

ST. JOHN'S MINOR 'A' BASEBALL ASSOCIATION

CORPORATE SPONSOR OPPORTUNITIES

The St. John's Minor Baseball Association (SJMBA) is pleased to offer a unique opportunity for the corporate community and/or friends of baseball in the greater St. John's Metropolitan region to demonstrate its support of a healthy, active lifestyle for the youth of our City and region while realizing a positive return to the bottom line through enhanced company/product awareness.

SJMBA is a non-profit incorporated organization with a dedicated volunteer Board of Directors committed to provide the best possible baseball program to as many youth as possible every year. Our program emphasizes skill development, enhancing physical dexterity, the importance of team play and the honing of leadership qualities; but most important of all, we make sure all players have fun and enjoy playing the game of baseball.

Each season, about 1,000 youth aged 5 to 18 participate in our programming which runs from January until the end of September. With the full cooperation of our major partner (the City of St. John's) we utilize 10-12 baseball fields located throughout the city during the season. In addition to the city, we also have registered players from Logy Bay-Middle Cove-Outer Cove, Torbay, Pouch Cove, Flatrock, and Portugal Cove-St. Philips.

Your sponsorship will enhance quality outdoor recreation for youth through our programs, while your message will reach several thousands at the ball parks in St. John's. Sponsorship funds received go toward equipment, uniforms, baseballs, coaches and umpire clinics, field maintenance and improvement, and special projects.

Please consider a sponsorship with SJMBA as a part of your business's local marketing strategy. Typically, SJMBA tries to enter into sponsorship agreements for a three year period.

While our corporate packages are outlined below, adjustments can be made to address your business needs including an adjustment to our typical three year agreement.
