**DRESS CODE / CODE VESTIMENTAIRE:**

In order to have a first class competitive event for participants and spectators, players and coaches must represent their province/territory in a professional manner at the National Championships, and must wear proper attire. Players must wear the clothing provided to them by their province/territory whenever they participate in National Championship events. These events include, but are not limited to: competitions, opening (banquet) and closing ceremonies, meals and travel.

Players are not permitted to remove their uniform (jersey or shorts) while in the gym. They may only remove their uniforms while in the team locker room. Players are expected to dress in a manner that positively represents their province/territory not only on the court but also off court during National Championships.

Pour faire de cet événement un tournoi compétitif de première classe pour les participants et pour les spectateurs, les joueuses et les entraîneurs-euses doivent représenter leur province/territoire d'une manière professionnelle aux championnats nationaux, et doivent porter une tenue correcte. Les joueuses doivent porter les vêtements qui leur ont été donnés par leur province/territoire à chaque fois qu'elles participent aux événements de ces championnats nationaux. Ces éléments incluent mais sans s'y limiter: les compétitions, les cérémonies d'ouverture (réception) et de clôture, les repas et les déplacements.

Les joueuses doivent porter leur uniforme (chandails ou shorts) quand elles sont dans le gymnase. Elles ne peuvent retirer leur uniforme que lorsqu'elles sont dans le vestiaire de l'équipe. Les joueuses doivent s'habiller d'une manière qui représente positivement leur province/territoire non seulement sur le terrain mais aussi en dehors du terrain pendant les championnats nationaux.
