At the Saville Centre, this is the black line on the court.
- H. Free throws:
- a. In the 13U divisions, free throws may be taken from 13 feet (i.e. Two feet closer than the marked free throw line). Where possible, tape will be placed down on the court.

## II. Games Tied at the End of Regulation Time

If the score is tied at the end of playing time for the fourth period the game shall continue until the tie is broken by the first team to score four (4) points or three (3) minutes stop time, whichever one comes first.

- A. Each team will continue to shoot at the same basket as the second half. The overtime period will begin immediately by a jump ball at center court. Each team will be allowed a one (1) minute time-out for the overtime period. Players who were fouled out or ejected during regulation time will not be allowed to participate in the overtime period.
- B. If this period ends with no team scoring 4 points the leading team will be declared the winner.
- C. If the score remains tied at the end of the first overtime period; the game will move to a next point wins format. All fouls and ejections will be carried forward from previous periods of play. Play will start with a jump ball. The winner is determined by the first team to score a point (including a free throw).

## III. Roster Changes/Player Additions after the Roster Deadline

A team may be declared to have up to 15 players to its roster; rosters must coincide with registered rosters as per league of play (pending league availability). All final team rosters are to be confirmed and validated by the administrator(s) of the team's league of play prior to being submitted to Alberta Basketball. Players may be listed on and participate for only one roster for the duration of the 2024 Youth Provincials.

For the 18U Divisions (Age Eligibility: 2006, 2007, 2008). All rosters and players must be previously registered with their league of play (pending league availability) to represent their team.

A team may request to add a maximum of three players to its roster if they have declared a team made up of eight or fewer players. These players can be added to take a team roster up to a maximum of ten players. Therefore, a team that has declared eight players can add two, and a team that has declared seven or less can add three. If teams are declared

from the CMBA/EYBA leagues the players must be approved by your league as all final team rosters are to be confirmed and validated by the administrator(s) of the team's league of play prior to being submitted to Alberta Basketball. If teams are declaring from outside of the CMBA/EYBA leagues, please send your request to Alberta Basketball. Rosters will be verified and confirmed with the appropriate league in which you played your season.

Players being added must be from either: 1) a younger age category; or 2) a lower division level within the same age category (i.e A Div 1 team could add any Div 2 player, while a 'Div 2' team could add any player from Div 3 or lower). Players from a higher division are not eligible to be added to a lower Division team.

Players being added must reside in the same community or amalgamated communities as the team which has declared for provincials.

A team must submit all roster additions to Alberta Basketball. Requests must clearly demonstrate why the team needs additional players. All requests must be received in writing via e-mail by Tuesday, March 5, 2024 at 12pm.

Each team will be responsible for managing playing time for their players. Challenges to playing time from opposing teams will not be entertained.

#### **V. Forfeits**

Teams will be given 5 minutes from their scheduled start time to have registered players ready to play. If a team does not have five registered players (four for 11U divisions, three for 18U Girls) within those 5 minutes, they will forfeit the game.

Appeals on referee decisions will not be entertained.

Rulings on situations not addressed within this package will be made at the discretion of the Technical Committee.

#### **VII. Enforcement**

Game officials will be made aware of these rule modifications as well as all general tournament rules. Game officials and tournament officials will be monitoring and will be enforcing these rules during the tournament at each age group and level of play. Please be aware that the following penalties may be enforced for any violations of these rule modifications and/or other general tournament rules:

- A. First violation - will receive a verbal warning
- B. Second violation - technical foul may be assigned to the player or coach
- C. Third violation - a 2nd technical foul may be assigned to the player or coach.
