## **Fundraising**

BMHA functions financially from a variety of sources

- Registration fees the money paid at the beginning of the season will largely cover ice fees for the season – this varies yearly depending on the number of games/tournaments/teams
- Casino every 3 years BMHA is selected to volunteer at a Casino. BMHA provides minimum of 30 volunteers to work 4-6 shifts. As per AGLC, money is donated back to the association which has specific guidelines on how it can be used. Typically this will cover one year's ice fees. Our last casino was October 2021
- Oilers 50/50 every 2-3 years BMHA may be selected to sell 50/50 tickets at an Oilers home game. BMHA provides 50-60 volunteers and will receive a donation from the Oilers Foundation dependent on that night's 50/50 jackpot.
- 4. Fundraising BMHA may run a variety of fundraisers throughout the season. There may be raffle tickets to sell, tickets to an event, food products or other items as decided upon by the board.
- 5. Donations, grants etc.

All monies collected from these sources are put back into the association. Ice fees, referee fees and equipment upgrades are seasonal items that are essential to running the association.

Most recently, BMHA has contributed to: upgrading the concession; installing security cameras; bumper pads for ice surface alteration and smaller nets for the Initiation team.

We understand that everyone leads busy lives but with your volunteer time we can keep the yearly registration fees reduced. It is required that each family participate in fundraising efforts. Some may be deemed mandatory while others are optional. Participation in the optional fundraisers will not count towards the mandatory events.

We appreciate you bringing your child to our association and want to make this a great experience for both the player and the family.

Any questions, please speak to the fundraising director.

## Respect in Sport

The respect in sport program is a one-hour online module for parents/guardians, reinforcing their role in their child's activities, encouraging positive sport behaviors, and providing insight into the various roles other individuals play, such as coaches and officials.

This program is mandatory by Hockey Alberta. It needs to be completed by one parent per family.

Your child will not be allowed on the ice until this has been completed! Please try to get this done ASAP.

The link to complete this is: <a href="https://hockeyalbertaparent.respectgroupinc.com">https://hockeyalbertaparent.respectgroupinc.com</a>

This will need to be updated every 4 years

Coaches also need to complete the coaching version of Respect in Sport before being allowed on the ice as well.

#### **Communication**

BMHA will communicate vastly through e-mail correspondence. If you are not receiving e-mails from BMHA or wish to add another e-mail address please contact the Communications Director (Contact info on following page)

Also, you may view Team Snap on the internet at <a href="www.teamsnap.com">www.teamsnap.com</a>. You can add your player's a picture, jersey # and family members to your players profile. Be mindful that what you post to a group message are viewed by all the family members.

Bashaw Stars Intro to Hockey

Hockey Canada made it mandatory that all games are played on cross ice/half ice starting in the 2016-17 season for the U7 (Initiation) age category (ages 5 and 6) participants and in the 2019-20 season for U9 (Novice) age category (ages 7 and 8) participants. These policy changes were designed to address ongoing challenges to player development, including: overcompeting and under-training; fundamental movement skills and sport skills not being taught properly; preparation geared to short-term outcomes; a competition system that interferes with athlete development; early specialization is demanded. Minor Hockey Associations not operating according to these standards will be considered in violation of the Hockey Canada policy.

The goals and objectives of Intro to Hockey programming are to:

- 1. Teach the basic skills of hockey so players can enjoy the game.
- 2. Assist in the development and enhancement of physical literacy and basic motor patterns.
- 3. Deliver a program that is age appropriate for the size, skill and age of the players.
- 4. Encourage the aspects of fitness, fair play and cooperation while having fun playing the game.

Please refer to Hockey Alberta's Introduction to Hockey Model: <a href="https://www.hockeyalberta.ca/uploads/source/Intro\_To\_Hockey/Int">https://www.hockeyalberta.ca/uploads/source/Intro\_To\_Hockey/Int</a> ro to Hockey FINAL 2019-20.pdf

**BMHA Philosophy:** Introduce hockey to our youngest players in a fun and safe environment through passionate leadership and innovative skill development.

