Although we lost out of the playoffs earlier than expected, we overall had a really great season. We were fortunate to have an excellent group of kids who got along very well and were a lot of fun to coach. Player development progressed nicely through the season. We battled injuries all season long including four concussions, a broken wrist, 2 shoulder injuries as well as a couple of other injuries. Thankfully CBI helped our players to successfully overcome their injuries. We should have a few players graduate to U18 AAA and several to U18 AA next season. The team will also have a solid core of returning veterans for the 2024-25 season including a goalie, 3 defenseman & 2 forwards.
