2023 Season Updates

May 22nd, 2023

Welcome to another season of baseball with St. John's Minor! To those who are returning, thank you for your continued support. To our new friends, we will do everything we can with the resources available to ensure that your child has a positive experience.

We do have some updates that we want to provide for you since registration has begun:

- 1. Rosters & Schedules:** Rosters and schedules for House League teams will be posted on June 16th. **On this date, please consult through the teams in your child's division to find your child.** Schedules for any regional league (All-Star Metro Leagues, Female Leagues and 18U House League) will be posted by June 18th.
- 2. Friend Requests:** While we always try to honour your 1st friend request, sometimes it is out of our control – especially when many children want to be on the same team. Please understand that we do the best we can but we will be unable to accommodate more than 1 request.
- 3. Start/End Dates:** As of now, we are looking at opening our summer season on June 26th and concluding championship tournaments by mid-September (weather permitting). Rally Cap sessions will end the week before labour day with the Night Under the Lights final event being held on Sept 9th. We will post exact team schedules on June 16th once registration is complete.
- 4. 2023 Calendar:** An updated calendar of events can be found on our website. There have been changes made in the last week so please thoroughly read it!
- 5. Uniforms:** Coaches will have jerseys and hats for their players at their first game.
- 6. Equipment:** A list of required and recommended equipment for each age group can be found on our website.
- 7. Coaching:** We are still looking for coaches! House League coaching applications are still available through the RAMP portal until June 5th. There will be a new application this year to prevent accidental applications on the old form. All coaches must complete an RNC Code of Conduct and Vulnerable Sector check. This must be done through the RNC. More details can be found under the Coaches section of the website.
