3 President's Message -Rob Gartner

While still living through this pandemic, we have the craziest year, trying year, glorious year. Lots of time and effort in preparing for the season as the volunteer Executive Board met once a week. Acknowledge some people; staff Steve Hom Administration Manager and Lorne Chow Operations, the Board, Evaluations were done in all categories except 11U, Executive Board Del Z, Steve K, Dwayne B, and Kim K. With multiple false starts along the way. In a normal year, we have 750 players and thankful 535 players and families made the commitment to have a season. There were no cases of COVID-19, people self policed, kudos to the Board, Committees, Parents, Families. Thank you's to Del Z - Equipment, Kim K & Troy C - Rally Cap, Jay V - 13U, Lorne C - 11U Steve K - 18U, Travis M - Evaluations. Mike R - Volunteers, Joe S - Umpires, Kim M - Tournament & Safety

Columbus Park replaced 10 of the 12 dugouts, hired 2 University students through the Canada Summer Jobs program enable to edge the grass in the infields, secured 20 yards of shale from the City, the Park has come a long way in the last one and a half years.

The Raffle was successful as we receive no funding from governments and will continue the raffle next year.

There will be new batting cages at Pacer Park with 4 tunnels.

We will be conducting the Coaches' Survey for feedback from families.

For the future, we intend to start May 1 however that depends on other sports and how they manage their season. Based on our success in 2020, we are confident that we will have a 2021 Season.

We plan to add a Parks Committee to include Pacer Park, Lions Park, Columbus Park
We will likely host Provincials and the 18U AAA Westerns.

3 President's Message continued -Rob Gartner

We continue to grow the volunteer program, continue the fundraiser, and improving Columbus Park.

It has been an exhausting year including staff. In a normal year the Board would mostly hear complaints compared to one compliment. This year, many people said thank you and grateful that we provided a baseball season.

We do it so kids can play.

We used to have 15 Board members who some were also Committee Leads and meetings were sometimes 4 hours long. In order to respect peoples' time and to be efficient, we went to 5 Board members that guided finances, staff and policies with working Committees and their Leads thus saving volunteer fatigue.

Parks Committee will be one to be added.

6 Open discussion

Jean M requested for scheduling if the first 2 weeks be assigned Regina Park instead of a specific park as there was one game per park, experiment with TeamSnap in the off season.

Joel B-D loves TeamSnap, utilize it more, need better communication at the Board level. Lorne C - would be good with introduction of TeamSnap to have one software instead of also using BallCharts.

Governor Jean M stated that Baseball Sask was pleased with Baseball Regina and how we put on the baseball season for southern Sask. There was discussion on status of grants for scoreboards to community hosting Provincials.

Rob G introduced Jean MacDonald as the Governor for Baseball Regina Zone 2 and is also the Director of 18U Provincials.

Steve K. noted that Rob G is also President of SPBL - a provincial league for 18U

Thank you Rob G for all your time put in.

Jean M commented that she has observed kids enjoying ball so much more this year even playing scrub after the ball game is done.

Rob G will be stepping down as President but will remain on as Past President.

Thank you for a great 2020 and looking forward to 2021
