

The Midget A Director Report,

This year our midget division started out with 25 skaters and 2 goalies. As this was not enough players to form 2 teams, we were left with the hard choice of letting 6 skaters go as per SHA rules a team can only register 19 skaters and 2 goalies.

The midget team played their season in the Step League, with Kelly Page as Head Coach, Brent Holhoyi Assistant Coach, Larry Martel Assistant Coach, and Mitchell Lascelle Assistant Coach, Gordon Whitton Manager, and Cheryl Neave Treasurer.

Despite all of the controversy and turmoil that this team faced throughout the course of the year they finished their league play in third spot.

Entering into the playoffs the first round they faced off against Lashburn. Winning game three, they then went on to the second round against Turtleford. With another series going to a game three the players rallied again. The league finals were played against Edam, and even though it also went to a game 3, the Barons came up short.

All coaches and players should be very proud of themselves, and the team effort that they put into this season. It was a very tough year and falling short in the final game of the championship round is amazing.

Hope you all have a great summer, and we hope to see everyone back in the fall.

Midget Director,  
Michele Lascelle
