

**BNB Provincial Championships**  
**COACHES CONTRACT**

Coaching young people is a wonderful opportunity and an enormous responsibility. As a coach I agree to conduct myself in a manner that will allow me to be proud of the examples I set, the rules I teach and the expectations I create.

- I will teach my players to play fairly and to respect the rules of the game of basketball.
- I will demonstrate, and instill in players, a respect and courtesy toward opposing players, coaches and officials.
- I will encourage the spectators (particularly parents) to display conduct of respect and hospitality toward opponents and officials, and to recognize good play and sportsmanship.
- I will respect the decisions of the officials.
- I will have pride in being a good example of a coach – in appearance, conduct, language, and sportsmanship.
- I will be reasonable when scheduling games and practices, remembering that young athletes have other interests and obligations.
- I will endeavor to create a safe, happy, cooperative atmosphere, which will allow my team to grow as individuals and as basketball players.
- I will do my best to provide all of my athletes with a positive experience in the sport of basketball.

I recognize that the responsibility and opportunity to coach young people is a privilege - one that is afforded me through a structure created and administered by Basketball New Brunswick. I will adhere to BNB's rules of play and accept BNB's decisions in the best interest of the game. I understand that basketball at the level I am coaching is primarily played for the enjoyment of the game and I will show the respect that the game and its participants deserve.

**Coach's Commitment:**

**I certify that I have read the above information, agree to fulfill my commitment to the coaches contract and that all players on this team are the appropriate age and place of residence for this competition. I understand that failure to fulfill this commitment may result in disciplinary action, including forfeit of registration fees.**
