## 2021 ONLINE UMPIRE CLINICS

**NOTE: ALL UMPIRE CLINICS HAVE BEEN SETUP TO BE ONLINE**

### Registration Process for the 2021 Online Umpire Clinics

### Level 1 and 2 Umpire Registration Information

**From: Scott Mills - Provincial Umpire Supervisor**

**[READ ATTACHED FILE FOR FULL DETAILS ON REGISTRATION PROCESS!](#)**

I am very happy to announce that everything is ready for your umpire registration and clinics for the upcoming 2021 season. **Time is of the essence** so please complete your registration as soon as possible. Umpire clinics are being hosted virtually this year and will be offered every weekend in the month of April **ONLY**. You will see the dates listed once you are in the clinic registration.

Your umpire registration will consist of 2 parts, a document that has detailed instructions for the process are attached to this communication:

1. You must first register with Baseball Saskatchewan and arrange for payment of your registration fee for the upcoming season. There are options available for those whose minor ball associations usually pay their fees and for those who pay their own fees.
2. Once you have completed your provincial registration, you then must go to a separate site to register for your clinic and choose a date to attend your virtual level 1 or level 2 clinic. These clinics are about 3 hours in length and there are live instructors available during the clinic session to answer your questions.

Use the document attached for instructions to complete the process. Please read each part completely before you begin each part of the process. You must complete both the registration and the clinic to be registered this season.

If you have any questions, please reach out to myself or your zone umpire supervisor for clarification.

We are all looking forward to getting back on the field this year, I know I am. Have a great season

Contact me (Scott Mills), directly for any questions regarding Level 3 Registration.

Yours in Baseball;

Scott Mills