**BMHA Objective:** To coordinate with Hockey Alberta to introduce hockey to the players in our association

#### A. Program Guidelines:

**Ages:** U5 (4 Year old players): being 4 years old before December 31<sup>st</sup>

U7 Players: aged 5 or 6 before December 31st of the current season

U9 Players aged 7 or 8 before December 31<sup>st</sup> of the current season

Overage: parents are to approach the head coach, manager or registrar. The request will then be decided upon by the BMHA Board. Refer to BMHA Policies for the overage process and Hockey Alberta Guidelines.

Fees: <u>U5</u>	players born 2017	\$225
U7	players born 2015-2016	\$425
U9	players born 2013-2014	\$450

#### U5 (4 Year Olds)

- Will be on the ice during the Initiation Practices learning basic skating and hockey skills: Tuesdays @ 4:30pm – 5:15pm and Thursdays @ 4:30pm – 5:15pm
- They will participate in practices only
- Families with a 4 year old <u>only</u> will not be expected to work any concession hours
- Fundraising for BMHA <u>will still be required</u> (this includes raffles, events, casino and Oilers 50/50)
- 5 and 6 year olds may overage into the 4 Year old program – must meet Hockey AB guidelines for overaging and BMHA Board approval (This allow applies to Novice players wishing to overage into Initiation)

#### **Volunteer Requirements:**

As a small association we rely on our amazing parents to make hockey available to the children. If you are interested in managing or coaching, please speak with a BMHA board member.

**Every** family will be responsible to volunteer for fundraising throughout the season. This may include working at a Casino, selling Oilers 50/50 tickets, comedy night or any other opportunities as deemed by the board.

Volunteer Concession Hours: Each family is responsible to work 15 concession hours each season. A reduction of 5 hours will be offered to those who volunteer to manage or coach or board members.

#### **Team Structure:**

The number of registered players will vary yearly.

If there are 16 players or less, they will function as one team.

If there is 17+ players the BMHA Board will determine how the team is divided. Division may include pods or teams or to continue as one large team.

#### **B.** Practice Guidelines

Hockey Alberta recommends 2:1 practice to game ratio. (Practices will start once ice is installed, typically the first week of October)

#### <u>U7</u>

Tuesdays 4:30pm - 5:15pm Thursdays 4:30pm - 5:15pm

Any Saturday practices requested by the head coach in lieu of a game will be **optional** attendance. We understand that for some players, twice a week is more than enough ice time for them.

#### <u>U9</u>

Tuesdays 5:15pm – 6:15pm Thursdays 5:15pm – 6:15pm

The full ice surface will be used for practice with 3-5 stations set up. The focus will be on technical skill development by utilizing circuits and continuous drills. When splitting up players for station work in practices, they will be separated based on skill so all players can be

challenged by enabling coaches to progress and regress drills as needed based on the skill set of each station group.

#### E. <u>Under-aging 4 Year olds into the Initiation program</u>

If parents feel that their child is ready to play games by December 12<sup>th</sup>, they may complete the Underage Application Form (appendix A of the Intro to Hockey Program) by December 1<sup>st</sup> and submit to the head coach. This will be reviewed by the coaching staff and they will then determine if the player is ready to participate with the team in practices and games. If the underage request is granted the player may begin playing games on December 11<sup>th</sup> (Hockey Day in Bashaw). The coaching staff reserve the right to deny the application.

If a 4 year old begins playing games, they will participate as an Initiation team member for the remainder of the season including all games and practices as able. As for parents, this will include:

- Contributing to the home tournament both financially and volunteering of time (see tournament information in the handbook on page 15)
- Six (6) concession hours will be required to be completed by the end of the season (this applies to the families of just a 4 year old)
