

2017-2018 Pee Wee A Provincial Team

The Pee Wee Provincial Team started up around November 2017 we practiced every Friday morning at 07:00 @ Don Ross. We entered 2 tournaments to get the kids playing and getting used to playing with each other. 1st tournament was just before Christmas in Saskatoon, the boys played very well but lost in the A final. The 2nd tournament was in Kindersley late in January and again the kids played well but again lost in the A final. In Kindersley there was also a skills competition with hardest shot, fastest skater, most accurate shot, shootout specialist and top goaltender. Each player that was entered showed very well each coming in within the top 3 in each category. We played Davidson in the first round of Provincials, the first game we lost 6-7 and same score in game 2. The kids never quit and tried there best and that is all I can ask from them. Our team was made up of mostly first year Pee Wee kids with only five 2nd years. I enjoyed my time with the kids and hope all the 1st years good luck in the 2018/19 season.

Sincerely,

Coach Mike Van Stone
