament players and their families, your message will reach several thousands at the ball parks in Regina, and potentially many more if you choose a sponsorship level which includes advertisement in our print advertisements. Sponsorship funds received go toward equipment, uniforms, baseballs, coaches' clinics, winter player clinics, diamond upkeep and improvement, and special projects (irrigation, grass infields, clubhouse improvements, etc).

Please consider sponsorship of Baseball Regina as part of your business's local marketing strategy. The following describes Baseball Regina's sponsorship program options Sponsorship packages can be adjusted to address your business needs.
