The Alberta Basketball Association (ABA), and \_\_\_\_\_ (name of Club/Organization/Cohort collectively the "Organization") require the disclosure of exposure to illness in order to safeguard the health and safety of all participants and limit the further outbreak of COVID-19. This Declaration of Compliance must be returned to the club/organization/cohort as well as ABA within two weeks of the start of activities and will not be disclosed unless as required by law or with your consent.

Individuals (or the individuals or their parent/guardian) who are unable to agree to the terms outlined in this document are not permitted to enter the Organization's facilities or participate in the Organization's activities, programs, or services.

I, the undersigned being the responsible contact(s) above, hereby acknowledge and agree to the terms outlined in this document:

- The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization and COVID-19 is extremely contagious. The Organization has put in place preventative measures to reduce the spread of COVID-19 and requires all individuals or their parent/guardian to adhere to the compliance standards described in the ABA Return to Play Guidelines

### *Responsible Contact(s):*

Each club/organization/cohort's responsible contact(s) will ensure the following:

- Ensure each registered member (including all associated adults) with the club/organization/cohort fills out the Event Participation Waiver Form (see Appendix 8) prior to participating in any sanctioned basketball activity. These documents will be held in their possession for the season and then filed at the conclusion of activity for the 2020/2021 season of play, to be secured for the next three years. These must be available to be produced upon demand from their club/organization of the ABA.
- Ensure a Declaration of Compliance Form is filled out (see Appendix 7) on behalf of the club/organization and filed with their club/organization and ABA within two weeks of commencement of club/organization activity. Failure to do so will result in Insurance being withdrawn from the club/organization/cohort.
- Ensure a Daily Cohort List (Phase 3 Only) is created and maintained for the duration of club/organization/cohort activities for the 2020/2021 Season of Play. This will be put into use to assist contact(s) tracing should there be a positive case or outbreak within the club/organization/cohort. This does not need to be filed with any other group just maintained and available upon demand.
- Each participant must complete a Daily Attestation Waiver (See Appendix 9 & 10) and take appropriate action if anyone answers "Yes" to any of the questions.
- Ensure that Membership/Insurance is acquired and paid from ABA within two weeks of the start of activity for their team/cohort and that on-line registration is completed as well.
- Ensure all sanitation and cleaning requirements are conducted as listed below each day and follow any guidelines set out in that area by the municipality or school providing the facility.
- Ensure all participants and their parents/guardians are fully aware of the current phase of the ABA Return to Play Guidelines.
